The Cross at the Heart of the Church Petre Maican,2025-09-18 Can Eastern Orthodoxy apply the term church to other Christian communities Emerging from the 2016 Pan Orthodox Council this issue sparked one of the most heated ebated in contemporary Eastern Orthodoxy According to Maican grappling with this question within the current framework of Eastern Orthodox ecclesiology presents significant challenges In this unifying work he argues that neither the emphasis on the Eucharist nor the adherence to the Tradition of the Fathers is capable of accommodating legitimate Christian otherness Instead Maican proposes a cruciform ecclesiology positing the cross as not only foundational to doctrines and sacraments but also as the primary criterion for discerning the ecclesial nature of a community Through dialogue with Dumitru Staniloae Hans Urs von Balthasar and Paul Tillich this book employs a conversationalist approach to this intricate problem Ultimately Maican provides a nuanced examination of the cross in ecclesiology yielding bold propositions for recognizing the ecclesial status of other Christian communities

perfection freedom in Christ Spiritual perfectionism an obsession with flawlessness rooted in the belief that we can earn God's love is dangerous because so many of us mistake it for virtue Its toxic cycle of pride sin shame blame and despair distorts our vision dulls our faith and leads us to view others through the same hypercritical lens we think God is using to view us As a lifelong overachiever who drafted her first résumé in sixth grade and spell checked her high school boyfriend's love letters Colleen Carroll Campbell knows something about the perfectionist trap But it was only after she became a mother that she started to see how insidiously perfectionism had infected her spiritual life how lethal it could be to her happiness and her family and how disproportionately it afflicts the people working hardest to serve God In the ruins of her own mistakes Colleen dug into Scripture and the lives of the canonized saints for answers She discovered to her surprise that many holy men and women were in fact recovering perfectionists And their grace fueled victory over this malady not perfectionist striving was the key to their heroic virtue and contagious joy In *The Heart of Perfection* Colleen weaves the stories and wisdom of seven ex-perfectionist saints and one heretic with Scripture and beautifully crafted tales of her own trial and error experiments in applying that wisdom to her life gorgeously written and deeply insightful Colleen Carroll Campbell's *The Heart of Perfection* is a must read Jeannie Gaffigan executive producer of *The Jim Gaffigan Show* that gives us permission to walk in the freedom of God's unconditional love Jennifer Fulwiler author of *One Beautiful Dream* For a free *Heart of Perfection* reading guide for book clubs visit ColleenCampbell.com

Lessons from Saint Thérèse John Paul Thomas, 2017-10-30 I will spend my Heaven doing good on Earth For more than a century Saint Thérèse of Lisieux also known as The Little Flower has captivated countless minds and hearts Her simple and pure heart burned with a deep love for our Lord and that love overflowed into the lives of many She daily inspired those who knew her and she continues to inspire those who read her story Her autobiography captures the beauty and profundity of her love in the most tender and affectionate way Her story reveals how devoted she was to Jesus and how she longed to be with Him forever in Heaven even from the earliest moments of her childhood This book offers 99 short lessons reflections and prayers from the life of Saint Thérèse of the Child Jesus and the Holy Face The lessons are based upon Saint Thérèse's own words as she shared her faith and her heart in the pages of the three manuscripts of her autobiography *Story of a Soul* Each subsequent reflection attempts to capture one of her countless virtues so as to savor the fragrance of this precious little flower of God and to apply it to the reader's daily life The prayer to conclude each lesson is not written only to be read it is written to be prayed You may find it helpful to pray that prayer slowly and meditatively at the end of each lesson and return to that prayer at the end of each day especially to the prayers that are most pertinent to your life The reader might wish to use this book as a daily reflection book reading one lesson each day Doing so will allow you to ponder one lesson from her saintly life at a time so as to absorb the sweetness of her love and the depth of her life However you might find it just as beneficial to read several lessons at a time This book is not intended to be a one-time read Rather the lessons we learn from Saint Thérèse's life are worth absorbing many

times over The reflection and prayer after each lesson make this book a helpful source of daily self examination and prayer throughout life You who are parents might also find the lessons of St Th r se of benefit in the formation of your children Telling Little Th r se s stories will inspire and challenge your children as they grow and mature in their own lives of faith

