**Julia K. Nims, Ann Andrew**

## **Reaching And Teaching Diverse Library User Groups Papers Presented:**

- Reaching and Teaching Diverse Library User Groups** Teresa B. Mensching, 1989      **Outreach for Music Librarians** Scott Stone, 2019-01-01 Many music librarians are tasked with reaching out to their primary user groups but don't know how to start this process or need new ideas to spur them forward Outreach for Music Librarians is a manual designed to provide immediate practical help in the planning implementation and assessment of outreach projects This manual is divided into three sections 1 foundational principles to be kept in mind no matter the project 2 an introduction to six different outreach projects with all the information needed to implement and 3 case studies of outreach projects at four vastly different libraries While this manual is aimed at newer practitioners Outreach for Music Librarians provides such a wide breadth of information that even experienced music librarians should find new inspiration and should include it in their own collections
- Lifelong Learning in Public Libraries* Donna L. Gilton, 2012-03-15 This book demonstrates that public librarians can promote learning by combining the elements of Information Literacy Instruction ILI with traditional practices of public libraries It not only provides background on ILI and current developments in public library instruction
- 1979-1990 Henryk Sawoniak, 2012-02-14 No detailed description available for 1979 1990      **International Students and Academic Libraries** Diane E. Peters, 2010-04-12 The growing emphasis on globalization in the context of higher education has resulted in changes in academic curricula increasing numbers of global partnerships and in more concentrated efforts to recruit international students at North American universities This book focuses on the impact of these efforts on academic libraries The introductory essay addresses issues faced by both international students and by librarians who work with them The student related issues include general culture shock communication and language concerns learning styles differences between libraries in North America and those in other parts of the world and library anxiety Library related issues include responding to language technological and cultural barriers responding to specific culture based concerns classroom communication outreach and staff training Suggestions are offered as to ways to make the relationship between students and librarians more positive and productive The annotated bibliography provides an overview of the literature on the topic covering such issues as basic library orientation bibliographic instruction information literacy collection development computers and the internet language and communication marketing and outreach reference services and staff development and training including staff exchanges and international visits Author and subject indexes are appended
- Cases on Establishing Effective Collaborations in Academic Libraries* Piorun, Mary E., Raboin, Regina Fisher, 2022-10-07 The forming and nurturing of new partnerships and collaborations is a critical component of librarianship Academic libraries have a long history of collaboration within the library across their institutions and in their local communities However forming new partnerships can be time consuming and at times frustrating leaving important opportunities connections and projects unrealized Cases on Establishing Effective Collaborations in Academic Libraries presents case studies on effective

collaborations in a variety of settings with different objectives staffing levels and budgets that have proven to be successful in creating and maintaining strong and productive partnerships It identifies and shares the role of the academic library in developing effective partnerships and collaborations within academia and the broader community Covering topics such as controlled digital lending research computing and college readiness enhancement this premier reference source is a vital resource for librarians and libraries consortiums university administrators students and educators of higher education community leaders researchers and academicians     *Global Evolution* Kaetrena D.
