My Journey In Subud:

My Journey in Subud Sunarto Brodjolukito, 1997 **Journey to The Truth** Nancy Humpel, 2013 Journey to the Truth An Introduction to the Reality of Ourselves and the World When thinking about the meaning and purpose of our lives most people eventually come to these questions Who am I really What is the purpose for being here and Where will I go after I die Increasing numbers are contemplating this and so beginning the process of waking up to our original nature true reality versus the illusions we have been led to believe until now This is an introduction and overview to very important metaphysical and world topics It is help for beginners on where and how to start or move forward on their own journey We will explore together the possibility of being an eternal being of reincarnation learn about the human energy centres We will investigate whether extraterrestrial beings are real What can we do to achieve the inner and outer life we desire What are the important issues on the planet and how can we watch out for our physical health Throughout the book the author use examples her experiences and growth from her own journey to date There is a great need for the type of book she has written It differs from others on the market in that it is short with easy to follow chapters and readers can identify which topics stand out as important to them personally where they are drawn to find out more Included is a bibliography and additional resources readers can use for further exploration In Search of the Miraculous Petr Dem'ia[novich Uspenskiĭ, 1949 The record of Ouspensky's eight years of work as Gurdjieff's pupil A Memoir of Subud Varindra Tarzie Vittachi, 1988 *My Journey to Become a Hospital Chaplain* William P. Selig, 2015-10-15 By offering a listening and empathetic presence the chaplain acknowledges that every patient is unique and precious When someone hits a crisis in life hospitalization illness and even death of a loved one than it's the chaplain's task to companion the patient and leadeth them beside the still waters towards hope and healing As a chaplain who provides spiritual support in the hospital environment to patients family members and hospital staff the author gained many experiences which he describes as bordering on the sacred The journey to become a chaplain has been truly transformative he writes and opened my heart to others brought me closer to our Heavenly Parent and according to my wife made me a more sensitive listener and a better husband Basically I would say that the journey to become a chaplain has made me a better human being Songs of the Journey Ronimund von Bissing, 2003 The subtle and powerful disclosure of the spiritual journey and the inroad into the material world which the traveller must perform to express his spiritual content into the world Advice and warnings drawn from experience **Latihan** Rozak Tatebe, 2019-06-12 You cannot drink a cup of tea with your ear neither can you find God using your mind or heart Only your soul knows the right path In Latihan A Path to the Great Life and a New Way to Purify the Soul author Rozak Tatebe provides a sweeping view of the spiritual movement Subud and the practice at its core the latihan Once the soul is awakened through contact with the Great Life it can start to find its rightful place as the channel between the creator of the universe and our physical bodies and minds In traditional religion we have to rely on faith to understand spiritual content The latihan gives us

the means to verify our beliefs through direct experience without the interference of thoughts or emotions This direct contact can transform our lives *Mexican Journal* P. K. Page, 2015-09-21 Black black black is the colour of a Mexican night From its first memorable lines *Mexican Journal* hints at the shadows that plagued the mind and spirit of P K Page during her tenure as wife to the Canadian ambassador to Mexico in the early 1960s In journal entries spanning the period of March 1960 to January 1964 Page attempts to compartmentalize her various selves as wife of a diplomat tourist silenced poet visual artist and religious novice Her entries acknowledge troubling phobias and spiritual barrenness as well as her painful acceptance of the blackness of the Mexican night They document Page s study of surrealism and the country s dark gods and reveal her struggle to overcome her personal dark night of the soul through the mystical teachings of Sufism which would inform her spiritual life for the rest of her career Unpublished during Page s lifetime *Mexican Journal* acts as a companion or more accurately a counterpoint to the wondrous and sensual *Brazilian Journal* Raw in its emotion and bluntly honest in its confessional style it exposes shadows and undersides in its painfully intense but richly productive analysis of a self that reluctantly faces internal and external darkness *Mexican Journal* is third in series of volumes to be published over the next ten years as a complement to a proposed online hypermedia edition of the *Collected Works of P K Page* The online edition is intended for scholarly research while this first published print edition offers an artful text intended to be enjoyed by those few who cherish and wonder at the talent of one of Canada s greatest poets **Ramblings on the Path** Anand

Koontz,2008 This is a book of essays They are about the journey we all take through life All of us are heading toward a real goal home We will each know our own home when we get there When these essays started coming out of my computer I did not know they were going to be essays I was totally astonished when His Eye Is On The Sparrow showed up fully formed needing only slight tweaking to assume its final shape I looked it over This was an essay It could not be anything else Carrying on with my writing I saw essay after essay appear on the screen of my computer Some came out of my brain and heart almost as fully formed as the first Some required much work I believe the work was worthwhile I believe the book is worthwhile I stand proudly behind every idea in this book I do not stand behind every word Every major idea here is transformational and liberating I do not know how many major liberating transformational ideas there are in the world but as I write this I can think of maybe 20 or 30 no more On the other hand there are more than a half a million words in the three books You may find words with which you disagree I hope you do But it would be a step in the wrong direction for you to disagree with the ideas If you are completely satisfied with your current ideas about life if you know all you want to know about leading a joy filled life full of spirituality but devoid of empty religiosity if you are happy with your relationships with all the people who mean something to you if you have not thought about these things in many years and really don t care to think about them now If all this is true for you please close this book and stop reading immediately The Way Home is really three books in one cover Each of the three is a complete unit but each book gains strength from the other two There are forty one essays in The Way Home and each essay is complete in itself but is also part of a unified whole Book One provides an overview for the special person who will want to read a serious book of essays about how to lead life Book Two is for those who might want to know more about the author and how he became the person he is Book Three is for those who understand the first two These fortunate few will already be conscious citizens of the new world already emerging from the ashes of the complete failure of western civilization They know where they are going and how to get there They will have gained a sense

of direction for everything they do and they will know how to regain balanced movement if they are ever threatened Most of them will be able to do this because of a new religion they have adopted It may be called by the same name as the religion they have always had but it will be a new and intensely personal view of that religion This personal religion will use some of the language of the religion into which the person was born that is Christians may use mostly the words of Jesus Jews will not use Jesus words at all the different sects of the Moslem world will find different sections of the Koran to emphasize and Indians will quote the Upanishads Remarkably there will be no disagreement although each religion will be unique to one person alone
