country will rise again He was undaunted He mustered what supports he could for the reconstructions of the country He continuously told his people that nothing is impossible under this cone shape heaven that umbrellaed our earth His commitment was undiminished and despite the devastations he unflinchingly told them the nation will rise again All the leaders in the country bust the gut to reconstruct the country and with unity they worked as a people though not without some distractions from some protesters The leaders didnt lost a second in their sleepdid the president succeedas in the end it was a heartwarming people      Thumbs Up!
