Tolver,2013-04-15 Denese is looking for love in all the wrong places but eventually finds it in a strangers arms after meeting him in the park Swept off her feet by his charming and seductive ways Denese had never felt so loved until he almost loved her to death Fighting to get away from Alex Denese finds herself in the arms of another man **Why Love Hurts** Eva Illouz,2013-05-20 Few of us have been spared the agonies of intimate relationships They come in many shapes loving a man or a woman who will not commit to us being heartbroken when we re abandoned by a lover engaging in Sisyphean internet searches coming back lonely from bars parties or blind dates feeling bored in a relationship that is so much less than we had envisaged these are only some of the ways in which the search for love is a difficult and often painful experience Despite the widespread and almost collective character of these experiences our culture insists they are the result of faulty or insufficiently mature psyches For many the Freudian idea that the family designs the pattern of an individual s erotic career has been the main explanation for why and how we fail to find or sustain love Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives The purpose of this book is to change our way of thinking about what is wrong in modern relationships The problem is not dysfunctional childhoods or insufficiently self aware psyches but rather the institutional forces shaping how we love The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice The samples from which men and women choose a partner the modes of evaluating prospective partners the very importance of choice and autonomy and what people imagine to be the spectrum of their choices all these aspects of choice have transformed the very core of the will how we want a partner the sense of worth bestowed by relationships and the organization of desire This book does to love what Marx did to commodities it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors When Love Hurts and Wins Toyin Fajinmi,2012-07-23 Many young couples both married and unmarried dream of a perfect marriage in which everything goes smooth loving stress free and hitch free but they fail to prepare for the worst while hoping for the best The reality is that there is no perfect marriage at all but if two people from different beliefs backgrounds and ways of life can live together and accommodate each others differences to have a good and healthy marriage the goal is achieved When Love Hurts and Wins is a book that creates awareness for young men and women while dating on issues that need to be addressed before getting married It will also help married couples to understand better and deal with day to day unavoidable challenges they may encounter in their marriages *When Love Hurts: Loving a Narcissist* Cynthia Bailey-Rug,2018-08-15 Do you wonder what is wrong with your marriage Is your spouse extremely self centered manipulative and just plain mean If so you may be married to a narcissist When Love Hurts Loving a Narcissist offers a Christian perspective on this difficult situation It also will teach you about Narcissistic Personality Disorder identifying narcissists ways to cope with their abusive behavior and help you decide whether to stay or leave **Love Hurts! but True Love Heals!** ,2019-03-25 The book describes

contemporary materialistic lifestyles associated issues and distressful scenarios faced by the youngsters It highlights the pitfalls or disadvantages of the lifestyles and thinking of the present young generation after perusal of which the modern generation can make better decisions regarding their priorities in life The Love-Hurt Healing SAKKSHI
