

The image shows the front cover of a book. The cover is decorated with a light-colored, marbled paper pattern. A dark, possibly black or dark brown, spine is visible on the left side. In the center of the cover, there is a rectangular label with a dark background and a thin gold border. The title 'THE LAST TWO MILLION YEARS' is printed on this label in a serif font, with 'THE LAST' on the first line, 'TWO MILLION' on the second line, and 'YEARS' on the third line. The text is in a light color, likely gold or silver, which contrasts with the dark background of the label. The overall appearance is that of an antique or classic book binding.

Reader's Digest History of Man Reader's Digest Association (Great Britain),1973 *The Last two million years*
Reader's Digest,1977 Countdown to civilization the great civilizations man and his world and the nations of the world *Will I Be Killed* Ahamkaari, The Last Two Million Years Reader's Digest,1986-01-01 **The Almighty's Religion for the Universe** Sidney R Smith MHS,2016-02-26 What the author is attempting to do is provide new information about the Creator life the universe and the purpose of humanity as it relates to what the Almighty has revealed to mankind It is the intent of the author to offer new alternatives and explanations of life to give new insight as to man s role for being in existence on the planet Earth and in the universe It offers the opportunity to explore and come to terms with this information so mankind can be enlightened to a new faith The material in this book allows man to understand that there is no reward or punishment for coming to terms with what the Creator has revealed to mankind To take away the fear of a hell and give a sense of immortality in lieu of a heavenly paradise Nevertheless this book will show mankind something different about man s creation and the purpose of his creation It s a matter of life before birth reincarnation Have you ever thought of the possibility that there is life before life Many people throughout the ages have questioned the possibility of life after death but never of life before birth I know of only one person who had some connection with the possibility of life before birth Me Edward Cayce who died in 1945 recorded some accounts of his efforts to recall the lives of people in their spiritual past He provided case studies dealing with his ability to read past histories of people s past lives but was not able to prove or disprove his abilities But suppose we were to think in terms of having an existence before we were born We have explored the prominent thought of life after death to a point of scientific examination and experimentation **Reader's Digest History of Man** Reader's Digest Association (Great Britain),1973 Journey into Time George Richards,2011-07-01 What follows in the pages of this book are questions that most people will ask when they read of the ancient past The Why and the When and most importantly the How still eludes the minds of the readers As a result we place our trust in the experts and accept their theories as they relate to the age old questions But are they right in their suppositions How often has the experts had to rewrite history to accommodate new evidence that has surfaced How often have we seen evidence pushed aside to accommmodate what the scholars deem an established theory In what follows we will question some of the age old beliefs that still haunt the minds of the human family and offer alternative theories based on the available evidence *The Last Two Million Years* ,1981-07 A four part survey of the human adventure Vital New and Revolutionary Principles of Human Psychology, Physiology and Psychophysopathology Mohar Singh Rao,1984 **Western Empires, Christianity and the Inequalities between the West and the Rest** Sampie Terreblanche,2014-09-30 The acute problem of inequality in the world was brought centre stage by the sensational appearance of French economist Thomas Piketty s bestselling book *Capital in the Twenty first Century* In *Western Empires Christianity and the Inequalities between the West and the Rest* 1500

2010 Sampie Terreblanche studies the matter from a political economic perspective and brings five centuries of global history to bear in his focus on global as opposed to internal national inequalities The unprecedented accumulation of wealth in the Western world has come at a dire cost to the Restern world a term the author coins and empire building is at the root of it The last 500 years have seen successive epochs of empire followed by war and systemic chaos During this time the haves of world history have systematically channeled global resources towards the West through cunning and conquest a process in which Christian missionary societies played a key role as the soft avant garde followed by the hardware The book deals with several concepts of empire and the forces through which empires have been rolled out through history arms money ideology religion What fed into the Eurocentrism and notion of superiority which paved the way for a lamentable history of slavery exploitation and the unremitting accumulation of wealth and power The book shows how clearly dangerous a world we live in with the scales as precipitously tipped as they are Ten years in the writing and in many ways the apex of this decorated author s life work Western Empires is a book for everyone who wishes to understand or address the extreme concentration of wealth in the hands of the global few and the hopeless poverty of the many *The Last Two Million Years* Reader's Digest,1973 **Reader's Digest History of Man** Reader's Digest Association,1973 *The Last Two Million Years* ,1973 A Four part survey of the human adventure Countdown to Civilization The Great Civilizations Man and His World and The Nations of the World **Africans in the Americas** Sabas H.
