Chester Brown,2021-04-22 Chester Brown reinvents the comic book medium to create the critically acclaimed historical biography *Louis Riel* Brown won the Harvey Awards for best writing and best graphic novel for his compelling meticulous and dispassionate retelling of the charismatic and perhaps insane nineteenth century Metis leader's life Brown coolly documents with dramatic subtlety the violent rebellion on the Canadian prairie led by Riel an embattled figure in Canadian history regarded by some as a martyr who died in the name of freedom while others consider him a treacherous murderer

The Story of Louis Riel Anonymous,2004-07-01 The story of the Riel led rebellion in the Canadian Red River country Louis Riel the Canadian religious figure and prophet of a new order in the West who was plagued with bouts of insanity was a once enigmatic man who has become one of the most closely scrutinized figures in Canadian history leading to a century long debate about whether Riel was a great political leader or a madman It is a story of racism the story of Louis Riel and of the American Indians of the Northern Great Plains the Sioux Cree and Blackfeet and of the Metis or half breeds who sought to create a nation born of violence and despair and reared to a brief glory White men called it treason For this Louis Riel died on the gallows in 1885 and his nation died with him

Opera Indigene: Re/presenting First Nations and Indigenous Cultures Pamela Karantonis,Dylan Robinson,2016-05-13 The representation of non Western cultures in opera has long been a focus of critical inquiry Within this field the diverse relationships between opera and First Nations and Indigenous cultures however have received far less attention *Opera Indigene* takes this subject as its focus addressing the changing historical depictions of Indigenous cultures in opera and the more contemporary practices of Indigenous and First Nations artists The use of re presenting in the title signals an important distinction between how representations of Indigenous identity have been constructed in operatic history and how

Indigenous artists have more recently utilized opera as an interface to present and develop their cultural practices This volume explores how operas on Indigenous subjects reflect the evolving relationships between Indigenous peoples the colonizing forces of imperial power and forms of internal colonization in developing nation states Drawing upon postcolonial theory ethnomusicology cultural geography and critical discourses on nationalism and multiculturalism the collection brings together experts on opera and music in Canada the Americas and Australia in a stimulating comparative study of operatic representation **Canada's Odyssey** Peter H. Russell, 2017-01-01 In Canada's Odyssey renowned scholar Peter H Russell provides an expansive accessible account of Canadian history from the pre Confederation period to the present day

Queen's Quarterly, 1905 *Official Reports of the Debates of the House of Commons of the Dominion of Canada* Canada. Parliament. House of Commons, 1885 Literary Land Claims Margery Fee, 2015-10-16 Literature not only represents Canada as our home and native land but has been used as evidence of the civilization needed to claim and rule that land Indigenous people have long been represented as roaming savages without land title and without literature *Literary Land Claims From Pontiac's War to Attawapiskat* analyzes works produced between 1832 and the late 1970s by writers who resisted these dominant notions Margery Fee examines John Richardson's novels about Pontiac's War and the War of 1812 that document the breaking of British promises to Indigenous nations She provides a close reading of Louis Riel's addresses to the court at the end of his trial in 1885 showing that his vision for sharing the land derives from the Indigenous value of respect Fee argues that both Grey Owl and E Pauline Johnson's visions are obscured by challenges to their authenticity Finally she shows how storyteller Harry Robinson uses a contemporary Okanagan framework to explain how white refusal to share the land meant that Coyote himself had to make a deal with the King of England Fee concludes that despite support in social media for Theresa Spence's hunger strike Idle No More and the Indian Residential School Truth and Reconciliation Commission the story about savage Indians and civilized Canadians and the latter group's superior claim to develop the lands and resources of Canada still circulates widely If the land is to be respected and shared as it should be literary studies needs a new critical narrative one that engages with the ideas of Indigenous writers and intellectuals *Mixed Blessings* Tolly Bradford, Chelsea Horton, 2016-04-01 *Mixed Blessings* transforms our understanding of the relationship between Indigenous people and Christianity in what is now Canada While acknowledging the harm of colonialism including the trauma inflicted by church run residential schools this book challenges the portrayal of Indigenous people as passive victims of malevolent missionaries who experienced a uniformly dark history Instead it illuminates the diverse and multifaceted ways that Indigenous communities and individuals across Canada have interacted and continue to interact meaningfully with Christianity from the early 1600s to the present Ranging widely across time and place these insightful case studies explore how and why some Indigenous people including Louis Riel and Edward Ahenakew historically aligned themselves with Christianity while others did not It also plumbs the processes and politics involved in combining spiritual traditions and

reflects on the role of Christianity in Indigenous communities today
