Re Emergence Of Correctional Intervention:

The Re-Emergence of Correctional Intervention Ted Palmer, 1992-03-30 In this decade growth centred intervention has re emerged as a legitimate approach to the rehabilitation of criminals and now plays an accepted role with serious offenders This role involves skill development methods control surveillance techniques psychologically oriented programmes and combinations of these procedures This book describes the role past present and future of rehabilitation within the context of other correctional approaches including the justice model philosophy Palmer presents an intervention framework and a related theoretical structure that can assist in programme development in intervention planning for offenders and in understanding as well as evaluating change processes *The Re-Emergence of Correctional Intervention* Ted Palmer, 1992-03-30 Ted Palmer gives particular attention to the development of intensive supervision in probation and after care and sets out an agenda for the future He offers a developmental stages perspective for work with juveniles which should address changes to the offender and or changes to the offenders life circumstances LCCJ Newsletter Looking back to successful intervention programs of the 1970s programs based on skill development methods control surveillance techniques psychologically oriented programs and combinations of these procedures Ted Palmer strongly supports such correctional intervention programs through an analysis of several recent studies including his own He evaluates the research to date on rehabilitation and describes the role past present and future of rehabilitation habilitation within the context of other correctional modalities including the justice model philosophy He also presents an intervention framework and a related theoretical structure that can assist in program development intervention planning for offenders and understanding and evaluating change processes This timely volume will inspire passionate debate in the coming decade for practitioners academics and students alike in criminology Palmer a recognized scholar of correctional practice and policy answers critics of treatment and addresses the current emphasis on punishment as the sole disposition of offenders by assembling evidence supporting growth centered habilitation intervention for juveniles and adults Reviewing the past 15 years of evaluation of correctional intervention he has identified key intervention elements connections and community offender outcomes The concluding chapter is an extremely valuable investigation into offender intervention programs in which Palmer assesses prospects for change and effectiveness Excellent bibliography Undergraduate graduate faculty professional Choice Integrates several important components of the development correctional treatment policy 1 the political historical development of correctional treatment policy 2 evolution of the debate on treatment effectiveness 3 the methodology of treatment evaluation 4 improved knowledge of recommendations for future programming and evaluation efforts Since it interweaves numerous areas of expertise such as psychology research and policy analysis it is a unique contribution It is this multifaceted approach to the topic which is sorely needed To date I have required readings on theory and policy but I have provided and have required students to do the integrating Palmer s book will be a valuable addition to this course

Furthermore there is a growing group of planners administrators policy analysts researchers and scholars in the area of correctional treatment who would benefit from and be interested in Palmer's book. Again the integration of theory policy and research offers a crucial resource to such an audience. This is a book that will be heavily cited in the years to come. The analysis is brilliant. Added to the fact that Palmer already has a stellar reputation in this field it is likely to become a benchmark publication. Pat Van Voorhis, University of Cincinnati.

The Development of Criminal and Antisocial Behavior Julien Morizot, Lila Kazemian, 2014-12-02. This edited book summarizes the current state of knowledge on the development of criminal and antisocial behavior over the life course. It focuses mainly on the developmental perspective which has had a paradigmatic influence on current theoretical and empirical works in criminology. With a multidisciplinary perspective the book reviews: a) the fundamental concepts of developmental criminology b) the risk factors and developmental processes related to the most salient personal e.g. genetics personality and environmental e.g. family peers school domains explaining the development of criminal and antisocial behavior c) the developmental issues related to a number of special themes e.g. women criminality street gangs and d) the applied and policy implications of research in developmental criminology. In each chapter prominent researchers from different disciplines such as criminology and psychology summarize the state of knowledge on a specific topic identify the shortcomings of past research offer recommendations for future research needs.

Handbook of State Government Administration John J. Gargan, 2020-01-27. Boot Camps for Adult and Juvenile Offenders Roberta C. Cronin, 1994

Offender Rehabilitation in Practice Gary A. Bernfeld, David P. Farrington, Alan W. Leschied, 2003-01-10. Documented evidence suggests that community safety is best achieved through policies promoting human services rather than relying totally on prisons and that promoting intervention in an individual's own environment known as ecological integrity is closely associated with effective intervention. This is the first book to focus on the transfer of knowledge of worldwide effective offender rehabilitation programs. Prominent researchers and practitioners in the criminal justice field have contributed their extensive knowledge of what it takes to implement effective correctional practices with ecological integrity. Reviews real world challenges of program effectiveness and survival. Offers

effective evidence based innovative alternatives to imprisonment of offenders Offers a common multi level systems perspective as a framework for the international case studies featured The first book to focus on the transfer of knowledge and best practice through the concept of technology transfer

Smart on Crime Garrick L. Percival,2015-07-28 The most punitive era in American history reached its apex in the 1990s but the trend has reversed in recent years Smart on Crime The Struggle to Build a Better American Penal System examines the factors causing this dramatic turnaround It relates and echoes the increasing need and desire on the part of actors in the American government system to construct a penal system that is more rational and humane Author Garrick L Percival points out that the prison boom did not naturally emerge as a governmental response to increasing crime rates Instead political forces actively built and shaped the growth of a more aggressive and populated penal system He is optimistic that the shifting political forces surrounding crime and punishment can now reform the system explaining how current political actors can craft more constructive and just policies and programs The book shows how rationality and humanitarianism lead to a penal system that imprisons fewer people does less harm to the lives of individual offenders and those close to them and is less expensive to maintain The book presents empirical data to concretely demonstrate what is working and what is not in today s penal system It closely examines policies and practices in Texas Ohio and California as comparative illustrations on what progress has been made or needs to be made in penal systems across the United States The book includes a comprehensive discussion of highlighted issues and relates more than two dozen interviews with pivotal political actors who clarify why there is a major shift underway in the American penal system Their insights reveal paths that can be taken to improve the current penal system
