Love Face To Face:

Love's Oneing Kerrie Hide, 2022-11-08 Grounded in Christian love mysticism Love's Oneing gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love's Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment *Anatomy of Love* Helen E. Fisher, 1992 An exploration of human behavior examines the innate aspects of love sex and marriage discussing flirting behavior courting postures the brain chemistry of attraction divorce and adultery in societies around the world and more Reprint *365 New Ways To Hug Your Love* Dr. Hug, 2017-07-22 Enjoy a great new way to hug every day From hugs to be healthy and happy to hugs to refresh and have fun enjoy 365 new ways to hug your love This book is fun for everyone It contains new hugs for you and those you love Enjoy 365 new hugs for you The Prophetic Call to Love and Justice Arnold H. De Graaff, 2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re-connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives Love Diogenes Allen, 2006-12-14 Love is often seen as overwhelming yet fleeting romantic passion between a woman and a man Diogenes Allen leads us to understand our love for families for friends and for God with an equivalent fascination and intensity Christianity recognizes that every person carries an inalienable value simply

by existing Love recognizes this value in other people and allows loved ones to exist freely in their own way Partners in romantic love even though they are hopelessly dependent on one another must struggle to support the other's independence As we struggle to realize our own dependence on others meanwhile recognizing their inherent worth without us our loves human and divine find new depth and passion

Love and Organization Michael Pirson, 2022-06-30 Organizations are not human but they are made up of people Examining the organization functioning growing and developing and moving together as one unit the well being and success of that organization depends on the well being of people that make it up Love in its various forms is the energy that motivates and fuels creativity care innovation progress and well being Traditionally organizational structures have been set up to support compliance and command and control which often discourages love and creates policies against love at the workplace The result has been reduced growth productivity and retention of businesses as well as reduced well being for employees This reduced connectivity between individuals has also at a higher level adversely affected society Without love people are working and performing with reduced energy and at reduced capacity While prior research has been focused on love at the workplace from the viewpoint of psychologists this book explores the impact of love within organizational contexts from various viewpoints including management psychology and philosophy It explores love in the organizational context by looking at how it affects meaning purpose well being motivation faith care spiritual development and how the identity and well being of each person in the organization positively affects retention and the growth and success of that organization It will be of interest to researchers academics and advanced students in the fields of organizational studies leadership and management

Ferguson,2020-08-28 La 4e de couverture indique For the Apostle Paul humans do not identify and act on their own but are constituted in part by relationships Samuel D Ferguson shows that according to Paul the work of the Holy Spirit further attests to this as Christians realize their new life through Spirit created relationships of sonship and communal interdependence Choosing Stillness, Knowing Love Christine Dixon,2016-06-03 Often our default is to turn for guidance to external sources rather than connecting to the God given Spirit of Love within us We may effectively forfeit our direct connection to God and become dependent on outside authorities causing our spiritual roots to remain shallow and insecure Choosing Stillness Knowing Love offers a practical daily plan that makes connecting to the Spirit of God personal and tangible Through guided journaling awareness and stillness exercises this book encourages the reader to develop the habit of creating space to listen to the still small voice of God This leads to deeper roots that result in healing wisdom and a natural production of the fruit of the Spirit This book is designed to focus on one person at a time one moment at a time **Dare to Love Again** Rita Hinton,2009-11 In Dare to Love Again author Rita Hinton invites you to a life changing getaway to a realm where you will encounter true love joy and peace in person Come just as you are Let your deepest desires and highest aspirations unfold as you leave your fears and hindrances behind and advance toward your destiny the abundant life in God Whether you Dare to Love Again is up to you but remember no matter what happened in the past all things are possible now all heaven is waiting for your readiness Will you RSVP Readers may choose to coauthor this work with their own observations and creativity to personalize the allegorical process of finding inner balance and relational
