Sermons From The Parables:

The Waiting Father Helmut Thielicke, 2015-03-26 The Waiting Father is a collection of sermons by Helmut Thielicke the great German preacher and theologian which offer deep insights into the spiritual message of Jesus's fifteen major parables. They were originally preached in Michaelskirche Hamburg in the mid 1950s. Thielicke approaches the parables in novel ways. In treating the prodigal son for instance he concentrates more on the loving father than the rebellious son emphasising the centrality of forgiveness. Similarly when discussing the pharisee and the publican he shows that the publican is guilty of spiritual pride and arrogance drawing attention to the dangers for the faithful. Both among expositions of the parables and among books for preachers *The Waiting Father* stands in a class of its own. Great scholars are usually poor preachers and great scholars are rarely good preachers but Thielicke manages to combine distinguished scholarship with fine preaching.

What are You Waiting For? Mark Trotter, 1992 Part of the Protestant Pulpit Exchange this book contains popular preaching material on 10 of Jesus' parables as found in the Gospel of Matthew. Trotter says that the single most important assumption for contemporary preaching on the parables is that parables are metaphors a means to see something we do not yet have the eyes to see. Parables ought to do for us what they did for those who first heard them. *Howard Thurman*

Speaking Parables David Buttrick, 2000-01-01 David Buttrick provides an introduction to the parables with a discussion of particular homiletical issues preachers face in interpreting parables. *Speaking Parables* includes commentary on thirty three different parables with suggestions for preaching each one. *Outlines on the Parables of Jesus (Sermon Outline Series)* Croft M. Pentz, 1980-07-01 Perfect for a preaching series on the parables Jesus told this handy book can also be used by Sunday school teachers and speakers. *The Parables of Jesus* Richard Gribble, 1998 Narrative or story preaching has called attention to Jesus' parables since many of those parables are stories. Is there a preacher especially one who uses the lectionary who does not preach on a parable from time to time? This book conducts an exegesis of scripture provides context for each passage suggests contemporary applications with questions that challenge and gives preachers sample openings for the composition of a sermon homily. Richard Gribble CSC the author of six books and over 100 articles is an assistant professor of history at Stonehill College in North Easton Massachusetts. He has earned degrees from the United States Naval Academy the University of Southern California and the Jesuit School of Theology at Berkeley. In 1995 he earned his Ph.D. from The Catholic University of America. A Roman Catholic priest Gribble served at St John Vianney Parish in Goodyear Arizona from 1988 through 1991. **Preaching the Parables** John R. Brokhoff, 1987-06 The parables of Jesus are timeless stories and with the current popularity of narrative preaching the parables are a familiar topic in the contemporary pulpit. But preaching on the parables is not as easy as it looks at first glance. Should we simply tell the parable in our own words and let

it stand on its own feet or is its lesson most effectively communicated by constructing a sermon around the central theme Or should the preacher spiritualize the parable by probing for allegorical meaning Master homiletician John Brokhoff aids preachers in answering these key questions with rigorous and enlightening background information on parables from Mark and John appearing in Cycle B of the Revised Common Lectionary He offers not only exegesis and interpretation for each passage but also rich material for sermon development suggested outlining approaches and preaching illustrations Parables included are The Doorkeeper Mark 13 32 37 The Good Shepherd John 10 11 18 The True Vine John 15 1 8 A Strong Man Mark 3 20 25 The Miracle Seed Mark 4 26 34 Bread To Eat John 6 35 41 51 Eat The Bread John 6 51 58 A popular preacher teacher and writer John R Brokhoff served as Professor of Homiletics at Candler School of Theology Emory University from 1965 to 1979 Prior to that he pastored Lutheran congregations in Virginia Georgia North Carolina and Pennsylvania Brokhoff is the recipient of the George Washington medal from the Freedom Foundation of Valley Forge Pennsylvania and is the author of many CSS titles including This You Can Believe and Pray Like Jesus The Parables Paul Simpson Duke, 2005 Another book on the parables Why Because Paul Duke hears possibilities for preaching the parables that the rest of us miss Duke makes preliminary observations sketches historical context pursues literary structure pauses over how details of the text would fall on the ears of ancient listeners and offers reflections for preaching This book would be an ideal basis for a sermon series BOOK JACKET Sketches of Sermons on the Parables and Miracles of Christ: the Essentials of Saving Religion, &c Jabez Burns, 1847 Classic Sermons on the Parables of Jesus, 1997 Jesus often taught His disciples and the multitudes by means of illustrative stories parables Warren W Wiersbe has selected eleven noteworthy sermons on the parables of Jesus from some of Christian history's most notable preachers **Preaching the Parables** Dallas A. Brauninger, 2004-06 Jesus used his parables to teach ordinary persons with ordinary quandaries yet because these simple stories contain universal truths that transcend time and culture they still provide us with powerful lessons Preaching the Parables provides a gold mine of background material on each of the fourteen parables appearing in Cycle A of the Revised Common Lectionary Dallas Brauninger brings a fresh imaginative approach to these familiar texts probing them to reveal what they tell us about God and inviting further reflection on what they mean for modern living Much more than just a sermon preparation resource Preaching the Parables explores questions like What dimension of the soul that needs tending does the parable address What is the parable's surprise What moves us into hope How does its point become obvious How do its characters relate to us today Brauninger identifies points of action examines significant terms and engages in imaginary exchanges with a variety of characters The complete text of each parable is also included along with an analysis highlighting similarities and differences in parallel passages Modeled on the format of Brauninger's popular Preaching the Miracles series each chapter includes five sections Text What's Happening Spadework Parallel Scripture Chat Room What a refreshingly helpful way to exegete the text The succinct but substantive Spadework Parallel Scripture and Chat Room sections provide

