## **Reaching For The Olive Branch Unrwa And Peace In The Middle East:**

*Reaching for the Olive Branch* Milton Viorst, 1989 When UNRWA United Nations Relief and Works Agency for Palestine Refugees was established in 1949 it was not designed as a permanent organization Its founders hoped for an early solution to the problem of the Palestinian refugees but that did not come about This volume updates Viorst s 1984 study No bibliography Acidic paper Paper edition unseen 8 95 Annotation copyrighted by Book News Inc Portland OR UNRWA and Palestinian Refugees Sari Hanafi, Leila Hilal, Lex Takkenberg, 2014-04-24 Exploring the evolution of the United Nations Relief and Works Agency for Palestine Refugees in the Near East UNRWA this book fills a lacuna in literature on the agency UNRWA and Palestinian Refugees employs recent fieldwork in order to analyse challenges in programmes and service delivery protection camp governance community participation and camp improvement and reconstruction The chapters examine the way UNRWA is adapting to a changing social political and economic context mostly within urban settings a paradigmatic shift from understanding the Agency s role as simply a provider of relief and services to one comprehensively supporting the human development of Palestinian refugees Examining the refugee debate using new disciplines and research frameworks this collection aims to emphasise the centrality of the Palestinian refugee issue for Middle East peace making and to contribute a better understanding of a unique agency This book will be a useful aid for students and researchers with an interest in Middle East Studies Politics and the Israeli Palestinian conflict Palestinians, Refugees, and the Middle East Peace Process Don Peretz, 1993 In this clearly written and balanced volume longtime Middle East expert Don Peretz examines the current conditions and future prospects of the Palestine refugees and the members of the Palestinian diaspora He reviews their demographics living conditions political identity and perspectives on the peace process including the Gaza Jericho plan He explores a variety of proposed solutions including repatriation compensation and resettlement The Status of Palestinian Refugees in International Law Alex Takkenberg, 1998 7 Scope of the study *The Politics of International Humanitarian Aid Operations* Eric A. Belgrad, Nitza Nachmias, 1997-06-30 The theories and case studies examined in this volume constitute a thorough study of foreign intervention in civil conflicts for the purpose of rendering humanitarian aid The classical paradigm of the ethics of intervention forbids the violation of territorial sovereignty Public international law and the UN charter also mandate nonintervention within the territorial boundaries of a state Nevertheless in recent years as a result of brutal civil conflicts and their violent and inhumane consequences as in Rwanda Bosnia and Cambodia international aid interventions have become an accepted practice Still international humanitarian aid involves unsettled controversial issues dilemmas concerning donors recipients and international organizations These issues as well as the concepts of sovereignty human rights coercive interventions and peacekeeping are critically evaluated in this volume which will be of interest to scholars and policymakers in international relations human rights and military affairs **Palestinian Refugees** Robert Bowker, 2003 Encompassing history politics and political culture Bowker grapples with fundamental issues of Palestinian

