Residential Child Care An International Reader

Sabine Hering, Berteke Waaldijk

Residential Child Care An International Reader:

Residential Child Care Me'ir Gotesman, 1991 This book provides an overview of the history current state and future prospects of 22 residential child and youth care and education systems as they were at the time of writing The book concentrates on Europe and North America While not a formal comparative study the contributors follow uniform guidelines thus enabling the reader to draw parallels between the various systems Despite enormous cultural and social differences similarities between the systems seemed greater than dissimilarities The book also demonstrates how considerable progress had been made worldwide in the 25 years up to publication The book is a companion volume to Recent Changes and New Trends in Extrafamilial Child Care An international perspective also published by Whiting and Birch **Children and**

Residential Care in Europe Nicola Madge, 1994-05-01 What lessons can be learned from the different ways in which residential care is organised throughout Europe Which countries services meet children s needs most effectively Originally published in 1994 this ebook looks broadly at children and child care services especially residential child care in 13 European Union countries to give an overview of national similarities and differences and identify key areas of change development and concern The European Children s Centre survey on which this report was based was commissioned by The Warner Inquiry into the selection development and management of staff in children s homes Established in the United Kingdom in response to a number of widely publicised scandals in residential care the Inquiry recognised the value of looking to other European countries in order to learn from their successes and failures **The Occupational Experience of Residential Child and**

Youth Care Workers Jerome Beker, Mordecai Arieli, 2013-04-03 From open and straightforward accounts of residential care workers The Occupational Experience of Residential Child and Youth Care Workers shows you how care is handled not how it should be handled This book introduces you to a social reality a sometimes very difficult and challenging social reality as it is viewed by its participants If you want to know more about what is actually going on in residential care and the discontent that workers frequently experience this is the book that lays out the facts the problems and the nature of residential youth centers The Occupational Experience of Residential Child and Youth Care Workers broaches the problem of tension between workers and residents and hopes that bringing the problem out into the open will be a first step toward a solution You learn that the very arrangement of residential care automatically sets up antagonism between the sole group care worker and his her wards residents tend to resist the inherently coercive efforts of the worker who tries to bring them through processes of change and socialization The Occupational Experience of Residential Child and Youth Care Workers will make you think about residential care and conflicts group interaction career satisfaction and dissatisfaction interpretive sociology of education and its methodology social control Interviews with Israeli residential care workers are presented to help you understand the circumstances under which residential care providers experience discontent or job dissatisfaction You learn which workers are most likely to feel discontented and how staff members cope with the stress and discontent they

experience Youth care workers policymakers child care staff recruiters supervisors and trainers will find this book sheds much light on the problem of discontent and the need to make child and youth care facilities more humane for residents and staff alike It will also help social work educators and researchers in sociology social work and the social psychology of education get in touch with what goes on inside the walls of residential care centers

Residential and Boarding Education and Care for Young People Ewan W. Anderson,2005 Based on the latest research and reflecting the national drive towards evidence based standards this book offers a model which can be readily applied to training assessment of standards inspections and research and development

Recent Changes and New Trends in Extrafamilial Child Care Me'ir Goşesman,1994 This book provides an overview of the developments at the time of writing in extrafamilial childcare systems in 23 countries The books emphasis is on residential care for children and young people The book is practice oriented reporting many original and innovative projects but it also reviews the radical policy changes which were occurring at the time of writing in each country The book is a companion volume to Residential Child Care An international reader also published by Whiting and Birch

Professionalization and Participation in Child and Youth Care P. M .van Den Bergh,F Verheij,E. J Knorth,2017-11-22 This title was first published in 2002 The field of child and youth care is under increasing pressure to optimize its mission to deliver high quality support and to help children parents and families in need of care Two questions have arisen in many countries in the face of this pressure the professional quality of childcare and the participant quality of childcare These issues have traditionally been discussed separately this unique book brings them together for an enlightening discussion Examining the possible antagonism of childcare workers operating as professionals and clients participating as fully engaged partners the book brings to light a new vision on developments and research in the field and informs the reader on recent findings The expertise of the contributors makes this a truly valuable read for practitioners policy makers researchers and students in the field of child and youth care

Residential Education as an Option for At-Risk Youth Jerome Beker,Doug Magnuson,2014-03-18 Residential Education as an Option for At Risk Youth explores recent residential programs in Israel draws comparisons with their European counterparts and recommends practical approaches for the revitalization of such programs in the United States This volume refutes the conventional professional wisdom in the United States that residential group care programs for children and youth are intrinsically flawed and counterproductive Instead it delivers effective models for the implementation of effective residential services The editors and authors demonstrate the growing need for residential programs given the overburdened family foster care resources swelling numbers of zero parent families and homeless youth Though the United States helped launch and develop residential services in Europe in the aftermath of World War II and has produced many excellent thinkers in the domain of quality residential group care American programs have languished in recent decades This book is designed to accelerate and facilitate progress in revamping and establishing excellent residential group care The authors examine residential education