Parables of Jesus James Montgomery Boice, 1983 Some sections of the Bible give us grand theology Some move us to grateful responses to God But the parables break through mere words and make us ask whether there has indeed been any real difference in our lives In this beloved classic James Boice takes us systematically through the parables of Jesus grouping them into five categories parables of the kingdom salvation wisdom and folly the Christian life and judgment In each section Boice brings Jesus words to bear on life today Through his careful study and clear explanation of each parable born from a sermon series he preached at the Tenth Presbyterian Church in Philadelphia where he pastored for 32 years he helps us understand just what Jesus meant and how our hearts and lives ought to respond Jesus parables are memorable for a reason Discover their power for yourself Windows That Let in the Light: Sermons on the Parables Dallas C. Children Harry John Wilmot-Buxton, 1893 *Sermons on the Parables (Classic Reprint)* William Davidson, 2015-07-14

Excerpt from Sermons on the Parables The following sermons have been prepared for the press in accordance with the desire of the family and friends of the author All his manuscript sermons were placed in our hands in order that we might select the number requisite to make up the proposed volume We were led to select the discourses on the Parables mainly by what we knew of the Unfulfilled intentions of Dr Davidson himself A few years before his death he informed us that he intended to publish his discourses on the Parables and that he was then preparing them for the press Probably the failure of his health compelled him to abandon the undertaking The MSS however contain hints for the guidance of a publisher or editor showing that the author had thought of a posthumous publication We have been cheered in the drudgery of editorial work by the

consideration that we were but carrying out the wishes of a highly esteemed but departed friend Dr Davidson re wrote six sermons for the press numbered in the following series as XIII XIV XV XX XXIII and XXIV and though we re copied them they are here published just as he left them excepting such corrections as an author would make in a final revision of his own manuscript In preparing the other twenty sermons for publication we have necessarily made some changes and we deem it proper to state what these are We have occasionally omitted single words parts of sentences and though very seldom whole sentences We have occasionally exchanged words for others and reconstructed sentences Sometimes we have had to develop a figure which was merely noted in the MS We have written out small portions of a few of the sermons from the author s notes Yet the changes we have made do not affect the integrity or peculiarities even of the language About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Preaching the Parables, Series III, Cycle B Dallas A. Brauninger, 2005 Jesus used his parables to teach ordinary people with common problems yet because these simple stories contain universal truths that transcend time and culture they still strike a powerful chord and provide us with important lessons about God s kingdom Preaching the Parables offers a gold mine of informative background material on each of the seven parables appearing in Cycle B of the Revised Common Lectionary Dallas Brauninger probes these familiar texts with a fresh imaginative viewpoint revealing what they tell us about God and inviting further reflection on what they mean for modern living Preaching the Parables is much more than just a sermon preparation resource it s also an excellent Bible study tool exploring questions like What dimension of the soul that needs tending does the parable address What is the parable s surprise What moves us into hope How does its point become obvious How do its characters relate to us today Brauninger identifies points of action examines significant terms and engages in imaginary exchanges with a variety of characters The complete text of each parable is also included along with an analysis highlighting similarities and differences in parallel passages And there s a convenient word study index for locating key concepts from parables in all three lectionary cycles What a refreshingly helpful way to exegete the text The succinct but substantive Spadework Parallel Scripture and Chat Room sections provide the preacher with an exciting array of ways to understand and give meaning to the parables Brauninger s writing will afford the reader many Ahas Diana Coberly Pastor First Congregational United Church of Christ Great Bend Kansas This permission giving resource encourages the reader to develop questions for the text It s the kind of yeast which gives rise to new shades and flavors of meaning Preaching the Parables nourishes a fresh receptivity to the speaking of the Spirit of God in the lectionary passage and in life Nancy B Rohde
