Love on Fire--more Joy and Sexual Science Walter A. Heiby, Robert D. Piersanti, 1996 **Creative and Sexual Science** O. S. Fowler, 2023-11-20 Reprint of the original first published in 1875 Love on Fire Leah RS Braun, 2020-06-15 A practical guide through the grueling but sublimely rewarding recovery journey from sexual trauma told through experience strength and hope Walk again with Leah RS Braun as she guides her readers through the swirling and often murky waters of recovery from sexual trauma Leah recounts what has worked for her in her journey as a survivor as well as sharing the poignant stories of several other brave women who have traveled a similar path toward recovery This book is more than words you read it s actions you take If you want to feel better and even gasp enjoy your sexuality grow your intimacy skills attain power and sovereignty in your own skin and do it all without being hijacked by trauma memories intrusive thoughts or repeating destructive patterns you can t seem to stop on your own this book is for you Join Leah as she shares intimately about her set backs and victories on the path to trauma recovery and begin your own survivorship journey on the way Leah holds your hand as you read the book and begin detailing your own commitment to make healing changes in your life She also provides you with real world affordable recovery resources you can access wherever you are Now is the time to reclaim your sexual and intimate power and agency and to know that you ll change our rape culture one survivor at a time as you step into your own sexual trauma recovery story **American Book Publishing Record** ,1995 *The Cumulative Book Index* ,1996 A world list of books in the English language *Forthcoming Books* Rose Arny, 2002 Books in Print ,1991 The Elements of Social Science, Or Physical, Sexual, and Natural Religion George R. Drysdale, 1892 **The elements of social science; or, Physical, sexual, and natural religion, by a graduate of medicine [G. Drysdale].** George Drysdale, 1876 *Subject Guide to Books in Print* ,1991 Bibliographic Index ,1997 **Romantic Love and Sexual Behavior** Victor C. de Munck, 1998-04-16 Westerners believe that love makes life worth living that sex is a natural desire different in kind from love and that only cynics reduce our love life to a calculation of economic or genetic factors In this volume essays explore these and other assumptions about the relationship between romantic love and sex This represents the first interdisciplinary social science study of love and sex Contributors ask and answer questions such as Is love just sex idealized or is it a transcendent and divine emotion Is love a cultural construct that is shared by members of the same culture or is it a matter of personal taste What keeps promiscuous people from using condoms even when they know they are at risk Are black professional men so rare that their conceptions of love and sex differ from those of white professional men Are brutal sexual fantasies an exclusively male domain and are they always excluded from love fantasies among normal adolescents Is divorce a culturally induced response to evolutionary reproductive strategies that compel individuals to maximize their genetic legacy Are marriages or relationships less satisfying or stable when an actual mate falls short of the fantasy of the ideal mate Is there a universal core to love and sex that is camouflaged by other cultural norms such as

modesty and sexual segregation Is rape perceived as more acceptable when the rapist says he was motivated by love What do cult movements and romantic love have in common As they attempt to answer these and other questions the authors extend our understanding of the variety of ways that love and sex are conceptualized connected or separated *The Whore's Story* Bradford K. Mudge, 2000-06-08 This fresh and persuasively argued book examines the origins of pornography in Britain and presents a comprehensive overview of women's role in the evolution of obscene fiction Carefully monitoring the complex interconnections between three related debates that over the masquerade that over the novel and that over prostitution Mudge contextualizes the growing literary need to separate good fiction from bad and argues that that process was of crucial importance to the emergence of a new middle class state Looking closely at sermons medical manuals periodical essays and political tracts as well as poetry novels and literary criticism *The Whore's Story* tracks the shifting politics of pleasure in eighteenth century Britain and charts the rise of modern pornographic sensibilities *Private Lectures on Perfect Men, Women and Children, in Happy Families* Orson Squire Fowler, 1880 *The Elements of Social Science* George R. Drysdale, 1886 **The Dictionary Of Critical Social Sciences** T. R. Young, Bruce Arrigo, 2019-07-11 This book is a teaching dictionary with the goal of demystifying current social science theory in a comprehensive accessible format It focuses on important terminology in progressive radical critical Marxist feminist left liberal postmodern and semiotic contexts *Oxford Companion to Emotion and the Affective Sciences* David Sander, Klaus Scherer, 2014-02-06 Few areas have witnessed the type of growth we have seen in the affective sciences in the past decades Across psychology philosophy economics and neuroscience there has been an explosion of interest in the topic of emotion and affect Comprehensive authoritative up to date and easy to use the new Oxford Companion to Emotion and the Affective Sciences is an indispensable resource for all who wish to find out about theories concepts methods and research findings in this rapidly growing interdisciplinary field one that brings together amongst others psychologists neuroscientists social scientists philosophers and historians Organized by alphabetical entries and presenting brief definitions concise overviews and encyclopaedic articles all with extensive references to relevant publications this Companion lends itself to casual browsing by non specialists interested in the fascinating phenomena of emotions moods affect disorders and personality as well as to focused search for pertinent information by students and established scholars in the field Not only does the book provide entries on affective phenomena but also on their neural underpinnings their cognitive antecedents and the associated responses in physiological systems facial vocal and bodily expressions and action tendencies Numerous entries also consider the role of emotion in society and social behavior as well as in cognitive processes such as those critical for perception attention memory judgement and decision making The volume has been edited by a group of internationally leading authorities in the respective disciplines consisting of two editors David Sander and Klaus Scherer as well as group of 11 associate editors John T Cacioppo Tim Dalgleish Robert Dantzer Richard J Davidson Ronald B de Sousa Phoebe C Ellsworth Nico Frijda George

