Meeting Midnight:

Meeting Midnight Carol Ann Duffy, 1999 *Meeting Midnight* is a collection for young readers by one of the most exciting poets writing today These poems will blow your head away An exuberant mix of the funny the sinister the tender and the ridiculous they will transport you to worlds half magical half eerily familiar The boundaries between real and imagined lives are blurred to sometimes disturbing effect this is a place where graves are liable to open up before our feet where we can be plunged into quicksand one minute or left with sinister strangers the next Among the many characters we meet there s an inveterate liar a boy who thinks he s Elvis Presley a girl infatuated with a tree and two outrageously matched Queens The Mysterious Call Namit Shastry, 2023-12-11 The story is set in 1980s London where a mysterious call forced the celebrated cop Richard Carlsen to reach a Bungalow Bungalow no 9 which was shrouded in mysteries Despite Richard reaching there on time he could not prevent two brutal murders Astonishingly even the security guards the mysterious girl whom he met at that Bungalow and his closest ally Watson they all disappeared in thin air While Richard was investigating he learnt about the connection of the owner of the bungalow and the London mafia He met many people and every person gave a new story and the plot thickened every time Richard thought that he had solved the puzzle Whether Richard could catch the murderer How did he manage to handle the cruellest joke the destiny had for him Who was that mysterious girl Lo and behold the story of Richard Carlsen and witness how that mysterious call changed the life of the great detective for ever , Foreign Relations of the United States United States.
