Sensei And His People:

Sensei and His People Yoshie Sugihara, David W. Plath, 2022-08-19 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1969 *Sensei and His People* Yoshie Sugihara, 1969 **They Sought a Country** Harry Leonard Sawatzky, 1971 Sensei's Mail-Order Food: The Complete BL Manga Collection Yuuri Eda, Asumiko Nakamura, 2025-10-14 When erotic novelist Enomura Haruka and shojo artist Nakata Miruku are brought together by their publisher to collaborate on a new manga it seems like a perfect match until the two meet in person and realize just how different they are Haruka is a bit of a sadist with a cool guy personality and he immediately clashes with Miruku who's something of a masochist and doesn't match his bright shojo style at all There's one thing the two have in common however their love of gourmet food especially the mail order variety Can their passion for amazing food bridge the gap between them Or could food be the catalyst that causes their passions to boil over Includes reviews of real gourmet food items from Japan *The Complete Guide to Reiki, Vol. I* Jeffery A. Martin, 2011 **One-Straw Revolutionary** Larry Korn, 2015-08-21 One Straw Revolutionary represents the first commentary on the work of the late Japanese farmer and philosopher Masanobu Fukuoka 1913-2008 widely considered to be natural farming's most influential practitioner Mr Fukuoka is perhaps most known for his bestselling book *The One Straw Revolution* 1978 a manifesto on the importance of no till agriculture which was at the time of publication a radical challenge to the global systems that supply the world's food and still inspires readers today Larry Korn who apprenticed with Mr Fukuoka in Japan at the time translated the manuscript and brought it to the United States knowing it would change the conversation about food forever *The One Straw Revolution* edited by Korn and Wendell Berry was an immediate international success and established Mr Fukuoka as a leading voice in the fight against conventional industrial agriculture In this new book through his own personal narrative Larry Korn distills his experience of more than thirty five years of study with Mr Fukuoka living and working on his farm on Shikoku Island and traveling with Mr Fukuoka to the United States on two six week visits *One Straw Revolutionary* is the first book to look deeply at natural farming and intimately discuss the philosophy and work of Mr Fukuoka In addition to giving his personal thoughts about natural farming Korn broadens the discussion by pointing out natural farming's kinship with the ways of indigenous cultures and traditional Japanese farming At the same time he clearly distinguishes natural farming from other forms of agriculture including scientific and organic agriculture and permaculture Korn also clarifies commonly held misconceptions about natural farming in ways Western readers can readily understand And he explains how natural farming can be used practically in areas other than agriculture including personal growth and development The book follows the author on his travels from one back to the land commune to another in the countryside of 1970s Japan a journey

that eventually led him to Mr Fukuoka's natural farm. Korn's description of his time there as well as traveling with Mr Fukuoka during his visits to the United States offers a rare inside look at Mr Fukuoka's life. Readers will delight in this personal insight into one of the world's leading agricultural thinkers. A profound sharing of the essential philosophy of natural farming translated through the friendship between Larry Korn and Masanobu Fukuoka. It offers wise insights into authentic practices that honor the community of all life. Katrina Blair author of *The Wild Wisdom of Weeds* **The Swordmaster's Apprentice** Edward Burke, 2012-09-28 Turning his back on the excesses of London in the boom, Edward Burke sets off on a year-long journey of self-discovery to learn from some of the greatest masters of martial arts. His search for growth through the fighting arts will take him to the academy of Bruce Lee's most famous student, a traditional dojo in Japan, ancient Buddhist temples, and a scorching capoeira roda in Brazil. But his greatest challenge will be to live as a student of the legendary Chiba Sensei, Japanese swordsman, Zen monk, and master of aikido. Far from the rarefied world of high finance, he soon finds himself scrubbing the floors of Chiba Sensei's dojo, bruised, scared, and exhausted from long days of punishing training. But in the intensity of the training and the formidable presence of his fearsome, charismatic master, there may just be something which will make this odd pilgrimage worthwhile. Told with a wry humour woven with insights and populated with colourful characters, this is the joyful tale of a year of pain, suffering, and menial labour undertaken for the love of movement and the privilege of learning from the masters.

Studying Buddhism in Practice John S. Harding, 2013-06-17 This book introduces the rich realities of the Buddhist tradition and the academic approaches through which they are studied. Based on personal experiences of Buddhism on the ground, it provides a reflective context within which religious practices can be understood and appreciated. The engaging narratives cover a broad range of Buddhist countries and traditions, drawing on fieldwork to explore topics such as ordination, pilgrimage, funerals, gender roles, and film making. All the entries provide valuable contextual discussion and are accompanied by photographs and suggestions for further reading.

