By the Grace of God Cathy Wahler, 2009-07-14 Dr Kathryn Campbell has everything the world has to offer but obstacles arise when she chooses to live for God and glorify Him in all things British Books in Print, 1985 Jane Austen in Hollywood Linda Troost, Sayre N. Greenfield, 2001-01-01 In 1995 and 1996 six film or television adaptations of Jane Austen's novels were produced an unprecedented number More amazing all were critical and or box office successes What accounts for this explosion of interest Much of the appeal of these films lies in our nostalgic desire at the end of the millennium for an age of greater politeness and sexual reticence Austen's ridicule of deceit and pretentiousness also appeals to our fin de siècle sensibilities The novels were changed however to enhance their appeal to a wide popular audience and the revisions reveal much about our own culture and its values These recent productions espouse explicitly twentieth century feminist notions and reshape the Austenian hero to make him conform to modern expectations Linda Troost and Sayre Greenfield present fourteen essays examining the phenomenon of Jane Austen as cultural icon

providing thoughtful and sympathetic insights on the films through a variety of critical approaches The contributors debate whether these productions enhance or undercut the subtle feminism that Austen promoted in her novels From *Persuasion* to *Pride and Prejudice* from the three *Emmas* including *Clueless* to *Sense and Sensibility* these films succeed because they flatter our intelligence and education And they have as much to tell us about ourselves as they do about the world of Jane Austen This second edition includes a new chapter on the recent film version of *Mansfield Park*
