David Peplow, Joan Swann, Paola Trimarco, Sara Whiteley, 2015-11-19

Of interest in their own terms as a significant cultural practice reading groups also provide a window on the everyday interpretation of literary texts

While reading is often considered a solitary process reading groups constitute a form of social reading where interpretations are produced and displayed in discourse

The Discourse of Reading Groups is a study of such joint conceptual activity and how this is necessarily embedded in interpersonal activity and the production of reader identities

Uniquely in this context it draws on and seeks to integrate ideas from both cognitive and social linguistics

The book will be of interest to scholars in literacy studies as well as cultural and literary studies the history of reading applied linguistics and sociolinguistics digital technologies and educational research      **Face2face Upper Intermediate Workbook Without Key**
