Romans Unlocked Power To Deliver:

Romans Unlocked Rene Lopez, 2005-02-01 The author has produced a much needed and wonderfully written commentary on this key book of the New Testament I heartily recommend this new work Joseph C Dillow Ph D P 4 of cover **One Gospel** Nathan N. Hoff, 2023-12-18 Is faith in Messiah necessary to the content of saving faith in the Old Testament as it is in the New While the dispensational tradition has been clear that salvation in every age includes a common object God a common basis Christ s death and a common requirement faith it has not always agreed on the content of saving faith across the testaments Written within the dispensational tradition *One Gospel* seeks to advance the discussion by looking at Paul s use of the Abraham story in Romans 4 This work contends there is continuity between the Old Testament and the New as illustrated by Abraham and Paul The content of saving faith must always include faith in Messiah who in the progress of revelation is identified as Jesus Christ *Romans and the Mission of God* Mark J. Keown, 2021-12-23 Romans is a missional document Yet strangely while many recognize the missional aspects of Romans few monographs are totally devoted to unpacking Romans from a missional perspective *Romans and the Mission of God* does this very thing Part one explores the background of the letter with an eye to positioning Romans in the story of the mission of God the apostle the Roman world and the early church Part two considers how Romans is a contextually shaped presentation of the gospel A range of other aspects of the way in which Paul shapes his message for the Romans are explored including salvation history metaphors and rhetorical techniques and aspects of the letter including elements opposed to God salvation ideas human response ethics and Christian living and the eschaton Part three delves into issues that arise in Romans that are important for contemporary mission These include such things as the cosmic scope of the mission the gospel as the power of salvation who does evangelism the miraculous social justice ecology social transformation generosity and hospitality God s sovereignty and human volition prayer the State culture Israel apologetics and theological thinking This is a must read for those serious about Paul Romans and God s mission *Faith in Jesus* Edwin Aaron Ediger, 2012-10-11 What is the biblical gospel Do the scriptures give us a clear picture of what God requires or doesn t for salvation There is only one way to obtain salvation and the language context and logic of all of the Bible s authors demonstrate precisely what the authentic gospel message is The gospel must be clearly understood in order to tell others the good news of salvation Some have either added to or subtracted from the gospel thereby rendering it confusing misleading or ineffective The Word of God emphasizes the one true way of salvation from cover to cover No Bible student pastor teacher or Christian leader should be without this careful incisive and revealing analysis of the precision and clarity of the biblical language that unfolds the good news about Jesus Christ The reader is invited on a biblical journey with the original writers as they identify Jesus who gives eternal life to those who put their trust in Him *Biblical Leadership* Benjamin K. Forrest, Chet Roden, 2017-11-28 Biblical Leadership takes the best of evangelical scholarship to make the leadership lessons of Scripture tangible for today s readers All contributors are biblical

scholars who not only think seriously about the texts covered in their individual chapters but have committed their lives to teaching and living the truths therein This volume walks through the sections of the Bible gleanings from each biblical writer Every chapter analyzes the original setting of the writing extrapolates the leadership principles in the text and provides advice on applying that theology of leadership Presented in everyday language understandable to both professionals and practitioners these lessons will equip current and upcoming leaders to make a Christlike impact

The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith

Biblical Leadership Development Stuart W. Boyer, 2018-11-16 This book examines the principles and procedures implemented by Moses for developing leaders Using Exodus 18 as the basis the author explores how leadership skills are best developed in small group settings The author then delves into contemporary leadership principles such as authentic leadership and how organizations can develop leaders at every level of the organization Issues such as accountability ethics and trust will be discussed at length with an examination of the expected outcomes of training leaders at all levels This book will be a valuable addition to the leadership literature in showing how biblical leadership principles can be used in contemporary organizations

Unlocking the Bible Story: Old Testament Volume 1 Colin S. Smith, 2016-12-01 For all who are wondering how the pieces fit into the jigsaw of God's revelation Colin Smith has provided an answer which is refreshingly simple biblically accurate and will prove phenomenally helpful to the serious Bible student and the new beginner alike Alistair Begg senior pastor Parkside Church In Unlocking the Bible Story Colin Smith moves gradually through portions of the Bible to explain how it all holds together He tells God's one grand story of salvation and reflects on major themes along the way In volume 1 he moves through the Pentateuch and Historical Books of the Old Testament which tell the story of God creating the world choosing a people for Himself and loving them despite their continued sin Includes the study guide formerly sold separately One of the most urgent needs in the church today is for a crisp and comprehensive knowledge of the Bible's storyline To grasp how the sacred history moves from Genesis to Revelation not only brings fresh insight into how the Bible hangs together and what each part contributes to the whole but also is crucial for developing a Christian worldview

Christ is the crux of the entire Bible story from the first page to the last. Volume 4 encourages and strengthens readers to discover the life-changing realities found in the New Testament.

Hollywood is Not Home: A Novel Annmarie M. Roberts, 2021-07-13 Would you trade fame for privacy? Movie star Maggie Malone has a glamorous lifestyle with everything money can buy except privacy. Hounded by the paparazzi and ridiculed for her faith, Maggie secretly struggles with severe anxiety and loneliness. All she desires is to be herself, a southern girl by birth, a ranch lover by heart. When an anonymous benefactor invites Maggie to participate in a secret project, will her hopelessness find a new direction? Or will she become another celebrity travesty? What if she discovers Hollywood is not home? Her faith, family, love, and future hang in the balance. Endorsements: I have long believed that if you can tell a great story, you earn the right to share your message, and the best life lessons come from the best stories. Within these pages, you are going to take a journey with Annmarie and discover a lot about her, but even more, you are going to discover who you are and who you are meant to be. Jim Stovall, Best-selling author, *The Ultimate Gift*. *Hollywood Is Not Home* is a gift. The ease of digesting the content is remarkable. I haven't felt so close to a story's characters. Their developing is so subtle and down to earth. I begged for more. Projecting the outcome of this story was impossible, waiting for the surprises of which there are many. Annmarie's approach to Southernism rings soft and true. One can hear the gentle South and feel the dynamics of a family and community who love each other. A story well written. I look forward to the sequel. Gale B. Crawford, Award-Winning Woman Leader in Business, Keynote Speaker and Seminar Leader for Women's Issues, Retired Board Member of Financial and Educational Institutions. It is easy to say that we would never be Maggie, but how can we know if our Christian roots are deep enough until something begins to tear us from them? Roberts gives us plenty of reason to ponder on what it means to be true to oneself, to one's values, and most importantly, to one's Lord. Dr. Tom LeGrand, University Chaplain and Professor.

Joy In the War Daniel Pierce, Amber Pierce, 2021-05-04 If you don't have joy, you won't have the strength to overcome. This book will help you better understand how, even in the midst of crisis and chaos, God wants to use joy as a weapon to tear down the attacks of the enemy and give you the spiritual bandwidth to overcome. *Joy in the War* is a unique book about finding joy in the midst of devastating events, including those happening in America and around the world. The Lord desires that His children know He is a covenant God. When we choose to align with His purposes, even the conflict and warfare surrounding us cannot stop His joy from manifesting and releasing a strength and purpose that empowers us to triumph. We can learn not to fear war or impending doom as we realize that overcoming joy can be our portion, even in times of hardship. These lessons from Daniel and Amber Pierce, part of the legacy family of Chuck Pierce, have been walked out over the past decade as they have lived in the Land of Israel, a place where war is a constant threat and lessons for America and the church can be gleaned.
