EdD,2022-08-31 In 1953 life in Farrar Missouri was simple and quiet The town of less than one hundred was composed of German immigrants who were mostly farmers The town was centered around their Lutheran church and school Sara Turner was a twenty three year old elementary teacher at the Salem Lutheran Grade School in Farrar She was beautiful and she was loved by this community She had close friends but was not lucky in romance The heartache from her first broken romance at the age of twenty one made Sara cynical and distrustful of men In July of 1953 Sara Turner was brutally murdered on a deserted county road near Farrar The small town was shocked to learn that their sweet and dear Sara was killed in such a way Nothing like this had ever happened before in Farrar Everyone knew everyone else in the community The murderer couldn t possibly be anyone living in Farrar John Barnes was the sheriff in Perry County Missouri He wanted to solve this case desperately As he learned more about Sara and put the clues together he became obsessed with the need to find justice for the young woman whose life had ended so brutally **Whatever Happened to Sara** is a book that reveals not only the life of Sara Turner but also the evidences as they compiled until the case was finally solved I hope you enjoy this book until its dramatic end Sara's Surprise Deborah Smith,2011-11-16 Dr Sara Scarborough is tormented by memories when Kyle

Surprise a man from her painful past shows up at her Kentucky mountain refuge **The Dark Side of Love** Jane Goldberg,2017-07-12 Many mothers have disturbing fantasies of killing their children Husbands imagine with guilt cheating on their wives Parents stand on the brink of hitting their teenage children or may actually do so while the teens fabricate elaborate strategies of revenge Hurt pain uncontrollable rage and other forms of abuse also make up the dark side of love This landmark book has a bold thesis The denied dark side of love that can show us love s true nature By acknowledging our negative feelings we can come into the full spectrum of emotion and hear the message of our darker feelings without acting them out Through this we can increase our capacity for love To explain her perspective Jane Goldberg traces the development of love and hate from infancy She debunks simplistic myths about mother love and portrays the mother child bond in all its facets She explores the hidden recesses of family love and romantic love and shows how the acceptance of constructive expressions of anger jealousy and competition can enhance intimacy Drawing on case histories from her psychoanalytic practice as well as mythic stories Goldberg offers insights into the troubling but universal nature of the dark side of love In a highly accessible style she explores how to develop a psychological immune system to protect against the

potentially destructive elements in relationships and allow for a constructive expression of love's dark side Her debate provoking book should be read by psychoanalysts and psychotherapists individuals who have suffered from the pains and hurts of love and indeed by those who are interested in human motivation and behavior *itch* Gary Percesepe,2013-09-08 a collection of 26 pieces of flash fiction **A Study Guide for Diana Son's "Stop Kiss"** Gale, Cengage Learning, A Study