Political Authority and Provincial Identity in Thailand Yoshinori Nishizaki, 2018-08-06 The powerful Thai politician Banharn Silpaarcha has been disparaged as a corrupt operator who for years channeled excessive state funds into developing his own rural province. This book reinterprets Banharn's career and offers a detailed portrait of the voters who support him. Relying on extensive interviews, the author shows how Banharn's constituents have developed a strong provincial identity based on their pride in his advancement of their province, Suphanburi, which many now call 'Banharn Buri', the place of Banharn. Yoshinori Nishizaki's analysis challenges simplistic perceptions of rural Thai voters and raises vital questions about contemporary democracy in Thailand. Yoshinori Nishizaki's close and thorough examination of the numerous public construction projects sponsored and even personally funded by Banharn clearly illustrates this politician's canny abilities and tireless, meticulous oversight of his domain. Banharn's constituents are aware that Suphanburi was long considered a backward province by other Thais; notably, the Bangkok elite Suphanburians hold the neglectful central government responsible for their province's

former sorry condition and humiliating reputation Banharn has successfully identified himself as the antithesis to the inefficient central state by promoting rapid development and advertising his own role in that development through well publicized donations public ceremonies and visits to the sites of new buildings and highways Much standard literature on rural politics and society in Thailand and other democratizing countries in Southeast Asia would categorize this politician as a typical strongman the boss of a semiviolent patronage network that squeezes votes out of the people That standard analysis would utterly fail to recognize and understand the grassroots realities of Suphanburi that Nishizaki has captured in his study This compassionate well grounded analysis challenges simplistic perceptions of rural Thai voters and raises vital questions about contemporary democracy in Thailand

Aikido: O-Sensei's Sublime Synthesis, Vol. 2 Michael DeMarco, M.A., 2016-03-13 How can we fully understand aikido or any other martial art for that matter when we have only been exposed to part of it While learning about the art we can easily make assumptions and be tricked by false impressions In most cases even instructors do not have enough background to grasp the entirety of the art and are happy to work with part of it The content in this special two volume anthology details the many facets of aikido as it was formulated by Morihei Ueshiba 1883 1969 O Sensei the great teacher Each chapter contributes to a piece of the aikido puzzle by providing historical details insightful technical drills bare handed and with weapons and components that have flavored this art with a spiritual essence From the Ueshiba wellspring flows a number of streams political splinter groups offering their own take on what aikido should be and how it should be practiced Each branch may stand on its own but a good number of scholars and practitioners prefer a more encompassing representation of what O Sensei taught So chapters in these volumes help put Humpty Dumpty back together again Volume I includes ten chapters and volume II another fourteen The authors twenty three in all present superb credentials as scholars and practitioners of aikido On the academic side you ll find chapters that detail aikido s philosophy from ethical relationships and practical theory to the subtle spiritual dimension A few authors highlight the circumstances regarding the transmission of aikido from teacher to student Some authors show how culture influences the perception and understanding of aikido when it travels outside Japan Aikido is often practiced as a system of body movement encompassing a philosophy of peace and harmony Others may focus on learning the art for its effective methods of self defense Composed of material previously published in the Journal of Asian Martial Arts this two volume anthology is heavy on the technical aspects of aikido that both teachers and students would benefit by reading Training methods are discussed in detail supported by hundreds of illustrations of attack and defense Whatever your primary interest is in aikido Aikido O Sensei s Sublime Synthesis will prove to be a great reference for the scholar and practitioner We hope this convenient collection of quality material dealing with Morihei Ueshiba s martial discipline will benefit your research and inspire the practice of this elegant art

Nowaki Soseki Natsume, Sôseki Natsume, 2016-02-02 Shirai D ya is a man of letters a man of principles His principles sometimes stand in the way of his teaching career but his writing allows him to

