Britains Wildlife Plants & Flowers Reader's Digest Children's Books, Limited, 2005-05 **What Is That?** Paul Sterry, 2008 *Reader's Digest Guide to Britain's Wildlife, Plants and Flowers* Michael Wright, Reader's Digest Association, 2002-06 **Reader's Digest Guide to Britain's Wildlife, Plants & Flowers** Michael Wright, 2005-03-01

Britain's Wildlife Plants and Flowers is beautifully illustrated with clearly labelled colour artworks which are an invaluable guide to identifying any species you come across. Each drawing is accompanied by a description of the species including its size, which part of the country it is most commonly found in, and where appropriate the time of year when you are most likely to see it. You'll also learn why each creature behaves in the way it does and why certain plants favour particular habitats. Each section is arranged for the purposes of quick and easy identification with animals, plants and flowers categorised according to colour, shape, arrangement of leaves or petals, zoological families and so on. This is an invaluable guide to the nature of the British Isles for all the family to enjoy.

The Borders Alistair Moffat, 2011-08-12 This is the story of a part of Scotland that has played a huge role in the nation's history for thousands of years. The hunter-gatherers who first discovered the bounty of the ancient Wildwood, the Celtic warlords, the Romans, the Northumbrians and the Reivers who dominated the Anglo-Scottish borderlands for more than three centuries have all had their part to play in the constantly evolving life of the area. It is the people of a place who make its history. Alistair Moffat's acclaimed book is a testament to those who have made the Borders their home and who have created the traditions, myths and romance that define it so strongly.

Wildlife, 1989 **Field Guide to the Wild Flowers of Britain**, 1994 The Joy of Wildlife Gardening Geoffrey Smith, 1989 **The National Parks and Other Wild Places of Britain and Ireland** Jonathan Elphick, David Tipling, 2002

This book covers the national parks and other wild places in Britain and Ireland. *Lawyers for the poor* Kate Bradley, 2019-09-25. From the 1890s onwards social reformers, volunteer lawyers and politicians increasingly came to see access to affordable or free legal advice as a critical part of helping working class people uphold their rights with landlords, employers and retailers and from the 1940s with the welfare state. Whilst a state scheme was launched in 1949 it was never fully implemented and help from a lawyer remained out of the reach of many people. *Lawyers for the poor* is the first full length study of the development of voluntary action and mutual schemes to make the law more accessible and the pressure put on the legal profession and governments to bring in further reforms. It offers new insights of the role of access to the law in shaping ideas about citizenship and civil rights in the twentieth century. *Britain's Wildlife, Plants and Flowers* Michael Wright, 1992