identity in the context of the peace process      **Palestinian Refugees** Ghada Hashem Talhami, 2003 The main goal of this book is to record as much of the Palestinian refugees political history as possible The author is becoming increasingly aware of the ebb and flow of general interest in the refugee issue and the strong possibility of subsuming that chapter in the larger Palestinian story As the PLO itself moved further and further away from the refugee constituency it became necessary to examine and define the impact of the refugee issue on the larger Palestinian political picture for indeed as it turned out they were always a tremendous influence on the course of Palestinian and Arab history Although they lost their leadership positions within the PLO as the latter became increasingly elitist and bureaucratic the powerless refugees apparently never lost the means to influence the course of Palestinian history This book relies heavily on early State Department dispatches Israeli Foreign Office correspondence early accounts of the stirrings of a refugee movement in Jordan and declarations statements and studies of the Badil Research Centre and some right of return groups Also investigated is much of the known literature to emerge from the secretive Oslo negotiations and the reverberations produced by their deliberations throughout the Palestinian diaspora The resilience of the refugee question should never be questioned or declared until one of two things happened either the obliteration or dispersal of concentrated refugee communities became a reality or the Palestinian refugees accepted a resolution of some kind or another      The Middle East and North Africa 2004 ,2003-10-30 Now in its 50th edition this title continues to provide the most up to date geo political and economic information for this important world area Covers the Middle East and North Africa from Algeria to Yemen Offers quick access to a wide range of data Accurately and impartially records the latest political and economic developments Provides comprehensive data on all major organizations in the region General Survey Introductory essays covering topics relating to the region as a whole including Arab Israeli Relations 1967 2003 The Jerusalem Issue Documents on Palestine The Removal of Saddam Hussain and the Deconstruction of Iraq Natural Gas in the Middle East and North Africa Oil in the Middle East and North Africa and Islamic Banking and Finance Country Surveys Individual chapters on each country containing articles on geography recent history and economy an economic and demographic survey using all the latest available statistics on population agriculture industry finance trade transport tourism and education directory sections with names addresses and contact numbers covering the constitution government legislature judiciary political organizations diplomatic representation religious groups the media finance trade and industry including petroleum and tourism Regional Information Includes all major international organizations active in the region their aims activities publications and principal personnel Research Institutes specializing in the region Bibliographies of books and periodicals covering the Middle East and North Africa      *Survey of Arab-Israeli Relations 1947-2001* David Lea, 2003-09-02 Impartial documentation and background information fundamental to the understanding of Arab Israeli relations Key Features Covers in detail the years since the first Arab Israeli war and the statehood of Israel in 1947 48 to the most recent developments in relations between Israel the emerging Palestinian political

**We'Re in Danger! Who Will Help Us?** James N. Purcell Jr.,2019-03-19 Victims of wars oppression and famine depend on well prepared interventions for their basic survival Yet in the twenty first century the world s conscience has gone dormant and governments have been left free to ignore or trivialize their moral obligations to humankind Caring societies cannot hide from these daunting humanitarian challenges As in the past only experienced bold leadership can marshal allies for proposed twenty first century solutions We re in DANGER Who Will HELP Us is the chronicle of one humanitarian leader s experience working on behalf of civilian victims of war oppression and famine fully revealed in American know how initiative and grit James N Purcell Jr writes from leadership perspectives gained directing global humanitarian organizations and shares his and his team s daring interventions into the humanitarian crisis in Indochina following the Vietnam War and in other world regions interventions that saved protected and restored the lives of millions of refugees Presidents feisty congressional debates and strong volunteer groups helped Purcell and his team marshal allies for twentieth century solutions and today he makes the case for the same unyielding spirit for humanitarian crises in Syria the Middle East Africa Asia and Central America Civilization s new test is whether we can help free the world s conscience and regain a sense of moral outrage purpose and resolve to face our responsibilities directly and to act As caring members of the international community we must determine our appropriate and equitable roles in solving systemic dysfunctions that bring people to the brink of despair and help those we can

**The Politics of Denial** Nur Masalha,2003-10-20 The 1948 war ended in the expulsion of hundreds of thousands of Palestinians from their homes Israeli settlers moved in to occupy their land and the Palestinian refugees found themselves expelled Today there are nearly four million Palestinian refugees and they want the right to go home Since 1948 Israeli refugee policy has become a classic case of denial the denial that Zionist transfer committees had operated between 1937 and 1948 denial of any wrong doing or any historical injustice denial of the right of return denial of restitution of property and compensation and indeed denial of any moral responsibility or culpability for the creation of the refugee problem This book analyses Israeli policies towards the Palestinian refugees as they evolved from the 1948 catastrophe or nakba to the present It is the first volume to look in detail at Israeli law and policy surrounding the refugee question Drawing on extensive primary sources and previously classified archive material Masalha discusses the 1948 exodus Israeli resettlement schemes since 1948 Israeli approaches to compensation and restitution of property Israeli refugee policies towards the internally displaced present absentees and Israeli refugee policies during the Madrid and Oslo negotiations

[Palestinian Refugees in International Law](#) Francesca Albanese,Lex Takkenberg,2020 The Palestinian conflict has produced one of the most tragic refugee crises since World War