as a developmentally based alternative to the more clinically and correctionally oriented programs for marginal children and youth dominating this field in the United States The authors present their material in the context of appropriate theoretical principles yet in practical ways that will permit program developers and managers to implement it effectively Some of the specific areas chapters discuss are exemplary Israeli programs as observed by visiting American professional in social work and allied fields important program variables and the cultural influences that may affect them African American experience for such programs a conceptual model for building successful residential education programs key organizational and management considerations Residential Education as an Option for At Risk Youth serves as a vital resource for ambitious program developers and managers wishing to reconceptualize and enrich their programs It will also benefit advanced students practitioners and decision makers who have had heretofore few resources to rely on when seeking to promote more effective programs for socially marginal children and youth

Residential Child Care Ian Milligan,Irene

Stevens,2006-06-18 This excellent book faces the difficulties of residential child care with integrity The emphasis on collaboration is both timely and important since it is a major theme in the training of social workers in the UK where this book will be a valuable resource Andrew Hill University of York Residential Child Care is an innovative book which addresses the specific context of modern residential child care whilst promoting collaborative practice within a wider social work setting The book analyses the collaborative role of organisations field workers parents teachers and children and stresses how these interprofessional relationships are crucial to ensuring children s wellbeing Residential Child Care Collaborative Practice is founded on fundamental social work principles values and ethics encourages collaborative practice by identifying how each professions roles differ seeks to dispel barriers that inhibit effective collaboration draws upon examples of good practice includes views and experiences of children and young people integrates relevant aspects of the social work Benchmark statement Comprehensive and accessible the book includes learning outcomes activities and case studies to help aid students understanding The book successfully balances its theoretical context with a focus on practice making it an invaluable resource for students and practitioners It is useful for social work and social care students trainee residential workers and professionals who have an interest in working with looked after children

Residential Care Hans Göran

Eriksson,Torill Tjelflaat,2004 Discussing key contemporary issues in residential and foster care for children this theoretically and empirically rich volume draws on new research from across Europe and Canada It engages in comparative international perspectives of problems of enduring relevance

Revitalizing Residential Care for Children and Youth James K.

Whittaker,Lisa Holmes,Jorge Fernandez del Valle,Sigrid James,2023 This volume addresses the question of how societies with developed welfare and social service systems are assessing current needs and future directions in their residential child and youth care sectors by providing case studies and analysis across sixteen different countries

Pain, Normality, and the Struggle for Congruence James P Anglin,2014-02-25 Learn what children living in group homes need most Pain Normality

and the Struggle for Congruence Reinterpreting Residential Care for Children and Youth presents the results of a 14 month study of 10 staffed group homes in British Columbia The book uses grounded theory to construct a theoretical model that speaks to the primary challenge care workers face each day responding to pain and pain based behavior in residents It combines participant observations transcribed interviews and document analysis to develop a core theme of congruence several major psychosocial processes and 11 interactional dynamics identified as being fundamental to group home life The study brings to light several neglected aspects of residential care and proposes new directions in policy development education practice and research to create an integrated and accessible framework for understanding group home life for youths Pain Normality and the Struggle for Congruence Reinterpreting Residential Care for Children and Youth is a full and rigorous examination of the theoretical and empirical underpinnings of residential group care The study conducted during a time of heightened sensitivity to the rights of children and increased emphasis on accountability and outcome measurement reveals a core theme of congruence focusing on consistency reciprocity and coherence The book examines the major elements of this theme including creating an extra familial living environment developing a sense of normality listening and responding with respect establishing a structure routine and expectations offering emotional and developmental support respecting personal space and time discovering potential communicating a framework for understanding and much more Pain Normality and the Struggle for Congruence Reinterpreting Residential Care for Children and Youth provides professionals concerned with the development and treatment of children and young people with a unique understanding of group home life and work From the Foreword by Dr Barney Glaser I am honored and delighted to be asked by Jim Anglin to write the foreword to this grounded theory text The purpose of this grounded theory is to construct a theoretical framework that would explain and account for well functioning staffed group homes for young people that in turn could serve as a basis for improved practice policy development education and training research and evaluation THE READER WILL SEE THAT ANGLIN HAS ACHIEVED HIS GOAL WITH ADMIRABLE SUCCESS HIS GROUNDED THEORY TRULY MAKES A SCHOLARLY CONTRIBUTION TO THE LITERATURE *In Care and After* Elaine Chase, Antonia Simon, Sonia Jackson, 2013-05-13 Based on research from the Thomas Coram Research Unit the contributors to this text look at the views and experiences of young people and provide an encouraging outlook of what those in care have the potential to achieve Those factors that help to result in more successful outcomes are identified and policy recommendations are made for enabling young people in and leaving care to triumph when the odds are stacked against them *In Care and After* adds a new dimension to the current literature on local authority care of young people and children Those working within the fields of social care health and education as well as students on social work courses will find this essential reading and a welcome addition 30 Years of Change for Children Gillian Pugh, 1993-01-01 How well have children fared in the UK in the thirty years since the National Children s Bureau was established in 1963 How has family life changed What have been the main social and demographic

changes Has the welfare state continued to provide education health care and social welfare for all children These and other questions are considered as the authors reflect on the main changes in legislation on key messages from research and on whether developments in practice have reflected these research findings

