Mastering Light & Shade in Watercolor Kim Seng Ong, 2003 Few students realize that in order to give their paintings a luminous glow they must also manipulate the darks Ong Kim Seng is a master of this method and in this book he shows how to do it He follows a stimulating logical progression that begins with materials and works enjoyably through planning a light filled composition using color to intensify light devising areas of color contrast and the best ways to use tonal values to capture the light in a dramatic evocative way Then we come to the crux of the book While he demonstrates how to produce lively light filled paintings Ong Kim Seng also shows the important role that shadows play in the scheme of things Through a series of beautiful demonstrations he shows how to manipulate the shadows to create luminosity He shows how to mix the color of shadows and suggests alternate approaches for different paintings Ong Kim Seng then shows how to guide the viewer s eye

through the painting to the center of interest using light and shade and a battery of interesting ideas from simplification to amplification He devotes a chapter to the concepts of harmony unity and balance and even shows how to solve problems in finished works While all this solid art instruction is taking place Ong Kim Seng never lets the student forget that there is more to a work of art than technique Multiple step by step demonstrations examples ideas inspiring storytelling and a gallery of gorgeous paintings set the seal on an exceptional book Book jacket
