Modern Art In America 1928:

American Artists, Authors, and Collectors Bennard B. Perlman, Walter Pach, 2002-01-01 Offers a behind the scenes look at a significant era in the development and emergence of modern American art *Paul T. Frankl and Modern American Design* Christopher Long, 2007-01-01 A comprehensive view of the life work and ideas of one of the creative giants of modern American design Arriving in the United States in 1914 Viennese born Paul T Frankl 1886 1958 brought with him an outsider's fresh perspective and an enthusiasm for forging a uniquely American design aesthetic In the years between the two world wars he more than any other designer helped shape the distinctive look of American modernism This authoritative book draws on an extensive collection of unpublished documents and family papers and photographs to provide the first full account of Frankl's life and ideas The book also explores the history of modern American design and the extent of Frankl's influence on its trajectory In the early 1920s Frankl opened a New York City shop that became an epicenter of American modernism Over the next decades his work encompassed everything from individual pieces of furniture and decorative accessories to entire interiors and his style continuously evolved from early Skyscraper furniture to relaxed and casual designs favored by the Hollywood elite in the 1930s to manufactured pieces for the mass market in the 1950s The book charts the impact of Frankl's ideas on merchants and consumers on his fellow designers and on the changing look of American homes and workplaces With close to 170 illustrations *Paul T Frankl and Modern American Design* is an essential reference on 20th century design *Modern Art on Display* K. Porter Aichele, 2016-05-19 *Modern Art on Display The Legacies of Six Collectors* is structured as a sequence of case studies that pair collectors of modern art with artists they particularly favored Duncan Phillips and Augustus Vincent Tack Albert Barnes and Chaim Soutine Albert Eugene Gallatin and Juan Gris Lillie Bliss and Paul C zanne Etta Cone and Henri Matisse G David Thompson and Paul Klee The case studies are linked by a thematic focus on the integral relationship between the collectors acquired knowledge about the work they amassed and their innovative display models This focus brings a new perspective to the history of collecting and interpreting modern art in America for nearly half a century 1915 1960 By examining the books the collectors themselves read and analyzing archival photographs of their displays the author makes a case for the historical significance of how the collectors presented the art they acquired before their collections were institutionalized *Who's who Among North American Authors*, 1929 **Queer Thing, Painting - Forty Years in the World of Art** Walter Pach, 2013-05-31 Walter Pach was an artist critic lecturer art adviser and art historian who wrote extensively about modern art and championed the cause of modern art Through his numerous books articles and translations of European art texts Pach brought the emerging modernist viewpoint to the American public Pach's fluency in French German and Spanish made it possible for him to understand and interpret the avant garde ideas developing in Europe and translate them for the English speaking audience He was able to communicate personally with many noted artists in Europe and Mexico and mediate between gallery dealers and museum

curators on their behalf This is an interesting look at the American art scene and a little peak at the Parisian scene and how Americans especially appreciated art in the late nineteenth and early 20th century **The Life & the Work** Charles G. Salas,2007 It is often assumed that reading about the lives of artists enhances our understanding of their work and that their work reveals something about them but the relationship between biography and art is rarely straightforward In *The Life and the Work* art historians Thomas Crow Charles Harrison Rosalind Krauss Debora Silverman Paul Smith and Robert Williams address this fundamental if convoluted relationship Looking to such figures as Andy Warhol Bob Dylan Vincent van Gogh Paul C zanne Leonardo da Vinci and the artists associated with the name Art Language the volume s authors have written a set of provocative essays that explore how an artist s life and art are intertwined **American Modern, 1925-1940** J. Stewart Johnson,2000 **Machine Art, 1934** Jennifer Jane Marshall,2019-01-23 In 1934 New York s Museum of Modern Art staged a major exhibition of ball bearings airplane propellers pots and pans cocktail tumblers petri dishes protractors and other machine parts and products The exhibition titled *Machine Art* explored these ordinary objects as works of modern art teaching museumgoers about the nature of beauty and value in the era of mass production Telling the story of this extraordinarily popular but controversial show Jennifer Jane Marshall examines its history and the relationship between the museum s director Alfred H Barr Jr and its curator Philip Johnson who oversaw it She situates the show within the tumultuous climate of the interwar period and the Great Depression considering how these unadorned objects served as a response to timely debates over photography abstract art the end of the American gold standard and John Dewey s insight that how a person experiences things depends on the context in which they are encountered An engaging investigation of interwar American modernism *Machine Art 1934* reveals how even simple things can serve as a defense against uncertainty

