common fears in the galaxy and piloted by the biggest bad assess the Alliance could find Now they re needed once more and Commander Blayse Vides has filled the terror weapons with the only men he can trust to do the job a dozen clones of himself Along with The Oncilla their job is to get Ambassador Decote and his family off of Mirada before the planet joins the enemy empire It s the clones first mission as a team and it s not going to be easy They all hate each other **The Clones** Gloria Skurzynski,2007-05-03 Clones are supposed to be identical aren t they Corgan hero of the Virtual War has been living a blissful if placid life on the Isles of Hiva his reward for winning the War with Sharla and Brig But what he doesn t know is that Brig died soon after the War and yet is not truly gone Sharla had saved some of Brig s DNA and has created clone twins with it Corgan s world is disrupted when Sharla brings one of the clone twins Seabrig to him to raise on the island while she keeps the other Brigand with her in the Domed City However when circumstances force Sharla to bring Brigand to the island they find that while the boys may look identical their temperaments are not Brigand is haughty willful power hungry and despises Corgan because of his relationship with Sharla And as a result of the cloning process both boys are growing at an astonishing rate In what may or may not have been an accident with his clone twin Seabrig is badly injured and must be airlifted from the island to receive medical treatment in the Domed City This leaves Corgan alone with an increasingly dangerous and unstable Brigand who is now his size and looking to get rid of Corgan once and for all A gripping sequel to Virtual War that could be ripped straight from the headlines in eighty years *The Clone Betrayal* Steven L. Kent,2009-10-27 Earth 2516 A D The Unified Authority spread human colonies across the six arms of the Milky Way Galaxy ruling with an iron fist and a powerful military made up almost entirely of clones Then the alien Avatari invaded and when the fighting was over the U A retained control over only two planets Earth and New Copenhagen Like the thousands of clones born before him Lt Wayson Harris was born and bred as the ultimate soldier But he is unique possessing independence of thought and an addiction to the rage of battle So when he and other clone survivors of the New Copenhagen debacle are sent to cool their heels in an isolated relocation camp Harris feels on edge And with good reason The military brass are looking for someone to blame for the decimation of the U A republic And who better to scapegoat than those who were born to be sacrificed But Lt Harris is about to respectfully disagree with all the firepower he can muster **The Clone Republic** ,2006
