Send No More Roses Also Titled The Siege Of Villa Lipp:

Send No More Roses Eric Ambler, 2023-10-03 A battle of criminal minds leads to deadly attacks in the Gold Dagger Award winning author's thriller of cerebral twists and sophisticated wit. Time In the parlance of criminology an Able Criminal is one who flies below the radar of crime syndicates and law enforcement alike. Employing no discernable pattern or method he is virtually uncatchable but that won't stop criminologist Frits Krom from trying. Krom believes that Paul Firman the director of an ostensibly legitimate international investment firm is a textbook Able Criminal. Surprisingly Firman has agreed to an interview with Krom at his secluded villa on the French Riviera. But amid their barbed exchanges it becomes clear that the host and his guest are under siege by a third party one whose motives and violent intentions are unclear. Now criminal and criminologist will have to join forces in order to survive. Send No More Roses was previously published under the title The Siege of the Villa Lipp.

The Siege of the Villa Lipp Eric Ambler, 2012-12-11 The Able Criminal as defined by noted criminologist Frits Krom strikes with no discernible pattern or method and flies below the radar of crime syndicates and law enforcement agencies alike. He is virtually uncatchable but Krom is willing to try. He knows that Paul Firman the director of an ostensibly legitimate international investment firm is in fact an expert in tax avoidance and a textbook Able Criminal. Surprisingly Firman agrees to submit to an interview with Krom and his two colleagues at his secluded villa on the French Riviera. He's more than a little curious about what they really want from him and confident he can avoid implicating himself. But it soon becomes evident that the host and his guests are under siege by a third party one whose motives and violent intentions are unclear. If they are to survive the criminal and the criminologists will have to band together. The Siege of the Villa Lipp is a classic Eric Ambler tale of suspense in which a man thrust into a high stakes situation far outside of his usual expertise finds himself at the mercy of forces beyond his control.

Ocular Proof and the Spectacled Detective in British Crime Fiction Lisa Hopkins, 2023-05-31 From Sherlock Holmes onwards fictional detectives use lenses. *Ocular Proof and the Spectacled Detective in British Crime Fiction* argues that these visual aids are metaphors for ways of seeing and that they help us to understand not only individual detectives methods but also the kinds of cultural work detective fiction may do. It is sometimes regarded as a socially conservative form and certainly the enduring popularity of Golden Age writers such as Christie Sayers Allingham and Marsh implies a strong element of nostalgia in the appeal of the genre. The emphasis on visual aids however suggests that solving crime is not a simple matter of uncovering truth but a complex sophisticated and inherently subjective process and thus challenges any sense of comforting certainties. Moreover

the value of eye witness testimony is often troubled in detective fiction by use of the phrase the ocular proof whose origin in Shakespeare's Othello reminds us that Othello is manipulated by Iago into misinterpreting what he sees The act of seeing thus comes to seem ideological and provisional and Lisa Hopkins argues that the kind of visual aid selected by each detective is an index of his particular propensities and biases

Eric Ambler Peter Elfed Lewis,1990 Eric Ambler is widely regarded as one of the most important thriller writers of the twentieth century In the 1930s he set out to give respectability to a genre that he rightly recognized to be in desperate need from its status as pulp fiction With six novels published between 1936 and 1940 Ambler laid the foundations for the postwar generation of writers who have raised the spy novel to a form of literature Like Graham Greene Ambler has used thriller ingredients to create a series of novels that investigates many aspects of modern life from totalitarian political regimes to white collar crime This book by Edgar Allan Poe Award winning author Peter Lewis is the first full length study of Ambler's life and work In it we get to the heart of the grand master of intrigue through insightful discussions of such popular novels as Epitaph for a Spy A Coffin for Dimitrios The Light of Day on which the well known film Topkapi is based and The Siege of the Villa Lipp among many others Through a book by book explication of Ambler's major themes and methods we come to see how his work has changed while remaining always topical As this book cogently argues no novelist has done more to dissolve the boundaries that have separated popular from serious fiction
