day wonder If it is to be called a wonder of the world its subject matter and material vastness must be serious And should be equally important The New 7 modern certificates Wonders of the World of Sarahu have taken on a similar significance and content The wonders of Sarahu alone are not the same as the look The material content within it is equally important There are so many beautiful things to see in the world There are material things that are natural and man made They are not called the world s greatest Because its material content must be important and profound FAQ WHAT IS THE NEW 07 WORLD WONDER AND WHY CAN T SARAHU HERE IS CONSIDERED THE NEW 07 modern certificates WORLD WONDERS Yes All the beautiful looks and beauty of the world is just a social one and it is a fortune that people call it The Big Seven Wonders of the World has already done so But it was wrong Because when it comes to evaluating its content it is not a great answer That is wrong To be truly a marvel is to have depth of material under evaluation We call such a thing the worlds wonderful Evaluating by simply voting in the social sphere is not the right answer Because the thing is the same I mean yoga also decides this If yoga is lacking in posterity the material content is as deep as it is beautiful But we haven t seen the seven new wonders of Sarahu like them FAQ WHAT IS THE ONLINE VOTING AND WHAT IS AUDIENCE recommendation TO SARAHU NEW 07 modern certificates WONDERS OF THE WORLD Yes All the beautiful looks and beauty of the world is just a social one and it is a fortune that people call it The Big Seven Wonders of the World has already done so But it was wrong Because when it comes to evaluating its content it is not a great answer That is wrong Even so miracles can be done Through the recommendation of individuals or organizations in the social sphere But this is the whole wrong thing Do you know why In the world there is no recognition for physical objects if the world is doing amazing by recommending individuals or institutions in the social sphere Do you know why That thing should be great and the content should be deep It should not be mesmerizing in appearance alone If one is to perform the wonders of the world one must measure the attitude and time of the individual After looking at how deep and important the subject is we should move on with this subject FAQ WHAT IS EQUALISM TO SARAHU 7 WONDERS OF THE WORLD AND THE NEW 7 modern certificates WONDERS OF THE WORLD Yes It is not possible to do equality This is because Sarahu has made his achievement alone for eight consecutive years He did not receive such favor There was no violence In front of the wonders of Sarahu lies the hand of one of the people But the wonders of the rest of the Seven New World are in the hands of thousands of people FAQ DOES THAT MEAN THE SEVEN WONDERS OF THE ANCIENT THE SEVEN WONDERS OF THE NATURAL THE SEVEN WONDERS OF THE CITIES AND THE SEVEN WONDERS OF SARAHU ARE BEING ADDED TO ANOTHER CATEGORY Yes Yes But the new wonders of Sarauh s Seven are very different and super natural FAQ WHAT ARE THE NEW SARAHU 07 WONDERS OF THE WORLD HOW 7 NEW modern certificates DID WONDER HERE World Record Titles must be International Records That s why we went to Wonder Cave to make a new history Foundations of World Records are set up with 22 Foundations World Records Foundation except Wonder Process Here people were given a face to face look at all these wonders For any evil or

selfishness all these achievements were not intended to be a wonder and astonishing It intends to bring light to the world s middle point Here social media voters their comments and comments have been received With audience approval 22 Foundations 100 and 300 Employees and some schools colleges foundations and temple devotees received the students poll Court Bond Notary Also At first these 22 Foundations had 300 employees and 100 employees were working with the problem But 300 employees wanted to make Sarah s achievements a world wonder The approval of the Society which directly led to the way of wonders by visiting the impressions schools colleges and foundations on paper There are 300 employees here People Foundations are important here We have established these 22 Foundations 300 Employees to understand the foundations of the founder Big devotees friends voting and responding to their comments and campaigns Sarahu World Records is the first place to wonder about the company Thousands of world records will be a wonder Sarahu has achieved 07 new wonders in this world with his writing superiority On May 1 2019 with a vote of 22 Foundations with the votes of Sarahu World Records 22 foundations were announced in a variety of fields along with 22 foundations with the announcement of 14 wonders at that time Sarahu 7 Modern Certificates Wonders Additional Information and Terms If your 1000 world records get passed then definitely that will become wonder To become wonder you should have strong witness audience observance letters also you should have collect witness certificates If anybody makes 1000 world records in mass that will not be considered as wonder To become a wonder you should also have an organization or company you should have established The above organization or company should have minimum 200 employees Among the employees of the company a minimum of 200 employees should have given recommendation letters The wonder should be permanent variable measurable and qualitable Above 1000 world records must contain many amazing things All records will not become wonders Should have made 200 employees and some audience observation of 1000 world records which are measurable such records will be accepted as wonders You have to use all types of witness forms which are given in SWR You should keep all your witness forms dually filled and exhibit in your website There are ways to accept as wonder in the following areas e g Ancient subject or new modern subject cultural activities achieve love subject civil architectures and any other subject If the total world records should be more than 1000 not even single world record is please it will not be taken to for consideration as wonder If your world records to be considered as wonder you should follow SWR guidance and should use them And all the parts should be tested before processing completely All evidences should be true and not fake These witnesses forms or recommendation letters of employees and audience should have been approved by notary affidavit Your achievements made doesn t have notary affidavit then they will lose waitage and you will not be considered for wonder You have to write a mini note of about hundred pages covering all the information regarding wonder This should have comments likes by schools colleges trust societies NPO NGO s and other some audience opinion for recommending about wonder At least 1000 people should make like comments about your wonder things But it s should not have been published in social media One of your

nearby villagers should have made likes and recommendations about the achievement of wonder Your wonder should be big and special similar to established company which is also big and special Every employee s must have recommended your wonder with a signature and stamp The stamp should be in the name of employee who puts his signature Your website should contain special page showing the wonder and have the highlighted recommendation letters and wonder things