Reflexivity in Love A Self-Reflexive Portrait of the Little Flower of Jesus Fr. Emmanuel Javert Nnadozie OCD,2024-09-19 This book focuses particularly on the self reflexive elements of the divine and human transformation in the Christian life which we find in St Therese especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth It studies Therese s spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self reflective and interrogative self understanding of her call to sanctity of life The author also discusses how the Saint appropriated God s Word and God s grace hidden in the events of her life The book shows how through self reflexivity and meditation on God s Word she discovered her vocation as love in the heart of the Church following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route While it is recognized that God s grace works in individuals according to their personal vocations the author believes that spiritual self reflexivity helps the faithful to integrate meaningfully like St Therese the general principles of the spiritual life and the example of the Saints into each individual s spiritual life in the events of daily life irrespective of their individual vocations And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St Therese s simple humble and confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of every day with reflexivity in love as the key

Experiencing God's Love in the Church Tom Blackaby,2011-06-01 The church is not dead nor does it need to be abandoned as some think It is still a body that can best demonstrate the heart of God to a needy world

Many have looked at the church with all its flaws and turned their backs on it saying it has passed its prime The main reason for this is that the church has lost its love for one another and consequently for God While the church may serve God try to please God and make efforts to obey God love is sadly missing This lack of love for one another manifests itself through church splits lack of loyalty ostracizing those who disagree turning on one another over insignificant reasons church hopping firing pastors etc Experiencing God s Love in the Church seeks to challenge believers to renew their commitment to loving one another and in so doing returning to what Christ intended His body to look like When the world sees God s people truly loving one another they will then be more apt to see how the Father sent the Son as a demonstration of His love for them

Edited from the original manuscripts, with an introduction, by T. Edwards* Jonathan Edwards, 1852 *Searching the Heart* Karen Lystra, 1992-06-25 In January 1862 Charles Godwin courted Harriet Russell ultimately unsuccessfully with the following lines Like cadences of inexpressibly sweet music your kind words came to me causing every nerve to vibrate as though electrified by some far off strain of heavenly harmony Almost ten years later Albert Janin upon receiving a letter from his beloved Violet Blair responded with I kissed your letter over and over again regardless of the small pox epidemic at New York and gave myself up to a carnival of bliss before breaking the envelope And in October 1883 Dorothea Lummis wrote candidly to her husband Charles I like you to want me dear and if I were only with you I would embrace more than the back of your neck be sure In Karen Lystra s richly provocative book *Searching the Heart* we hear the voices of Charles Albert Dorothea and nearly one hundred other nineteenth century Americans emerge from their surprisingly open intimate and emotional love letters While historians of nineteenth century America have explored a host of private topics including courtship marriage birth control sexuality and sex roles they have consistently neglected the study of romantic love Lystra fills this gap by describing in vivid detail what it meant to fall in love in Victorian America Based on a vast array of love letters the book reveals the existence of a real openness even playfulness between male and female lovers which challenges and expands more traditional views of middle class private life in Victorian America Lystra refutes the common belief that Victorian men and women held passionlessness as an ideal in their romantic relationships Enabling us to enter the hidden world of Victorian lovers the letters they left behind offer genuine proof of the intensity of their most private interactions feelings behaviors and judgments Lystra discusses how Victorians anthropomorphized love letters treating them as actual visits from their lovers insisting on reading them in seclusion sometimes kissing them as Albert does with Violet s and even taking them to bed She also explores how courtship rituals which included the setting and passing of tests of love succeeded in building unique emotional bonds between lovers and how middle class views of romantic love which encouraged sharing knowledge and intimacy gave women more power in the home Through the medium of love letters *Searching the Heart* allows us to enter unnoticed the Victorian bedroom and parlor We will leave with a different view of middle class Victorian America **The Heart of Religion** Matthew T. Lee, Margaret M. Poloma, Stephen G. Post, 2013-01-10 Drawing on a random survey of 1 200 men and women across the United States this book sheds new light on how Americans wake up to the reality of divine love and how that transformative experience expresses itself in concrete acts of benevolence **Marriage from the Heart** Donald R. Downing, 2010-04 Marriage is God s idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God s idea but Satan s idea to destroy God s ideas plans and purpose of marriage between

a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers Marriage from the Heart to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart FEATURING DRS MELVIN AND ROBIN THORNHILL Melvin and Robin Thornhill are the founders and presidents of Destiny New Image Ministries They have a combined 50 years of experience in family and marriage counseling
