Love in Hiding Annette Charles,1993-11-01 *Billy Love's Secret Crusaders* Dr. Jean Wolf,2018-12-26 It is 1950 and with World War II finally over the world is calm or is it In this third book of the Billy Love Trilogy the Wolf family evolves as new people enter the scene Secrets and spies abound as the Cold War encompasses the world This historical novel reveals the maturation of a family s commitment to the challenges of history It features an unrelenting motivation of a determined and remarkable group of women **Works of Love** Robert L. Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded Love in Hiding Leesa Mason,2023-03 Ali Life is complicated Boyfriends date me to get closer to my dad and manuscripts fail to write themselves So when my best friend invites me to a remote Caribbean resort I jump on the next plane Finch is the only one I trust with my secrets with my identity and relaxing with him is the only time I can truly be myself That is if his over protective and completely off limits older brother doesn t show up Sam Running a multinational company is challenging but keeping an eye on my party animal brother is harder Especially when his best friend is a tag along gold digger and I m going to prove it once and for all The sooner I kick Ali out of Finch s life the sooner I ll stop dreaming about getting her under me **Casca Llanna. Braddon ,1875 a scar Deekshika Boorugu ,2022-02-12 Life is a journey of ups and downs Life leaves us with many scars Each scar has its story In this journey we grow learn and let go The co authors of this book have attempted to write stories in which their characters have healed their scars by staying strong The main aim of this anthology is to give a platform to all the budding writers around and give them a chance to showcase their talent I am grateful to every person who has been on this journey with me Every story in this book holds a special place Historical & Legendary Ballads & Songs Walter Thornbury,1876 *Tears of the Soul* Prithipal Singh Diggpal,2008-09 Tears Of The Soul is a selection of over 200 poems that I wrote over a period of many many years They are an echo of my countless moods a myriad of my emotions and a reflection of my tears The poems question the meaning of love loss and life itself Sadness is my inspiration Happiness is a moment Love is a dream *Love's Grateful Striving* M. Jamie Ferreira,2001-06-07 Soren Kierkegaard s Works of Love 1847 a series of deliberations on the commandment to love one s neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard s most important works He shows that Kierkegaard s deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation *Kierkegaard and the Philosophy of Love* Michael Strawser,2015-10-08 Ironically the philosophy of love has long been neglected by philosophers so called lovers of wisdom who would seemingly need to understand how one best becomes a lover In Kierkegaard and the Philosophy of Love Michael Strawser shows that the philosophy of love lies at the heart of Kierkegaard s writings as he argues that the central issue of Kierkegaard s authorship can and should be understood more broadly as the task of becoming a lover Strawser starts by identifying the questions How should I love the other Is self love possible How can I love God and themes love s immediacy intentionality unity and eternity that are central to the philosophy of love and he develops a rich context that includes analyses of the conceptions of love found in Plato Spinoza and Hegel as well as prominent contemporary thinkers Strawser provides an original and wide ranging analysis of Kierkegaard s writings from the early The Concept of Irony and Edifying Discourses to the late The Moment while maintaining the prominence of Works of Love to demonstrate how Kierkegaard s writings on love are relevant to the emerging study of the philosophy of love today The most unique perspective of this work however is Strawser s argument that Kierkegaard s writings on love are most fruitfully understood within the context of a phenomenology of love In interpreting Kierkegaard as a phenomenologist of love Strawser claims that it is not Husserl and Heidegger that we should look to for a connection in the first instance but rather Max Scheler Dietrich von Hildebrand Emmanuel Levinas and most importantly Jean Luc Marion who for the most part center their thinking on the phenomenological nature of love Based on an analysis of the works of these thinkers together with Kierkegaard s writings Strawser argues that Kierkegaard presents readers with a first phenomenology

of love a point of view that serves as a unifying perspective throughout this work while also pointing to areas for future scholarship Overall this work brings seemingly divergent perspectives into a unity brought about through a focus on love which is after all a unifying force

Love's Forgiveness John Lippitt,2020-09-25 Love s Forgiveness combines a discussion of the nature and ethics of forgiveness with a discussion inspired by Kierkegaard of the implications of considering interpersonal forgiveness as a work of love It introduces the reader to some key questions that have exercised recent philosophers of forgiveness discussing the relationship between forgiveness and an extended notion of resentment considering whether forgiveness should be conditional or unconditional showcasing a particular understanding of the latter and arguing that there are legitimate forms of third party forgiveness It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard key New Testament passages on forgiveness and some contemporary work on the philosophy of love Drawing on both philosophy and the New Testament it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgivingness as a character trait suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue and connecting it to other putative virtues such as humility and hope Lippitt draws on both Kierkegaard s discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self forgiveness Throughout the book the philosophical and theological literature is rooted in a discussion of various forgiveness narratives including Helen Prejean s *Dead Man Walking* Thordis Elva and Tom Stranger s *South of Forgiveness* and Ian McEwan s *Atonement*