Effective Schooling for Pupils with Emotional and Behavioural Difficulties John Visser, 2013-10-23 First Published in 1998 Increasing pressure and new demands on LEAs schools and their staff have led to an overall reduction in the number of special schools for children with EBD and a questioning of their place within the range of provision for these pupils Recent attention has also been drawn by HMCI to the number of these schools which have failed to pass the OFSTED inspection process This book is based on a national examination of special schools providing for pupils with EBD The authors identify factors associated with good practice and offer advice on how schools can become more effective in providing for the country's most troubled and challenging pupils They also highlight aspects of successful provision which can be applied in mainstream schools and pupil referral units

The Routledge International Encyclopedia of Education Gary McCulloch, David Crook, 2013-11-26 The Routledge International Encyclopedia of Education is a unique and major resource for the field of education It is a comprehensive single volume work arranged alphabetically and comprising around 600 entries The entries range from definitions of key educational concepts and terms to biographies of key educators and specially written substantial essays on major educational topics The volume includes authoritative and critical commentary on historical and contemporary themes examinations of continuities changes and emerging issues and discussions of the educational traditions and features of major countries and continents The following special features are also included Unrivalled coverage of education in a single volume Entries by leading international educational researchers Contributors drawn from all over the globe including Australia Brazil Canada China Finland India Israel Japan New Zealand South Africa the United Kingdom and the United States A distinguished international advisory board Fully cross referenced and indexed Suggestions for further reading Offering insight into the world of education in an interesting informed and sometimes provocative way The Routledge International Encyclopedia of Education is an invaluable work of reference for educators students researchers and policy makers in education and related fields internationally

Quality Social Work Robert Adams, 1998-11-11 This book offers a practical approach to maximising quality in social work that is based on developing a working culture that empowers key stakeholders in the delivery of services whether these are managers practitioners service users or carers Aiming to transcend the constraints on professionalism imposed by managerialism and the contract culture it provides a critical appraisal of the main approaches to quality assurance and analyses these in detail in relation to child care community care mental health and criminal justice

Helfer der Armen - Hüter der Öffentlichkeit / Guardians of the Poor - Custodians of the Public Sabine Hering, Berteke Waaldijk, 2006-03-27 The bi lingual book describes the results of case studies about the history of social work in Eastern Europe between 1900 and 1960 in eight countries Bulgaria Croatia Hungary Latvia Poland Romania

Russia and Slovenia In diesem zweisprachigen Buch geht es um die Zusammenfassung der Ergebnisse eines Forschungsprojekts über die Geschichte der Sozialen Arbeit in Osteuropa in den Jahren zwischen 1900 und 1960 an dem acht Länder beteiligt waren Bulgarien Kroatien Lettland Polen Rumänien Russland Slowenien und Ungarn *Resources in Education*, 1999

Residential Care of Children Mark E. Courtney, Dorota Iwaniec, 2009-03-25 Residential Care of Children fills major gaps in knowledge about residential care of children and is sure to inform ongoing debates within and between nations about the appropriate use of such institutions Each case study chapter provides a rich description of the development current status and future of residential care in countries from Brazil to Botswana Chapters describe how residential care is defined in the country in question how it has evolved over time including its history trends over time and any landmark events in the history of residential care Authors examine factors historical political economic ideological and cultural that have contributed to the observed pattern of development of residential care and provide a description of the current state of residential care number of children in care ages average length of stay reasons that children youth are placed in residential care etc Lastly each case study describes expected future directions for residential care and potential concerns Two integrative chapters provide a critical cross national perspective identifying common themes analyzing underlying factors and speculating about the future of residential child care across the globe This insight filled book will be required reading for all child welfare scholars particularly as international perspectives become increasingly emphasized

The Art and Science of Child Care M. J. Colton, 1995 This is a study of the art and science of child care as it is carried out in the European Union It covers policy making and research the behaviour and attainment of children in care and the effectiveness of various types of child care both residential and non residential

Residential Child Care An International Reader Introduction

In the digital age, access to information has become easier than ever before. The ability to download Residential Child Care An International Reader has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Residential Child Care An International Reader has opened up a world of possibilities. Downloading Residential Child Care An International Reader provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Residential Child Care An International Reader has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Residential Child Care An International Reader. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Residential Child Care An International Reader. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Residential Child Care An International Reader, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Residential Child Care An International

Reader has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Residential Child Care An International Reader Books

1. Where can I buy Residential Child Care An International Reader books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
