The slaveroad begins with the Atlantic Ocean across which enslaved Africans were carried, but the term comes to encompass the journeys and experiences of Black Americans since then and the many insidious ways that slavery separates, wounds, and persists. Earth's Final Moments John Hagee, 2011-10-04 Coming soon. Earth's final cataclysmic moment. According to biblical prophecy, Earth is careening toward its final act on the stage of life. God is assembling the cast of characters and making preparations for the final scene, a scene so powerfully dramatic that nothing could possibly compare. In Earth's Final Moments, New York Times best-selling author Pastor John Hagee unveils how biblical prophecy and current world events are intersecting to give us an unparalleled glimpse into our planet's final days. Aligning prophecy with End Time signs, he describes Israel's emerging opponent and reveals the shock and awe of God's coming judgment against those who oppose His people. As the Jewish people return to their homeland and the situation in the Middle East continues to deteriorate, you can't afford to miss what comes next.