RITUAL SWAMI RAM CHARRAN,2011-05-27 When something is cooked by fire it changes forms and eventually becomes ashes which eventually turn into an Earth like mixture of elements Fire destroys all the bacteria that are harmful to the human body and makes the food safe for the person so that he does not die quickly The greatness of fire cannot be expounded by mere words but by its actual power when used in a controlled way The fire elements and the scientific applications of the power of fire have been widely researched by the ancient Rishis and Sages of India to a point where modern science has not reached as yet **Constitutional Innovation and Same-Sex Desire in D'Annunzio's Fiume, 1919-1920** Aleardo Zanghellini,2024-12-15 Drawing on novel archival evidence that sheds light on Anglo Italian diplomatic relations and the French Italian contest for power in the Adriatic this book recounts the story of decadent poet Gabriele D Annunzio s occupation of Fiume Determining the fate of this Italian enclave in coastal Croatia had proved impossible at the Paris Peace Conference In September 1919 D Annunzio and his legionnaires installed themselves in Fiume in a bid to embarrass Italy into declaring its annexation In the months that followed the poet did his best to fashion Fiume into his ideal political community culminating in the proclamation of a Constitution known as the Carnaro Charter The Charter was as visionary as it was short lived having reached an agreement with Yugoslavia on the status of Fiume Italy put an end to the poet s socio political experiment in December 1920 In addition to offering the most comprehensive and detailed analysis to date of the Carnaro Charter the book shows what has eluded all historians of D Annunzio s Fiume that the sublimation and discursive circulation of same sex desire was integral to shaping and sustaining the political and legal order of the occupation and that D Annunzio s love lore in Fiume was continuous with broader homoerotic preoccupations in his oeuvre

The Scientific Intellectual Lewis S. Feuer,2021-12-16 The birth of modern science was linked to the rise in Western Europe of a new sensibility that of the scientific intellectual Such a person was no more technician looking at science as just a job to be done but one for whom the scientific stand point is a philosophy in the fullest sense In The Scientific Intellectual Lewis S Feuer traces the evolution of this new human type seeking to define what ethic inspired him and the underlying emotions that created him Under the influence of Max Weber the rise of the scientific spirit has been viewed by sociologists

as an offspring of the Protestant revolution with its asceticism and sense of guilt acting as causative agents in the rise of capitalism and the growth of the scientific movement Feuer takes strong issue with this view pointing out how it is at odds with what we know of the psychological conditions of modern societies making for human curiosity and its expression in the observation of and experiment with nature Feuer shows that wherever a scientific movement has begun it has been based on emotions that issue in what might be called a hedonist libertarian ethic The scientific intellectual was a person for whom science was a new philosophy a third force rising above religious and political hatreds seeking in the world of nature liberated vision a intending to use and enjoy its knowledge In his new introduction to this brilliantly readable volume Professor Feuer reviews the book s critical reception and expands the scope of the original edition to include fascinating discussions of Francis Bacon Thomas Edison Charles Darwin Thomas Hardy and others The Scientific Intellectual will be of interest to scientists and intellectual historians
