Postman's Knock Elaine Ellis,2017-09-04 The old proverb The grass is always greener turned out to be an artist's impression not real life at all When Charlotte Whitfield known to everyone as Charlie receives a letter from her best friend Libby she has no idea that her life is about to change forever Libby and James Charlie's husband have been having an affair and James has decided to leave the marriage and move in with Libby But if Libby and James thought that Charlie was ready to be a victim they had forgotten the tough resourceful woman they had both known and loved Calling on all her strength Charlie takes control of her own life despite losing a baby as well as a husband When James for whom the grass turned out not to be greener on the other side starts to threaten Charlie his erratic behaviour turns quickly into dangerous obsession Charlie is forced to re evaluate everything and find out for the first time what it is she truly wants And beside her all the way is Libby's ex husband Bruce whose underappreciated grace and charm become a bedrock for Charlie Are they too falling in love Elaine Ellis's Postman's Knock is a moving story of the way life continues to surprise and how the actions of other people for better or worse make us look anew at ourselves *Silence on Monte Sole* Jack Olsen,2020-05-28 The story of the Italian mountain villagers who lived on Monte Sole trying to survive the war and the horror that overtook them in September and October when the retreating German army massacred 1800 of the citizens of Monte Sole The mountain a 2000 foot peak in central Italy some fifteen miles south of Bologna had been a haven for Partisans For this reason the Germans mistrusted the villagers but the ugly rastrellamento purge occurred more by chance than vengeance Monte Sole happened to be located on the main route of the retreating army and the SS deemed it necessary to neutralize the mountain In operational terms this meant mass murder The book is based on the accounts of survivors the few official records courtroom testimony and visible scars It begins with the postman on his rounds and by this device visits with most of the contadini tenant farmers of the region the priests the storekeeper the elders They are simple people family oriented rather than nationalistic and often likably eccentric It is their very individuality that makes the ensuing chapters on the mass murder so effective Compelling compassionate rarely sentimental a stirring book Jack Olsen is the award winning author of thirty three books published in fifteen countries and eleven languages Olsen's journalism earned the National Headliners Award Chicago Guild's Page One Award commendations from Columbia and Indiana Universities the Washington State Governor's Award the Scripps Howard Award and other honors The Philadelphia Inquirer described him as an American treasure **How to Read Journal Articles in the Social Sciences** Phillip C.