The Evolution of Taste in American Collecting René Brimo,2016-12-13 *The Evolution of Taste in American Collecting* is a new critical translation of Ren Brimo s classic study of eighteenth and nineteenth century patronage and art collecting in the United States Originally published in French in 1938 Brimo s foundational text is a detailed examination of collecting in America from colonial times to the end of World War I when American collectors came to dominate the European art market This work helped shape the then fledgling field of American art history by explaining larger cultural transformations as manifested in the collecting habits of American elites It remains the most substantive account of the history of collecting in the United States In his introduction Kenneth Haltman provides a biographical study of the author and his social and intellectual milieu in France and the United States He also explores how Brimo s work formed a turning point and initiated a new area of academic study the history of art collecting Making accessible a text that has until now only been available in French Haltman s elegant translation of *The Evolution of Taste in American Collecting* sheds new critical light on the essential work of this extraordinary but overlooked scholar **American Painting in the Twentieth Century** Henry Geldzahler,Metropolitan Museum of Art (New York, N.Y.),1965 **American Modernism** R. Roger Remington,Lisa

Bodenstedt,2003-01-01 Presents an account of a key period in American graphic design as it manifested itself in various media covering major historical influences and significant works *A Study of American Art and Southern Artists of Note* Mary de Berniere Graves,1929 *Education and Politics in the 1990s* Denis Lawton,1992 Examines the ideological differences between the education policies of the two main political parties in the UK and discusses the emergence of these differences within the context of the 1988 Education Reform Act It also looks at the world wide influence of the New Right politics on education *Partners in Design* David A. Hanks,2015-10-27 The 1920s and 1930s saw the birth of modernism in the United States a new aesthetic based on the principles of the Bauhaus in Germany its merging of architecture with fine and applied arts and rational functional design devoid of ornament and without reference to historical styles Alfred H Barr Jr the then 27 year old founding director of the Museum of Modern Art and 23 year old Philip Johnson director of its architecture department were the visionary young proponents of the modern approach Shortly after meeting at Wellesley College where Barr taught art history and as Johnson finished his studies in philosophy at Harvard they set out on a path that would transform the museum world and change the course of design in America The Museum of Modern Art opened just over a week after the stock market crash of 1929 In the depths of the Depression using as their laboratories both MoMA and their own apartments in New York City Barr and Johnson experimented with new ideas in museum ideology extending the scope beyond painting and sculpture to include architecture photography graphic design furniture industrial design and film with exhibitions of ordinary machine made objects including ball bearings and kitchenware elevated to art by their elegant design and with installations in dramatically lit galleries with smooth white walls *Partners in Design* which accompanies an exhibition opening at the Montreal Museum of Fine Arts in April 2016 chronicles their collaboration placing it in the larger context of the avant garde in New York 1930s salons where they mingled with Julien Levy the gallerist who brought Surrealism to the United States and Lincoln Kirstein co founder of the New York City Ballet their work to help Bauhaus artists like Josef and Anni Albers escape Nazi Germany and the dissemination of their ideas across the United States through MoMA s traveling exhibition program Plentifully illustrated with icons of modernist design MoMA installation views and previously unpublished images of the Barr and Johnson apartments domestic laboratories for modernism and in Johnson s case designed and furnished by Ludwig Mies van der Rohe this fascinating study sheds new light on the introduction and success in North America of a new kind of modernism thanks to the combined efforts of two uniquely discerning and influential individuals **Twentieth Century Limited** Jeffrey Meikle,2010-06-04 Classic indispensable introduction to industrial design in the last century [Latin American and Caribbean Artists of the Modern Era](#) Steve Shipp,2003-01-01 This is a comprehensive reference book to more than 12 700 painters sculptors graphic artists and architects in Latin America Mexico Central America South America and the Caribbean region active during the nineteenth and twentieth centuries Entries include the artists years countries and bibliographies Also included are brief biographical and stylistic

Stieglitz and His Artists Metropolitan Museum of Art (New York, N.Y.), Magdalena Dabrowski, 2011. A master photographer Alfred Stieglitz was also a visionary promoter and avid collector of modern American and European art from the first half of the 20th century. This book is the first fully illustrated catalogue of works in the unparalleled Alfred Stieglitz Collection which was given to the Metropolitan Museum after Stieglitz's death.

American Dreams Williams College. Museum of Art, 2001. Williams College in Williamstown, MA, has collected art since the mid 19th century. In this chronological journey through American art in all media, each of 56 highlighted objects from the museum receives a mini essay of several hundred words, signed by contributors who frequently are the acknowledged experts on particular artists or works. A full factual entry on each work appears at the back of the book, preceded by extremely brief summaries of the acquisitions histories of the overall collection's painting, drawing, sculpture, Williams' portraits, prints, photographs, posters, and decorative arts. College alumni donated many items, including collections on Rube Goldberg, Thomas Nast, and the Prendergasts. This is not the definitive book on American art, but it is an excellent survey with many interesting objects not commonly reproduced. For art history collections. 64 colour, 65 b/w illustrations.
