Gibson Winter, 1958 **Learning to Love** Darren Edward Twa, 2012-08-01 For relationships to be their best they require values that strengthen and improve relationship The value system best suited for this is beneficial love Within it is contained the attitudes necessary to grow closer and resolve conflict and desires expressed within the confines of beneficial love greatly enhance relationship Loving others does not come automatically It involves deliberate action in the face of differences You can improve your relationships and you can learn to love others more This process begins with understanding your own values and comparing them to the relational standard of beneficial love **Kiss Your Fights Good-bye** Jamie Turndorf, Dr., 2014-01-20 Heated fighting triggers a biochemical imbalance in men that causes them to flee from conflict The technical name for this is the Demand Withdraw Negative Escalation Cycle also known as husband withdrawal This is the number one

cause of marital and relationship strife divorce and domestic violence Dr Jamie Turndorf's techniques based on 30 years of research out of her Center for Emotional Communication transform conflict into connection for a lifetime of lasting love Even if you're locked in battle and have been for years your relationship can change Beginning with simple Cool Down steps you'll learn why husband withdrawal occurs and then how to use Climate Control strategies to reset the relationship Women will discover the real reason why men never seem to listen it's nothing personal and the secret trick that actually makes them want to listen and stick around to settle disputes Dr Turndorf's proven conflict resolution method interrupts the cycle of fighting for the majority of couples and can also be used to defuse disagreements among friends and family members

Love's Conflict Florence Marryat, 1865 Love & Conflict Joseph L. Allen, 1984 Conflict and Decision-making in Close Relationships Erich Kirchler, 2001 Central to the authors research is a unique diary study of 40 couples who kept a daily record of their joint decisions over the course of a year The diaries show how challenging varied and complex the conflicts and decision making of normal everyday life can be and reveal that frequently goals change during the decision making process with the result that the final outcome often achieves a goal distinct from the original intention Furthermore the dynamics of decision making differ with the problem at stake the decision making history of the couple and the quality of the partnership The results of the diary study are discussed within the overall context of current research in the field as a whole including discussion of joint decision making case studies close relationships decision making research in general and special research methods Dangerous Love Chad Ford, 2020-06-23 Chad Ford reminds us that humanity lies within all of us and although conflict is everywhere in today's world we have the tools we need to overcome obstacles and to thrive This is a fantastic timely book that I highly recommend Steve Kerr Head Coach Golden State Warriors Knowing how to transform conflict is critical in both our personal and professional lives Yet by and large we are terrible at it The reason says longtime mediator Chad Ford is fear When conflict comes our instincts are to run or fight To transform conflict Ford says we need to turn toward the people we are in conflict with put down our physical and emotional weapons and really love them with the kind of love that leads us to treat others as fellow human beings not as objects in our way We have to open ourselves up with no guarantee that anyone on the other side will do the same While this can feel even more dangerous than conflict itself it allows us to see the humanity of others so clearly that their needs and desires matter to us as much as our own Ford shows dangerous love in action through examples ranging from his work in the Middle East to a deeply moving story about reconciling with his father He explains why we disconnect from people at the very time we need to be most connected and the predictable patterns of justification and escalation that ensue Most importantly he gives us a path to practice dangerous love in the conflicts that matter most to us **Wired for Love** Stan Tatkin, 2024-06-01 Invaluable for so many partners looking to reconnect and grow closer together Gwyneth Paltrow founder and CEO of goop Stan Tatkin can be entirely followed into the towering infernos of our most painful relationship challenges Alanis Morissette artist activist and wholeness
