Long Way To Shiloh:

A Long Way to Shiloh Lionel Davidson, 1966 **From Gaelic to Romantic** ,2023-12-21 The appearance of James Macpherson's Ossian in the 1760s caused an international sensation The discovery of poetic fragments that seemed to have survived in the Highlands of Scotland for some 1500 years gripped the imagination of the reading public who seized eagerly on the newly available texts for glimpses of a lost primitive world That Macpherson's versions of the ancient heroic verse were more creative adaptations of the oral tradition than literal translations of a clearly identifiable original may have exercised contemporary antiquarians and contributed eventually to a decline in the popularity of Ossian Yet for most early readers as for generations of enthusiastic followers what mattered was not the accuracy of the translation but the excitement of encountering the primitive and the mood engendered by the process of reading The essays in this collection represent an attempt by late twentieth century readers to chart the cultural currents that flowed into Macpherson's texts and to examine their peculiar energy Scholars distinguished in the fields of Gaelic German Irish Scottish French English and American literature language history and cultural studies have each contributed to the exploration of Macpherson's achievement with the aim of situating his notoriously elusive texts in a web of diverse contexts Important new research into the traditional Gaelic sources is placed side by side with discussions of the more immediate political impetus of his poetry while studies of the reception of Ossian in Scotland Germany France and England are part of the larger recognition of the cultural significance of Macpherson's work and its importance to issues of fragmentation liminality colonialism national identity sensibility and gender *The Stars for a Light* Lynn Morris, 2011-09-01 She had a dream but reaching her goal seemed as dark as night Fresh from medical school in the 1860s and a woman at that the young Dr Cheney Duvall struggles to find a position She has almost given up hope when Asa Mercer turns up He wants her services to chaperone and care for two hundred brides to be on a sea voyage from New York to Washington Territory Cheney jumps at the opportunity Accompanied by an unlikely nurse Shiloh Irons Cheney finds herself facing an arduous voyage and dangers for which her medical training didn't prepare her [A Woman's Voice](#) Marcella Bakur Weiner, Blema Feinstein, 2001 A Woman's Voice examines the themes reflected in the stories of women in the Bible and relates these motifs directly to the lives of women today Marcella Bakur Weiner and Blema Feinstein celebrate the ideas and lessons found in traditional Jewish sources and explain their relevance for contemporary women *The Juvenile companion, and Sunday-school hive [afterw.] The Sunday school hive, and juvenile companion. Vol.4 [sic]; 3 [no.3]-43* ,1881 *Early days; or, The Wesleyan scholar's guide* ,1882 **Shiloh's Well** Fred Sherrod, 2012-07-25 When a woman from Samaria comes to draw water at Jacob's well Jesus known prophetically as Shiloh Prince of Peace offers her an incredible gift living water All she has to do is ask which by the way still applies today Jesus explains that everyone who drinks from His well even those of questionable character like her will never be thirsty again and the water will become a spring welling up to eternal life NIV In Shiloh's Well you can read all about an overflowing abundant

Shiloh'S Scepter Fred Sherrod,2015-12-09 Shilohs Scepter was to leave my descendants a clear unequivocal message of hope and truth pointing them to the God who has sustained and blessed me since I was nine years old A great challenge in this modern computer age is finding a way to peak peoples curiosity especially young people about what a centuries old book has to say I have struggled to present many of the basic biblical truths in an easy to read format interesting to all ages In these pages you can find the basis for the confident beliefs and strong convictions responsible for shaping the essence of my being and guiding my choices in life Many of the key themes of the Christian life are addressed in the thirty nine chapters These include the way to salvation coping with sin spiritual growth and responsibility church life prayer faith anxiety happiness depression materialism old age death and heaven If you own a Bible you hold in your hand the very same scepter our Lord so deftly wielded against the enemy when tempted in the wilderness This kingly wand an awesome weapon and incomparable guide will protect you from the evil one and keep you safe on your journey through life But importantly you must learn how to use the Word for it to be effective Results achieved are commensurate with how well your powerful blade is brandished If you find the time to read this book and it improves your Bible skills in any significant way then my countless hours of writing will have been well spent May these pages lead you humbly to the feet of Christ enlighten your spiritual understanding and challenge your commitment to Christian service *The Eternal Masquerade* Vincent

