Uprooting the Root of all Evil John W. Casperson,2015-12-08 One of the greatest individuals of the twentieth century was the founding father of India Mohandas K Gandhi His vision determination and courage of heart mind and soul were the rocks on which the modern country of India was founded Though he never held political office his moral authority formed the vanguard that would lead the populace of the Indian sub continent to pursue and obtain home rule from the British Crown Mr Gandhi had this to say while still under the yoke of British rule An armed conflict between nations horrifies us But the economic war is no better than an armed conflict This is like a surgical operation An economic war is prolonged torture And its ravages are no less terrible than those depicted in the literature on war properly so called We think nothing of the other because we are used to its deadly effects The movement against war is sound I pray for its success But I cannot help the gnawing fear that the movement will fail if it does not touch the root of all evil greed M K Gandhi Non Violence The Greatest Force I Timothy 9 10 But those who desire to be rich fall into temptation into a snare into many senseless and harmful desires that plunge people into ruin and destruction For the love of money is a root of all kinds of evils Greed comes in two forms greed of power and greed of money Greed for

power comes in two forms power over body and power over soul This work will confront the powerbrokers of religion and finance and lay bare their lies and deceit in the realm of both body and soul Each person is a sovereign being After uprooting the root of all evil may each person be able more fully to reclaim their sovereignty over their bodies and souls
