know what you re thinking How could I stay in a dysfunctional abusive relationship for twelve years with a man who despises
me We now have an eleven year old son together Lewis For the first time my son has shoved me like all the times he seen his
father Ray do It only takes one time for my own son to abuse me when we end up leaving Ray to go to my parent s house
They happily take us in and soon I have a seasonal job at Farmer s Market Lewis and I have made new friends We re happier
than we ve ever been When I get the divorce papers and we go to court about visitation with Lewis I m neither surprised nor
saddened Lewis my son said he doesn t mind going to see his dad for visitation The only problem is I have to worry about Ray
s new act of playing a good father figure role will wear off Will he start abusing Lewis since I m not home to take his abuse
personally In time Lewis and I situate to a healthier functional routine Lewis and I both have settled We re still happy and
Ray has been on good terms with Lewis I feel so great that I dip my toes in the dating scene So when this handsome man
named Luke asks me to go out to eat with him I agree to it I soon regret it though It has nothing to do with him and
everything to do with me I m not ready Luke takes this to heart and becomes the rejected madman Soon fires are starting all
around us Businesses and places my friends and I go to catch flames I can t believe it when Luke has the audacity to show up
at my work and threaten me about the fires Could he be the missing culprit behind them Will this dramatic chaos ever end so
that my son and I can move on with our lives and find ourselves better situated to a healthier dynamic Did I make the biggest

learned that nonviolence was not only a tactic but a philosophy a biblical imperative and a transforming reality At the age of four Lewis ambitious to become a minister practiced by preaching to his family s chickens When his mother cooked one of the chickens the boy refused to eat it his first act he wryly recalled of nonviolent protest Integral to Lewis s commitment to bettering the nation was his faith in humanity and in God and an unshakable belief in the power of hope Meacham calls Lewis as important to the founding of a modern and multiethnic twentieth and twenty first century America as Thomas Jefferson and James Madison and Samuel Adams were to the initial creation of the Republic itself in the eighteenth century A believer in the injunction that one should love one s neighbor as oneself Lewis was arguably a saint in our time risking limb and life to bear witness for the powerless in the face of the powerful In many ways he brought a still evolving nation closer to realizing its ideals and his story offers inspiration and illumination for Americans today who are working for social and political change
