Paintings of the Razmnama Asok Kumar Das, 2005 The Razmnama Or The Book Of War Is The Persian Translation Of One Of The Great Hindu Epics Of India The Mahabharata The Mughal Emperor Akbar Took A Personal Interest In The Translation Project And A Lavishly Illustrated Copy Was Prepared For His Persona [A History of India through 75 Objects](#) Sudeshna

Guha, 2022-12-19 With a curation of objects from the prehistoric ages through twenty first century India Sudeshna Guha provides a panoramic view of the rich histories of the subcontinent The incisive essays in this collection detail not just the objects but the histories of their reception examining how changing times and attitudes cast their shadow on the ways in which the past is interpreted and narrated In doing so A History of India through 75 Objects inspires us to interrogate our own notions of a knowable past and fixed national history Teeming with thought provoking insights and surprising anecdotes the essays instill a sense of wonder about the continuous processes by which histories are constructed **Mughal**

Occidentalism Mika Natif, 2018-08-13 In Mughal Occidentalism Mika Natif elucidates the meaningful and complex ways in which Mughal artists engaged with European art and techniques from the 1580s 1630s Using visual and textual sources this book argues that artists repurposed Christian and Renaissance visual idioms to embody themes from classical Persian literature and represent Mughal policy ideology and dynastic history A reevaluation of illustrated manuscripts and album paintings incorporating landscape scenery portraiture and European objects demonstrates that the appropriation of European elements was highly motivated by Mughal concerns This book aims to establish a better understanding of cross cultural exchange from the Mughal perspective by emphasizing the agency of local artists active in the workshops of Emperors Akbar and Jahangir **Contemporaneity of the Mahabharata Narrative** Anirban Bhattacharjee, Dhrubajyoti

Sarkar, 2024-09-02 Notwithstanding its renowned comprehensive narrative encapsulation of the Indic culture the Mahabharata keeps on posing a challenge to its contemporary readers how do we relate to something over two millennia old in today s context without freezing it in time This volume looks at the problem from diverse periods and standpoints and shows us that this challenge is in fact a legacy of the Mahabharata and the responses to this challenge are what makes the text ever contemporary to different readers of different times and positions It traces the evolution of the Mahabharata from its inception in the fifth century BCE to twenty first century spanning classical Sanskrit tradition Persian and Bengali adaptations the Mahabharata as a serialized TV show to more recent graphic narratives By attempting to analyse this diversity this volume further delves into how the issues in the Mahabharata resonate across time from the world of ancient sages to contemporary struggles of women The essays in this book adopt a dual perspective to appreciate both the Mahabharata s historical context its exploration of war heroes and heroines gender psychology philosophy and its implications for the future This book will be of interest to scholars and researchers of Indian literature ancient literature and philosophy English literature cultural studies visual studies gender studies and translation studies **Divine Pleasures**

Sivaramakrishnan, 2014-11-06 Environmental history of India has developed as an important field of inquiry in the last twenty five years While providing major insights the existing scholarship has primarily focused on drawing sharp lines of distinction those between geographical spaces forest rivers farms people herders farmers townspeople eras colonial post colonial and so on The limitations of these sharp divides are brought to the forefront when there is a critical engagement with the region's contested environmental past Shifting Ground brings together an array of essays that pose critical questions regarding India's environmental past and the way it has been approached by scholars From debunking the idea of a primeval pristine forest cover to analysing the dynamics that shape human animal relations to examining the conflicts created by post Independence projects of rural development and conservation this volume touches upon the various aspects of environmental studies and juxtaposes them with social history history of science and technology and history of trade and culture Drawing on original case studies the book not only explores the past but also portrays how its traditions are often invoked to be deployed in contemporary conflicts those that are often aggravated by the pressures on natural assets created by the recent prosperity and the vaulting aspirations of a rapidly expanding Indian middle class *Translation and State* Michael Willis, 2022-10-24 In 1587 Ab al Fazl ibn Mubarak a favourite at the Mughal court and author of the Akbarnameh completed his Preface to the Persian translation of the Mahabharata This book is the first detailed study of Ab al Fazl's Preface It offers insights into manuscript practices at the Mughal court the role a Persian version of the Mahabharata was meant to play and the religious interactions that characterised 16th century India *Indian Art and Culture* , This book is useful for those who want to learn History and art and Culture Useful for UPSC and PSC exam students If you preparing for
