Teaching Beginning Reading and Writing with the Picture Word Inductive Model Emily Calhoun,1999 In this practical guide to teaching beginning language learners of all ages Calhoun encourages us to begin where the learners begin with their developed listening and speaking vocabularies and other accumulated knowledge about the world Engage students in shaking words out of a picture words from their speaking vocabularies to begin the process of building their reading and writing skills Use the picture word inductive model PWIM to teach several skills simultaneously beginning with the mechanics of forming letters to hearing and identifying the phonetic components of language to classifying words and sentences through forming paragraphs and stories based on observation Built into the PWIM is the structure required to assess the needs and understandings of your students immediately adjust the lesson in response and to use explicit instruction and inductive activities Individual small group and large group activities are inherent to the model and flow naturally as the teacher arranges instruction according to the 10 steps of the PWIM Students and teachers move through the model and work on developing skills and abilities in reading writing listening and comprehension as tools for thinking learning and sharing ideas

The Zen of Writing with Imperfection and Confidence Alan O'Hashi,2021-11-25 The Zen of Writing Author Alan O Hashi is walking proof that perfection and organization are highly overrated His parents and grandparents were all artists and applied a zen approach to nurturing their work which influenced him as a creative entrepreneur Rather than rigid plans and goals they all were very contemplative and relied more on intuition and accepted life how it happened with no judgment The story is partly a DIY

personal growth book about how the author overcame self doubt and perfection as a Model Minority He s now more confident no longer obsessed with perfection and has become a prolific writer The other part is a memoir about how the importance of owning life experiences and not being afraid to write about those His writing is now much more emotional and no longer superficial All you have to do is write one true sentence Write the truest sentence that you know is what Ernest Hemingway says about the essence of good storytelling This book is for anyone who is a writer of organized words whether they are fiction nonfiction poetry work memos grant applications academic papers or love letters Read this book if you re a professional writer a novelist just starting out or a screenwriter with a half done script lost deep in the bowels of a computer hard drive Are you a writer who wonders how to get over self doubt kick your obsession with perfection and for whatever reason can t quite finish your writing project This book provides insight and a few tips through the author s experiences about becoming more confident in your ability to balance perfection and accuracy that results in a higher likelihood of finishing your work Author Alan O Hashi relates how his lessons from life were significant influences that resulted in his first book pitch based on a typed up piece of paper in June He signed a contract and finished an 80 000 word manuscript five months later Alan is a native of Cheyenne Wyoming where he began writing as a 12 year old reporter for his junior high school newspaper The Tumbleweed He relates his growth as a writer surviving a 1 000 year flood an emergency landing of an airplane with a fire on board two job layoffs after 9 11 and getting up from his death bed
