John Roger Kurtz, 1998 Kurtz's analysis the development of the Kenyan novel in English emphasizes the historical contingencies affecting the production of literature in Kenya and how succeeding generations have drawn from and expanded the thematic repertoire established by the first generation of works in the 1960s He explores the relationship between the novel and the city and how obsessions and fears about the urbanization have been expressed and represented through different generations of Kenyan writers Kurtz has also put together the first annotated bibliography of all the anglophone Kenyan novels that have appeared since Ngugi wa Thiong'o wrote *Weep Not Child* Ngugi's *Weep Not Child* made an immediate impact on its publication in 1964 Since then hundreds of novels by Kenyans have been published This is a comprehensive introduction to the postcolonial novel in English Three broad areas are identified the first generation of the sixties the golden age of the seventies and the years after Kenyatta in the 80s and 90s A unifying feature is an uneasy but marked emphasis on the city particularly Nairobi The city is used by novelists as both the site and the symbol for a range of obsessions and fears about postcolonial society There is particular emphasis on the changing ways in which the city has been portrayed since Ngugi's first novel the relation of popular literature to the city the portrayal of women in the city and the special status of Meja Mwangi's urban novels *Mysteries of Africa* Eugene Schleh, 1991 Using the highly popular genre of detective mystery fiction this volume explores the insights available in African centered stories The sample of writings used ranges from the colonial era to the present and covers the work of both Africans and outside observers from Europe and North America **BOOKJACKET** **Deadly News** Prim Nga'ab, 1994 When a fearless young journalist Jeff Kabinda gets a sensational lead on a sinister plot master minded by a powerful politician he decides to investigate the matter and to expose the plotters Soon he is murdered His fiancée with the help of a lawyer is left to investigate what happened *Ski*, 1981-11
