Text World Theory and Keats' Poetry Marcello Giovanelli, 2013-08-15 Text World Theory and Keats Poetry applies advances in cognitive poetics and text world theory to four poems by the nineteenth century poet John Keats It takes the existing text world theory as a starting point and draws on stylistics literary theory cognitive linguistics cognitive psychology and dream theories to explore reading poems in the light of their emphasis on states of desire dreaming and nightmares It accounts for the representation of these states and the ways in which they are likely to be processed monitored and understood Text World Theory and Keats Poetry advances both the current field of cognitive stylistics but also analyses Keats in a way that offers new insights into his poetry It is of interest to stylisticians and those in literary studies

We Found Her Hidden Paul Hullah, 2018-07-16 This newly revised study examines thematic elements in Christina Rossettis poetry in order to celebrate and explain an important undervalued writer and her remarkable artistic quest to achieve an original voice Critics rightly applaud Rossettis metrical craftsmanship and song like lyrical phrasings but over attention to formal felicities can impede proper interpretation of content Through detailed readings of selected poems this book demonstrates that Rossettis rigorously controlled use of language and innovative symbolism

combine to create radical hidden inter textual levels of meaning beyond those attainable via biographical decoding making her a singular bridge between Romanticism and Modernism From earliest secular interactions with Romantic and Tractarian thought through *Goblin Market* 1862 and *The Princes Progress* 1866 Rossettis verse resists straightforward interpretation by subtly interrogating and subverting the patriarchal traditions of writing that it simultaneously extends love lyric fairy tale quest myth and sonnet Persuasively constructing a case for the inability of male ordained poetics to cope with the expression of active female identity *Monna Innominata* 1881 deconstructs lyric tradition casting together medieval renaissance Romantic and Victorian ideologies This groundbreaking sonnet cycle disturbs poetic conventions and forms the most concentrated sustained demonstration of the struggle to articulate the female self to be found in Rossettis oeuvre perhaps in literary history The painful sense of irresolution and despair pervading *Monna Innominata* sheds important light upon Christina Rossettis exclusive production of devotional literature during her final years
