

The book cover features a landscape painting. In the foreground, there is a field of golden-brown grass or wheat. In the middle ground, a small white house with a dark roof is nestled among green trees and foliage. The background shows more dense greenery and a hazy sky. The overall style is impressionistic, with visible brushstrokes and a soft focus.

Painting From Photographs Sketches And The Imagination:

Painting from Photographs, Sketches and the Imagination Don Rankin, 1990-07-01 Shows how to create a painting with strong emotional impact offers advice on composition and suggests practical exercises **Painting from Sketches, Photographs, and the Imagination** Don Rankin, 1987 Shows how to create a painting with strong emotional impact offers advice on composition and suggests practical exercises **Reflections on Imagination** Mark Harris, Nigel Rapport, 2016-03-03 In this innovative volume anthropologists turn their attention to a topic that has rarely figured as a focus of concerted investigation and yet which can be described as an intrinsic aspect of all human knowing and part of all processes by which human beings process information about themselves their identities their environments and their relations the imagination How do anthropologists use imagination in coming to know their research subjects How might they and how should they use their imagination And how do research subjects themselves understand describe justify and limit their use of the imagination Presenting a range of case studies from a variety of locations including the UK US Africa East Asia and South America this collection offers a comparative exploration of how imagination has been conceptualized and understood in a range of analytical traditions with regard to issues of both methodology and ethnomethodology With emphasis not on abstraction but on imagination as activity technique and subject situated in the middle of lives Reflections on Imagination sheds new light on imagination as a universal capacity and practice something to which human beings attend whenever they make sense of their environments and situate their life projects in these environments the means by which worlds come to be **Kazuo Ishiguro's Gestural Poetics** Peter Sloane, 2021-05-06 Through readings of Ishiguro's repurposing of key elements of realism and modernism his interest in childhood imagination and sketching interrogation of aesthetics and ethics his fascination with architecture and the absent home and his expressionist use of imaginary space and place Kazuo Ishiguro's *Gestural Poetics* examines the manner in which Ishiguro's fictions approach but never quite reveal the ineffable inexpressible essence of his narrators emotionally fraught worlds Reformulating Martin Heidegger's suggestion that the essence of world can only be indicated as the essence of world can only be gestured towards Sloane argues that while Ishiguro's novels and short stories are profoundly sensitive to the limitations of literary form their narrators are to varying degrees equally keenly attuned to the failures of language itself In order to communicate something of the emotional worlds of characters adrift in various uncertainties while also commenting on the expressive possibilities of fiction and the mimetic arts more widely Ishiguro appropriates a range of metaphors which enable both author and character to gesture towards the undisclosable essences of fiction and being *The Spirit of Secular Art* Robert Nelson, 2007 THE SPIRIT OF SECULAR ART explains the spiritual prestige of art Various theorists have discussed how art has an aura or indefinable magic This book explains how when and why it gained its spiritual properties The idea that all art is somehow spiritual even though not religious is often assumed this book while narrating the historical trajectory of art in the most accessible language reveals

how the mysteries of religious practice are abstracted and saved through all stages of secularisation in European culture

THE SPIRIT OF SECULAR ART presents a coherent theory defining the sacred basis of Western aesthetics It evocatively describes the afterlife of the holy from Ancient Greece to the present and outlines how the mysterious institution of art can be explained in material terms Unlike other books in the genre **THE SPIRIT OF SECULAR ART** radically deconstructs traditional art history in terms of prestige and the value of the non material The book functions as an alternative critical history of art integrated with the histories of literature and belief a philosophical essay on the fundamental values of art and religion and a critique of the spiritual conceits of contemporary aesthetics and art appreciation *Imagination becomes reality: Talking pictures* Sammlung Goetz, Museum für Neue Kunst (Karlsruhe, Germany), 2005 Imagination Becomes Reality Part III ISBN 3 9808063 7 5 978 3 9808063 7 4 Hardcover 9 x 9 75 in 222 pgs Illustrated throughout U S 40 00 CDN 48 00