openly address today's youth with stern conviction although he is still unable to make a comfortable living from his writing. Two youths in particular show interest in his ideas: the tubercular impoverished Takayanagi, an aspiring writer himself and former student of Dya's, as it turns out, and his rich friend the dandy Nakano. The lives and minds of the three men come together in ways that are both commonplace and surprising. The setting, mainly Tokyo of one hundred years ago, and the preoccupations of these characters will appear distinctly familiar even today. *Ikeda Sensei's 95 Years* Daisaku Ikeda, 2025-01-28 By taking on Josei Toda's vision as his own, Daisaku Ikeda Sensei tapped into his limitless potential. In *Ikeda Sensei's 95 Years*, you'll learn of his contributions to creating a harmonious world fostering friendship among nations, spreading Nichiren Buddhism around the globe, and encouraging young people to stand up to fulfill their unique missions. But even more important, you'll be inspired to discover your own power to make a difference. **This is Reiki** Frank Arjava Petter, 2012-10-16 This is the very first title containing all available knowledge about the origins and history of traditional Reiki. Designed as a reference manual for teachers and trainers, it presents at the same time a comprehensive and practical introduction to Reiki. [Japan And Things Japanese](#) Mock Joya, 2017-07-12 First published in 2006, for over fifty years the Japanese-born Western-trained author of this remarkable volume devoted himself to explaining Japanese traditions and customs to foreigners through his newspaper columns, talks, and four short books. The comprehensive work presented here, drawn from all these sources, deals with all aspects of Japanese life and material culture: apparel and utensils, cures and medicines, houses and buildings, fetes and festivals, fish, birds, and animals, folk tales, food, sake, and tobacco, living habits, marriage, funerals, and memorials, natural phenomena, plants and flowers, popular beliefs and traditions, recreation, and entertainment, religious rites, and social customs. With over seven hundred and thirty separate entries, this unique volume is the definitive work on all Japanese things. **Black Belt**, 1979-03 The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world, including techniques and strategies. In addition, *Black Belt* produces and markets over 75 martial arts-oriented books and videos, including many about the works of Bruce Lee, the best-known martial arts figure in the world. **The Hidden Power of Aikido** Susan Perry, 2024-04-02 Explains Aikido solutions for peacefully resolving difficulties that arise with intimidating and unpredictable people, those who are stubborn or don't listen, insincere people who want something from you, and chaotic situations. Presents Aikido's step-by-step protocol for developing the receptiveness of the beginner's mind and deescalating potentially violent or dangerous situations. Shares stories of how Aikido helped the author transform interpersonal difficulties into peaceful interactions. Illuminating the inner philosophical and practical aspects of Aikido. 47-year Aikido practitioner and 6th degree black belt, Susan Perry, Ph.D., uses personal stories of joy, achievement, and hardship to demonstrate real-life applications of the transformational principles of Aikido. She introduces the origins and techniques of Aikido, providing a brief biography of its founder, Morihei Ueshiba, O Sensei, and

compares his philosophy with that of Aristotle She explains in detail how Aikido helped her resolve difficulties at work as a student and as a teacher sensei Through each story shared the author offers a glimpse of the beginner s mind a state essential to personal transformation and also the key to transforming conflict into a peaceful interaction Perry also shows how the tools of Aikido the sword bokken and jo not only help correct posture but also are symbols cutting through darkness revealing the truth of reality She discusses the importance of experiencing the beautiful qualities of the mountain forests which calm and cleanse the spirit And she explains how a deepening practice of this martial art leads to an aiki state of sincerity inner peace and boundless joy Revealing how Aikido can help you face your fears and develop your heart and soul this book shows how this martial art can help you embrace change cultivate a strong center and ultimately live a joyful life of engagement with the world

Makiguchi and Gandhi Namrata Sharma,2008-08-28 Makiguchi and Gandhi explores ideas about Japanese educator Tsunesaburo Makiguchi 1871 1944 and Indian political leader Mahatma Gandhi 1869 1948 as examples of inspiration for large mass movements in the 20th century Based on research done in Japan India Hawai i and the United Kingdom this book breaks new ground by examining and theorizing the fate of dissident thinkers and raises the question often asked by both Gandhian and Soka scholars alike were they truly radical thinkers

Karate Story - Thirty Years in the Making Seamus O'Dowd,2016-02-15 The autobiography of international karate instructor Seamus O Dowd The book chronicles his journey over a period of thirty years from complete novice to high ranking and respected international instructor Simple humorous and heart warming the book will inspire and entertain martial artists of all levels

Gathering Tempest Eric O'Connor,2015-04-23 The Nephilim born from a forbidden union between fallen angels and human women were an abomination to God They were gigantic immensely strong and very war like Nephilim is a trilogy a story of redemption In book two Ray Bennett travels to Dallas a city from his recurring nightmares with his old football buddy Charles Mason who managed to become one of the worlds most powerful men since he last saw him Charles attempts to treat Ray to a weekend of excitement and debauchery but Rays thoughts keep returning to the woman and little boy he met and mysteriously fell in love with the day before Violence in Dallas and around the world are escalating quickly The Nephilim travels to Dallas to prepare for a ritual to open a doorway to hell and release Satan Ray meets a strange old man traveling with a young couple This man tells Ray his friend is more than who he says he is and that his nightmares are visions preparing him for battle He has been chosen by God as a warrior to stand against a half demon giant who walked the earth in biblical days

A Savitri Dictionary Rand Hicks, Sri M P Pandit said of this work Readers will be grateful to Rand Hicks for his labour of love in compiling these words in Savitri used in a special sense and presenting them dictionary wise to facilitate easy reference He has also added words that are likely to hold up a reader with an average knowledge of English The standard format used by Rand in this work is to set forth the word in alphabetica order provide a reference for where in the text it appears book canto line and then to provide the definition within the context of the text Rand Hicks is the guiding light at the Integral Knowledge

Study Center in Pensacola Florida In his own quiet and persistent way he provides an atmosphere of dedication and focus that uplifts those who come in contact with him He recognized the need to aid those reading Sri Aurobindo s Savitri A Legend and a Symbol to enter into the precise and subtle uses of language that Sri Aurobindo employs and to that end he developed a dictionary format with these terms defined briefly

Ignite the flame of optimism with Crafted by is motivational masterpiece, Fuel Your Spirit with **Sensei And His People** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
