Rattlesnake Jake:

Montana, High, Wide, and Handsome Joseph Kinsey Howard, 2003-01-01 In these pages you will come to fall in love with a ruggedly diverse and strikingly beautiful state a land that takes hold and won't let go Montana High Wide and Handsome is widely recognized as a classic history and delightful ode to the idiosyncratic personalities restless landscape unforgettable peoples and lively history of the Treasure State William Kittredge provides a new introduction for this edition *As Big as the West* Clyde A. Milner II, Clyde A. Milner, Carol A. O'Connor, 2009 Granville Stuart 1834-1918 is a quintessential Western figure a man whose adventures rival those of Wyatt Earp Buffalo Bill or Sitting Bull and who embodied many of the contradictions of America's westward expansion Stuart collected guns herded cattle mined for gold and killed men he thought outlaws But he also taught himself Shoshone French and Spanish denounced formal religion married a Shoshone woman and eventually became a United States diplomat In this fascinating biography Clyde A Milner II and Carol A O Connor co editors of the acclaimed Oxford History of the American West trace Stuart's remarkable trajectory from his birth in Virginia through his formative years in the agricultural settlements of Iowa and the mining camps of Gold Rush California to his rough and tumble life in Montana and his rise to prominence as a public figure Along the way we see Granville and his brother James battling bandits and horsethieves and becoming leaders of the new Montana territory The authors explore Granville's life as a cattleman including his role as the leader of a vigilante force known as Stuart's Stranglers responsible for several hangings in 1884 his abandonment of his half Shoshone children after his second marriage his government service in offices ranging from the head of the Butte Public Library to U S Minister to Paraguay and Uruguay and his final years during which he composed a memoir *Forty Years on the Frontier* still widely read for its dramatic account of the era Written with narrative flair and a lively awareness of current issues in Western history *As Big as the West* fully illuminates the conflicting realities of the frontier where a man could speak of wiping out half breeds while fathering 11 mixed race children and go from vigilante to diplomat in the space of a few years **Calamity Jane** James D. McLaird, 2012-11-27 Forget Doris Day singing on the stagecoach Forget Robin Weigert's gritty portrayal on HBO's *Deadwood* The real Calamity Jane was someone the likes of whom you've never encountered That is until now This book is a definitive biography of Martha Canary the woman popularly known as Calamity Jane Written by one of today's foremost authorities on this notorious character it is a meticulously researched account of how an alcoholic prostitute was transformed into a Wild West heroine Always on the move across the northern plains Martha was more camp follower than the scout of legend A mother of two she often found employment as waitress laundress or dance hall girl and was more likely to be wearing a dress than buckskin But she was hard to ignore when she'd had a few drinks and she exploited the aura of fame that dime novels created around her even selling her autobiography and photos to tourists Gun toting swearing hard drinking Calamity Jane was all of these to be sure But whatever her flaws or foibles James D McLaird paints a compelling portrait of an unconventional woman who more than

once turned the tables on those who sought to condemn or patronize her He also includes dozens of photos many never before seen depicting Jane in her many guises His book is a long awaited biography of Martha Canary and the last word on Calamity Jane

Wayfarers Winfred O. Cook,2011-07 A life lived in earnest provides one with a moral compass upon which to gauge the parameters of one s inner journey the source of any lasting fulfillment Wayfarers gives evidence of the epic miles one may travel when morality transcends the dead end of mindless dogma and becomes instead a conduit to personal happiness John Johnson linguist A Scribendi critique Hello Mr Cook I read your engaging novel and thoroughly enjoyed it I found it difficult to put away in the evenings It was a pleasure to read with its vivid details presented in wonderfully lush descriptive passages By focusing specifically on a handful of characters you manage to ensure that the story is not too bogged down in historical details which could be distracting The book is well organized and obviously well thought out The plot which is excellent flows organically from one event to the next toward the

natural conclusion It s especially interesting how Daniel and Jerry s lives parallel each other throughout the book The dialogue is so well done You do an excellent job of capturing the nuances of the characters speech and their accents Additionally you do well at making the dialogue realistic to the characters For the most part it seems that each character would naturally say whatever it is you have written for them Very nicely done Mr Cook I m the person at WritersLiterary responsible for reviewing your manuscript I just finished and feel compelled to tell you that I think you have a SUPERB writing style and I love your prose Russell Brooklyn NY *American Cattle Producer* ,1955 *Okefenokee* R.