Thurman,2015-12-09 Intriguing suspenseful and compelling *The Eternal Masquerade* takes readers through the next phase of *The Eternal Darkness* saga As *The Eternal Secrets* came to an end readers witnessed the betrayal and heartbreak between Jenessa and Camden and the lengths Seth Crenshall would go in order to achieve his desires Deceptions played a major part in the many friendships and family reunions and in the end demolished any hopes of family connections Haven Crest is a town that harbors conniving and deadly secrets The power struggles are revealed as the dead body count starts to rise The Committee and Reverend Carl Wardrett fight for the same cause of protecting the innocent residents of Haven Crest but there are different views as to what keeps the battle lines drawn between right and wrong As the various masquerades are revealed in this story one in particular will have readers on the edge of their seats until the very end Readers can now enjoy twists and turns that leave them speechless as they enter *The Eternal Masquerade* Finding Your Child's Way on the

Autism Spectrum Dr. Laura Hendrickson, 2009-02-01 It seems that nearly everyone knows a family with an autism spectrum child. Most recent figures suggest that the prevalence of all autism spectrum disorders in the United States is an astonishing 1% of the population in the United States translating to twelve million parents and grandparents that are seeking answers. There are many books available on how to cure an autistic preschooler but none on how to raise one to adulthood. These promised cures raise parents' hopes but most parents will find that they are dealing with a lifelong challenge no matter what they do. Dr. Laura Hendrickson is a trained psychiatrist, biblical counselor, and the mother of an autistic child. She understands the struggles parents face as they try to communicate with their autism spectrum child and manage behavior challenges. With an approach that is grounded in a deep understanding of the challenges those caring for autism spectrum children face, *Finding Your Child's Way on the Autism Spectrum* gives the reader sound practical tools for understanding how to guide an autism spectrum child to function more fully as the person God created them to be. **The Map** Yasha, This is book 2 of the Tambolian Paradox book series. *The Synchronicity War Part 2* Dietmar Arthur Wehr, 1900 The unprovoked war with a mysterious alien race is going badly. Minor tactical victories are offset by major strategic setbacks. The aliens know where all Human occupied worlds are while their own worlds are still unknown. Victor Shiloh's unpredictable precognitive visions are the only thing that is slowly the alien onslaught. Not content with gradually pushing Humanity back, Shiloh's vision reveals a massive attack on Earth that will have terrible consequences. So far his visions have all come true. Can his AI allies make the difference between extermination and survival for the Human Race. *The Longest Night* David J Eicher, 2002-03-30 A riveting indispensable history of the Civil War told chronologically from the first shots fired at Fort Sumter to the surrender in the summer of 1865, a conflict that James McPherson in the Foreword calls the most dramatic violent and fateful experience in American history. In this compelling account of the American Civil War, noted historian David Eicher gives us an authoritative history of battle from the first shots at Fort Sumter to Lee's surrender at Appomattox. As a strictly military history, *The Longest Night* covers hundreds of engagements, both well known and obscure, including the oft neglected Western theater and naval actions along the coasts and rivers. The result is a gripping popular history that will fascinate anyone just learning about the Civil War while offering more than a few surprises for longtime students. Drawing on hundreds of sources and excerpts from correspondence by those who fought the war, *The Longest Night* conveys a real sense of life and death on the battlefield. In addition, Eicher analyzes each side's evolving strategy, examines the tactics of Lee, Grant, Johnston, and Sherman, and discusses significant topics such as prisons, railroads, shipbuilding, clandestine operations, and the role of African Americans in the war. This is a definitive chronicle of the war that, as the author writes, like no other conflict in our history, casts a long shadow onto modern America. **A City Not Forsaken** Lynn Morris, 2012 Young Dr. Cheney Duvall returns to New York City in time to battle a cholera outbreak and cope with the conflicts between high society and the call of the poor. **Sunrise Ranch** Carolyn Brown, 2020-07-07 Three sisters face their biggest challenge yet in this heartwarming

story of family and forgiveness by the New York Times bestselling author of *Daisies in the Canyon* Bonnie Malloy never really knew the meaning of home She and her mom moved around so much when she was young that she was never able put down roots and she got to the point where she never wanted to But now she has a chance to run her very own Texas ranch and she just discovered two half sisters she never knew about The three women couldn't be more different but Abby Joy and Shiloh have shown Bonnie how it feels to truly be part of a family The only catch is that to inherit the ranch Bonnie must stay there for a whole year Worse yet she has to live with cowboy Rusty Dawson and he thinks the property is rightfully his Each becomes determined to drive the other out until they realize just how much they enjoy being together But is the woman known for going wherever the wind takes her really ready to settle down once and for all **Love in the City 5-Book**
