Gifts for Your Seasons Pauline Oxley, 2022-01-14 Gifts for your Seasons is an insightful and inspirational book full of

personal reflective thoughts and experiences that have been helpful in dealing with the various seasons we all go through in life. These seasons include success, healing, parenting, self-worth, contentment, faith, love, and peace. The human experience is one that is full of ups and downs, good days and not so good ones. These are seasons which the author addresses to help cope with the uncertainties of life. *Gifts for your Seasons* is a book that encourages the reader to consider the contribution that can be made through essentials that enrich the varying seasons of life and make a difference to you, your family, and community. They are designed to fit in well with who you are and your personality. These gifts are applicable to the present times that we are living in. It is evident that not all gifts come ready wrapped in material things, so there are a variety of intangible gifts to suit every age, background, and abilities. Identifying the gifts as God-given gifts helps to navigate the way that leads to fulfilment and satisfaction in life. Within the book, you will find reference to Biblical characters along with the narratives of others whose lives have been truly inspirational.

Silent Grief Clara Hinton, 1998-02 Almost 200 000 couples in America each year suffer through the tragedy of miscarriage. And that statistic only tells us about first trimester miscarriages. The emotional pain of longer term miscarriages and the untold numbers of mothers and fathers who keep silent about their hurt make this form of child loss especially cruel. But in *Silent Grief*, author Clara Hinton brings a clear message of hope through the cold mourning. Writing of her own grief and interviewing scores of women and men, she offers not pat answers but instead shows us this: You are not alone.

The Gates of Heaven R. G. Hare, 2006-09-15 Doctor Harold Schwack conceals a dark and sordid past. His latest patient, Maryanne Hennessey, sets him on a collision course with a force he doesn't believe in. A force destined to unveil the true intentions of his sadistic heart and end the misery inflicted upon his unsuspecting patients. Mark Hennessey battles to save not only his own soul but the souls of everyone around him. His mother, stricken with cancer, painfully lingers in a medical bureaucracy with doctors who lack compassion yet still maintain God-like attitudes. Mark struggles to find peace for his mother, only to discover his own sanity shattered when the heavens bestow a divine gift upon him. A seemingly random meeting with a mysterious preacher, Jonah, transforms Mark into an angel of vengeance with the power to end the evil lives of the souls that Satan has already conquered. A power Mark refuses to accept or believe exists until destiny intervenes and leads him down a path that only faith can overcome. Faith that God really does have an overall plan for humanity and an eternal resting place within the Gates of Heaven.
