Sergeants Tale:

The Sergeants' Tale Bernice Rubens, 2003 1947 One year before the Israeli War of Independence and Palestine is still under the British Mandate However young Israelis are flocking to the leadership of Menachim Begin and his Irgun terrorist movement in an attempt to overthrow their rulers Two British sergeants are kidnapped by the Irgun They will be executed unless there is a widespread amnesty for the Irgun freedom fighters and so begins a hunt throughout Jerusalem Tel Aviv and the whole of Palestine to find and liberate the two innocent young men Based on a true story THE SERGEANTS TALE illuminates an historical episode and also has enormous contemporary poignancy The Radical Soldier's Tale Carolyn Steedman, 2016-07-01 First published in 1988 The Radical Soldier's Tale is both an introduction to and a transcript of his Memoirs written after his retirement in 1881 In this autobiography he presents his life as a soldier during the Sikh Wars his life as a policeman and the ideologies which divided people from each other in the societies he had known and read about Carolyn Steedman introduces the Memoirs by placing the document in its textual context as well as the context of history and politics and shows how it directs fascinating light on popular political thought in the mid Victorian years In her introduction she looks closely at the kind of narratives people have access to in different social circumstances and the stories they tell themselves to explain who they are This book will be of particular interest to students of Victorian history and politics

Tales of the Jacobite Grenadiers Gavin Wood, 2016-10-21 November 1745 After victory at the Battle of Gladsmuir Charles Edward Stuart rules Scotland as prince regent Across the border in England the regiments of King George are massing intent on dislodging the prince from his throne in Edinburgh The newly formed army of Scottish Jacobites take the initiative in the war They invade England To disguise their lack of numbers and ensure surprise the prince s army marches through the border hills in three fast moving columns Lord Kilmarnock s regiment of horse grenadiers are ordered to carry out the cavalry duties that the gentlemen regiments will not undertake They find themselves escorting the baggage and artillery train through hostile country If they cannot rendezvous with the Jacobite army as planned the prince will have no capacity to fight the coming campaign Lord Kilmarnock has only a hundred and fifty horsemen for the task at hand It is not enough What ignoble wickedness is this Patrick pointed the muzzle of his piece towards the sack of caltrops by the ford It is the wickedness of war It is the madness of folly Patrick thrust his smoking carbine into its holster He drew out his rapier and held the blade low A soldier should fight with honor Fight with honor Is that why your gallant prince declines battle and flees into the mountains Veres Ulster accent was heavy with contempt The two men faced each other a pistol shot apart The grey gelding flared its

nostrils and stamped its foot on the road Patrick placed his hand on the animals neck to calm its keenness Aye we are retreating true enough But before we depart I will see that the crows gorge themselves on your flesh Test your mettle if you have the courage The Irishman brandished his musket in the air causing sunlight to glint off the steel of the bayonet But before you face my fury prepare yourself first to face the wrath of God There is surely enough room in hell for the both of us

The Petorik Thesis and Tales of the Global West W. Jack Savage, 2011-08-09 From an Embassy in Europe to an Industrial Park in Suburban Los Angeles The Petorik Thesis and Tales of The Global West resembles a ledger where the checks and balances agree to disagree In this his second short story collection W Jack Savage chronicles a beautiful womans quirky obsessions that leave a trail of regretful lovers a writers disappointment at never being as important as what he writes and a unseen witness to a

murder comes forward to do the right thing But the witness and the right thing are subjective as even Einstein observed there is no darkness only the absence of light By that reasoning a storyteller knows to never underestimate the power of the story or the desire of those in power to believe it for their own purposes The door it opens swings both ways The Petorik Thesis and Tales of the Global West is another of Savages exercises in unexpected redemption and forgotten kindnesses Where a taker of life is as likely to celebrate those who live it as anyone else and people Burt Harrison knows are getting murdered while eating yellow food In coming forward Burt becomes a person of interest **The Canterbury Tales** Geoffrey Chaucer, 2005-09-29 The most complete of all remaining surviving fragments sections of The Canterbury Tales the First Fragment contains some of Chaucer s most widely enjoyed work In The General Prologue Chaucer introduces his pilgrims through a set of speaking portraits drawn with a clarity that makes no attempt to conceal their peculiarities The four tales that follow those of the Knight Miller Reeve and Cook reveal a wide variety of human preoccupations whether chivalrous romantic or simply sexual Brilliantly bawdy and subtly complex each of these tales is alive with Chaucer s skills as a poet storyteller and creator of comedy G. The Jews in Britain R. Langham,2005-11-22 For nearly a thousand years there has been a Jewish presence in Britain Today the Jewish community although numbering less than 300 000 is widely seen as one of the most successful groups in Britain This unique book describes events in Britain concerning Jews in chronological order from ancient legend to the present times **Military Comedy Films** Hal Erickson,2012-08-02 Beginning with Charlie Chaplin s Shoulder Arms

released in America near the end of World War I the military comedy film has been one of Hollywood s most durable genres This generously illustrated history examines over 225 Army Navy and Marine related comedies produced between 1918 and 2009 including the abundance of laughspinners released during World War II in the wake of Abbott and Costello s

Jewish Identities in Contemporary Europe Andrea Reiter,Lucille Cairns,2017-10-02 Providing an assessment of Jewish identity this volume presents critical engagements with a number of Jewish writers and filmmakers from a variety of European countries including Austria France Germany Poland and the UK The novels and films discussed explore the meaning of being Jewish in Europe today and investigate the extent to which this experience is shaped by factors that lie outside the national context notably by the relationship to Israel As the recent attacks on Charlie Hebdo and the targeting of a Jewish supermarket in Paris demonstrate these questions are more pressing than ever and will challenge Jews as well as Jewish writers and intellectuals as they explore the answers This book was originally published as a special issue of *Jewish Culture and History* **Anglophone Jewish Literature** Axel Stähler,2007-09-14 Anglophone Jewish literature is not

traditionally numbered among the new literatures in English Rather Jewish literary production in English has conventionally been classified as hyphenated and has therefore not yet been subjected as such to the scrutiny of scholars of literary or cultural history The collection of essays addresses this lack and initiates the scholarly exploration of transnational and

transcultural Anglophone Jewish literature as one of the New English Literatures Without attempting to impose what would seem to be a misguided conceptual unity on the many faceted field of Anglophone Jewish literature the book is based on a plurality of theoretical frameworks Alert to the productive friction between these discourses which it aims to elicit it confronts Jewish literary studies with postcolonial studies cultural studies and other contemporary theoretical frameworks Featuring contributions from among the best known scholars in the fields of British and American Jewish literature including Bryan Cheyette and Emily Miller Budick this collection transcends borders of both nations and academic disciplines and takes into account cultural and historical affinities and differences of the Anglophone diaspora which have contributed to the formation and development of the English language segment of Jewish literature **Journeys from the Abyss** Antony Robin Jeremy Kushner, 2017 This is the first study to place Jewish refugee movements from Nazism into a wider framework of global forced migration from the late nineteenth through to the twenty first century
