Paintings Vincent Van Gogh Gough:

Van Gough David Spence, 2009 Rapid social and political change provide the backdrop to the artistic career of Vincent van Gogh Learn of his dramatic use of colour his struggle with madness and how his work was only truly appreciated after his death

Van Gogh in Popular Culture Lynnette Porter, 2015-12-11 Vincent van Gogh continues to fascinate more than a century after his death in 1890 Yet how much of what is commonly known about this world renowned artist is accurate Though he left thousands of works and a trove of letters the definitive Van Gogh remains elusive Was he a madman who painted his greatest pieces in a passionate fury or a lifelong student of art literature and science who carefully planned each composition Was he a loner dedicated only to his craft or an active collaborator with his contemporaries Why is he best known for self mutilation and *The Starry Night* This book has biographers scriptwriters lyricists actors museum curators and tour guides among others presenting diverse interpretations of his life and work creating a mythic persona that may in fact help us in the search for the real Van Gogh
