Love Is An Everyday Thing:

Love is an Everyday Thing Colleen Townsend Evans, 1974 **Love Is a Burning Thing** Nina St. Pierre, 2024-05-07 A riveting memoir about a daughter's investigation into the wirings of her loving unpredictable mother a woman who lived her life in pursuit of the divine and who started two big fires decades apart Ten years before Nina was born her mother lit herself on fire in a dual suicide attempt During her recovery in the burn unit a nurse initiated her into Transcendental Meditation From that day on her mother's pain became intertwined with the pursuit of enlightenment Growing up Nina longed for a normal life instead she and her brother were at the whims of their mother who chased ascension up and down the state of California swapping out spiritual practices as often as apartments When they finally settled at the foot of a mountain reputed to be cosmic in Northern California Nina hoped life would stabilize But after another fire and a tragic fallout she was forced to confront the shadow side of her mother's mystical narratives With obsessive dedication Nina began to knit together the truth that would eventually release her In *Love Is a Burning Thing* Nina interrogates what happens to those undiagnosed and unseen This is a transfixing moving portrait of a mother daughter relationship that also examines mental health stigma poverty and gender and the role that spirituality plays within each Nina's writing skirts the mystical untangles it and ultimately illuminates it with brilliance

Love Understood Laura Mucha, 2019-01-29 For *Love Understood* almost 200 strangers in over 40 countries have come together to share their most personal stories feelings and insights about love These are incredibly frank intimate and illuminating conversations and author Laura Mucha has used these rare and varied insights as a springboard from which to dive into the subject of love scrutinizing it from all angles scientific psychological emotional and philosophical Romantic love is something that poets and artists have been trying to explain and define for centuries but it's still one of the most complicated and intimidating terrains to navigate specially when you're directly involved Psychologists see it as a basic human drive yet most people are afraid to be open and honest about it until now Each chapter begins with a personal story from someone Laura has spoken with and then goes on to explore the questions and themes that have arisen from the account intertwining the opinions of other interviewees with

the empirical findings and insights of academics The interviews allow readers to connect with people of all backgrounds cultures and ages Sometimes they ll empathize sometimes they ll be challenged and at other times they ll find comfort Love Understood combines academic theory with everyday experience and is for anyone who is curious about how we as humans work when it comes to romantic love *Driven by Love* Emmanuel Nester,2016-02-12 Going from being the boy who walks on water in everyone s eyes the boy loved by everyone in the community and the pride of his father s family to being evil incarnate the great Satan A snake to have it head cut off So much was invested in this boy for him to stay on a path that was walked by his family for many generations In the eyes of everyone around him taking this path was the only right thing to do There was no other way In this environment taking a different path meant being lost Regardless of the consequences Emmanuel made a decision to choose a different path after a great encounter with some far greater than his family and friends This decision was the start of a new life for Emmanuel for the first time he experienced treatment that was only reserved for enemies in his community Sometimes the right path is not the easiest one but it is worth it **Extravagant Love** Carole Engle Avriett,2023-04-11 Have you ever been loved with skimpy love Or has your love for someone else seemed to shrivel Enter the world of God s extravagant love It is beyond measure Careful study of God s Word along with delving into ancient customs and symbols from Biblical times helps us understand His passionate love for all He has created Sometimes extravagance is found in the simple things of daily life We usually think of extravagance as spending excessively on material goods So to use that term for an itinerant teacher who had only one change of clothes and depended on others for food and a place to lay His head seems a stretch Yet Jesus was the most extravagant person who ever lived To understand that we have to revise our notion of extravagance focusing on intangible qualities like thoughtfulness caring and humility In this remarkably imaginative book Carole Engle Avriett guides you through the agriculture diet and commerce of Jesus s culture to shed new light on God s nature Reading it you will gain a deeper understanding of God s love a love of astonishing extravagance **Love Storm** Julia E. term stranger danger is not only misleading to children it actually does more harm than good By the constant reminder that a child encounters by media adults and television programs about never talking to strangers children are often left confused and powerless of how to deal with the many strangers they come across on a day to day bases Secondly this book aims to teach children to become aware of their instincts feelings of uneasiness suspicion or otherwise their apprehension when it is appropriate and important to do so and when it comes to people and situations they encounter as they go about their lives Not just people of whom they do not know strangers but also of people of whom they may already know Finally this book is in two parts The first part are the three short stories of Polly a fictional character that describes in detail certain dilemmas she encounters when she becomes lost first at a grocery store next at the fair and then in the third story the close encounter she experiences of nearly being abducted by a stranger The stories go into detail about the positive aspects that Polly took each time to protect herself in each case scenario The encounters are based on a realistic chain of circumstances The second part of this book is aimed towards parents to look at self protection strategies suggested by some of the world s most prestigious experts on the subject of child safety and the criminal mind

Hug Someone You Love Today Michael A. Pickles, 2012-02 During my fourth year of teaching I had the great privilege of working with an amazing educator by the

name of Miss Bezanson She taught a grade four class to whom I taught Physical Education Therefore I had the opportunity to socialize with her on a daily basis About six months into the school year Miss Bezanson gave me something that would forever change my teaching techniques and my life although I did not realize it at that moment One afternoon I was in Miss Bezanson s class discussing a student who was displaying increasing behavioural problems in my Physical Education class Sensing that I was experiencing tremendous stress as a result of this student she gave me something that touched my heart and reinforced an important life lesson She handed me a small paper card entitled Hug Someone You Love Today That was it No preachy sermon or fancy teaching strategies At that moment I realized that maybe all that child needed was a simple hug A sign of affection which he may or may not have been receiving at home So the next day I gave him a Hug Someone You Love Today card From that day forward I never had another major problem with that student It was absolutely amazing In this book I will share with you some of the heart felt true stories that I have accumulated over the years as a result of passing out these Hug Someone You Love Today cards along to those in need These are stories about normal folks like you and I whose lives have been positively changed as a result of receiving this simple card As you read these stories hopefully you will begin to feel more peaceful and loving yourself

The Greatest Love Story Never Told Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled *Somewhere Sometime Somehow Love Poems and Short Stories* published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love

relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other

Clare Naylor, 2012-06-13 Working for Vogue Amy spends her days dressing waif models in London's latest apparel while fending off insults from the Gucci garbed staff Hardly the glamorous job she hoped it would be But that won't stop her from fantasizing about the sensational life she knows she's destined for or the prince who's bound to redeem her from a less than glowing record in romance However beneath her dreamy exterior Amy has a sure streak of common sense So when the impossible happens and her path crosses that of London's hottest film star she swoons with longing expecting nothing in return But Orlando Rock has other ideas For Amy is just the kind of girl he's after smart and witty different from the daft supermodels and vain leading ladies he's dated before Or is she For with fame fortune and true love just around the corner Amy's head is spinning her jet fueled imagination poised for takeoff Is her love for Orlando stronger than her lust for the limelight or is she merely fated to be the paparazzi's latest prey