II with the number of refugees caused by the violence associated with the creation of the State of Israel numbering around 11 million in 2011 The much lauded first edition in 1998 of *The Status of Palestinian Refugees in International Law* was the first book to comprehensively analyse the legal aspects of the Palestinian refugee crisis yet the last two decades have seen multiple developments New waves of conflict and displacement have affected Palestinian refugees in the Middle East and there has been Israeli encroachment on Palestinian territory Hamas has grown and a schism has formed within the first Palestinian government The so called Arab Spring has impacted the life fate and legal status of thousands of Palestinian refugees In international legal jurisprudence change has been similarly rapid In 2004 the International Court of Justice delivered a crucial advisory opinion on the Separation Wall authoritatively elucidating the international legal framework applicable to the Israeli occupation Numerous international human rights bodies and UN fact finding missions have added their analysis to the mix The possibility of the State of Palestine joining the International Criminal Court has spurred discussion relating to the applicability of international criminal law to Palestinian refugees Clear compelling and authoritative Lex Takkenberg and Francesca Albanese discuss the status quo both on the ground and in the courts and pose future scenarios to come

**Futile Diplomacy** Neil Caplan, 2013-10-23 These two volumes provide a careful and balanced behind the scenes account of the intricate diplomatic activity of the period between the first and second Arab Israeli wars Exploiting a range of available archive sources as well as extensive secondary sources they provide an authoritative analysis of the positions and strategies which the principal parties and the would be mediators adopted in the elusive search for a stable peace The author examines the recurring deadlocks in terms of the motives and calculations of the various parties and reveals how new incentives of pressures offered by outsiders proved incapable of reversing the serious deterioration of Arab Israeli relations as the region headed for war at Suez The text of each volume comprises both analytical historical chapters and a selection of primary documents from archival sources

**The Israel-Palestine Conflict** Neil Caplan, 2019-09-11 One of the 10 Must Read Histories of the Palestine Israel Conflict Ian Black Literary Hub on the 100th anniversary of the Balfour Declaration The new edition of the acclaimed text that explores the issues continuing to define the Israeli Palestinian conflict Numerous instances of competing sometimes incompatible narratives of controversial events are found throughout history Perhaps the starkest example of such contradictory representations is the decades long conflict between Israel and Palestine For over 140 years Israelis Palestinians and scores of peacemakers have failed to establish a sustainable mutually acceptable solution The Israel Palestine Conflict introduces the historical basis of the dispute and explores both the tangible issues and intangible factors that have blocked a peaceful resolution Author Neil Caplan helps readers understand the complexities and contradictions of the conflict and why the histories of Palestine and Israel are so fiercely contested Now in its second edition this book has been thoroughly updated to reflect the events that have transpired since its original publication Fresh insights consider the impact of current global and regional instability and violence on the prospects of peace and reconciliation New

Rioli,2020-08-25 The history of the Palestine War does not only concern military history It also involves social humanitarian and religious history as in the case of the Roman Catholic Diocese of Jerusalem A Liminal Church offers a complex narrative of the Latin patriarchal diocese commonly portrayed as monolithically aligned with anti Zionist and anti Muslim positions during the long year of 1948 Making use of largely unpublished archives in the Middle East Europe and the United States including the recently released Pius XII papers Maria Chiara Rioli depicts a church engaged in multiple and sometimes contradictory pastoral initiatives amid harsh battles relief missions for Palestinian refugees theological reflections on Jewish converts to Catholicism political relations with the Israeli and Jordanian authorities and liturgical responses to a fluid and uncertain scenario The pieces of this history include the Jerusalem grand mufti s appeal to Pius XII to support the Arab cause the Catholic liturgies for peace and international mobilization during the Palestine War and Suez crisis refugees petitioning the patriarch for aid and Jewish converts establishing Christian kibbutzim New archival collections and records reveal hidden aspects of the lives of women children and other silenced actors faith communities and religious institutions during and after 1948 connecting narratives that have been marginalized by a dominant historiography more focused on military campaigns or confessional conflicts A Liminal Church weaves diocesan history with global history In the momentous decade from 1946 to 1956 the study of the transnational Jerusalem Latin diocese as split between Israel Jordan Egypt and Cyprus with ties to diaspora and religious international networks and comprising clergy from all over the world attests to the possibilities of contrapuntal narratives reintroducing complexity to a deeply and painfully polarized debate exposing false assumptions and situating changes and ruptures in a long term perspective [The Palestine Yearbook of International Law, 1989](#) A.
