Raw On The Bars Of Longing:

Raw on the Bars of Longing Terry H. S. Wallace, 1994 *A Raw Mix of Carelessness and Longing* Cecelia Frey, 2009

Jamey Popilowski dreams of becoming a rock star and Lilah Cellini dreams of Jamey Together the young couple leaves their childhood home of Terrabain Street and hit the open asphalt kicking up a musical storm along the way While Jamey embraces the musician s lifestyle along with its excesses Lilah is confronted by choices that will ultimately take her down a different path and lead her to her own voice *A Raw Mix of Carelessness and Longing* is a mesmerizing and lyrical tale that follows the tangled lives of friends and lovers as it articulates the fine balance between the passion for making and performing music and the temptations that hide in the shadows *Raw: Architectural Engagements with Nature* Solveig Bøe, Hege Charlotte Faber, 2016-04-08 Through cross disciplinary explorations of and engagements with nature as a forming part of architecture this volume sheds light on the concepts of both nature and architecture Nature is examined in a raw intermediary state where it is noticeable as nature despite but at the same time through man s effort at creating form This is done by approaching nature from the perspective of architecture understood not only as concrete buildings but as a fundamental human way both of being in and relating to the world Man finds and forms places where life may take place Consequently architecture may be understood as ranging from the simple mark on the ground and primitive enclosure to the contemporary megalopolis Nature inheres in many aesthetic forms of expression In architecture however nature emerges with a particular power and clarity which makes architecture a raw kind of art Even though other forms of art as well as aesthetic phenomena outside the arts are addressed the analogy to architecture will be evident and important Thus by using the concept of raw as a focal point this book provides new approaches to architecture in a broad sense as well as other aesthetic and artistic practices and will be of interest to readers from different fields of the arts and humanities spanning from philosophy and theology to history of art architecture and music *The Restaurant* John R. George the Third Francis VESEY (the Younger.),1784 *The Hahnemannian Monthly* ,1894 **Narrating Life - Experiments with Human and Animal Bodies in Literature, Science and Art** ,2016-02-02

Narrating Life explores the relationship between literature science and the arts and the way in which they are informed by the process of narrating life More specifically it asks how do literature science and the arts affect and are affected by the emergence of a critical culture of biopolitics and its rhetorical figurations Its topicality for literary and cultural studies lies therefore in its exploration of the question to what extent could narratives of life or life writing be understood as a special practice through which to access the contemporary discussion about biopolitics with its strategies of immunity mutation and contagion The individual contributions address these questions through focusing on new forms of life writing in traditional and new media science writing and artistic and critical creative practice In doing so they also explore and redraw the boundaries between fictional and factual experimental practices Contributors Amelie Bj rck Elisabeth Friis Holly Henry Stefan Herbrechter Tom Idema Moritz Ingwersen Cristina Iuli Tanja Nusser Angela Rawlings Manuela Rossini Dorion Sagan Laura Shackelford Amalie Smith Marianne Sommer Steve Tomasula David Wagner Jeff Wallace Dominik Zechner *The Broadview Anthology of Social and Political Thought: Essential Readings* Andrew Bailey,Samantha Brennan,Will Kymlicka,Jacob T. Levy,Alex Sager,Clark Wolf,2012-02-17

This volume features a careful selection of major works in political and social philosophy from ancient times through to the present Every reading has been painstakingly annotated and each figure is given a substantial introduction highlighting his or her major contribution to the tradition The anthology offers both depth and breadth in its selection of material by central figures while also representing other currents of political thought Thirty two authors are represented including fourteen from the 20th century The editors have made every effort to include translations that are both readable and reliable In order to ensure the highest standards of accuracy and accessibility the editors have consulted dozens of leading academics during the course of the volume s development many of whom have contributed introductory material as well as advice The result is an anthology with unparalleled pedagogical benefits The Broadview Anthology of Social and Political Thought sets the new standard for social and political philosophy instruction
