Steven Fielding

Longman Companion To The Labour Party:

The Longman Companion to the Labour Party, 1900-1998 Harry Harmer, 2014-09-25 A timely reference guide to the Labour Party which brings together the essential facts and figures about the Party since its foundation through to the New Labour of the 1990s. It is the essential reference book for anyone wanting reliable information on the Labour Party.

The Longman Companion to Renaissance Europe, 1390-1530 Stella Fletcher, 2014-02-04 This new Companion is the ideal reference guide. It fills a gap by providing an authoritative but accessible reference on political, economic, religious, social as well as cultural developments in this crucial period. It contains information on all major topics including the church, war and diplomacy, civic life, learning and letters, printing, the economy, science and technology, the arts across Europe and the wider world.

The Longman Companion to the Conservative Party Nick Crowson, 2016-09-17 This Longman Companion provides a wide-ranging compendium of essential facts and figures on the Conservative Party from its origins in the 1830s to the dawn of the 21st Century. Central to the book are the detailed chronologies on the Conservative Party's years in government and opposition. In addition, it contains fascinating information on the Party's relationships with women, ethnic minorities, the trade unions, Europe, Ireland, ideology, social reform and empire.

The Longman Companion to Britain in the Era of the Two World Wars 1914-45 Andrew Thorpe, 2014-09-19 In the momentous period barely 30 years covered by this systematic reference guide, the Edwardian world was transformed unrecognisably through war, technological progress and social change into the Nuclear Age. It saw the coming of mass democracy, the apogee of empire, the Depression, the threat of fascism, the development of suburban society and as yet scarcely understood the end of Britain's international hegemony. Andrew Thorpe's superb contribution to the Companions series illuminates all this and much else. It will be indispensable to anyone interested in the history and politics of modern Britain.

Longman Companion to Britain since 1945 Chris Cook, John Stevenson, 2014-09-09 This timely new edition of the Longman Companion to Britain since 1945, compiled by the series editors themselves, provides a wide-ranging compendium of key facts and figures on British history from the start of the landmark Attlee government in 1945 to the final years of the 1990s. The book embraces all major aspects of British history, government and society, reflecting the massive social, political and economic changes that have transformed the face of Britain since the end of the Second World War. Fully revised and updated, this new edition covers the advent of Tony Blair, the electoral victory of New Labour in 1997 and the major constitutional changes currently underway in Britain. This book will be invaluable to anyone interested in the history and politics of post-war Britain, from students and teachers to party activists and lovers of reader-friendly reference books.

The Labour Party Steven Fielding, 2017-03-14 The Blair government is much less novel and distinctive than has been assumed by most commentators, who have, Steven Fielding argues, taken too much of its rhetoric at face value. Setting recent developments in a broader historical context, this major new text on the British Labour Party provides a balanced account of its present state and how it got there. The Labour Party is forever

changing though generally within long established parameters New Labour is but the latest example of this process

Modernising the Labour Party T. Quinn, 2004-10-14 Few parties have undergone such comprehensive organizational change as the Labour Party since 1983 Labour's organization once institutionalised the political exchange between office seeking politicians and the party's policy seeking trade union paymasters Using accessible rational choice models Thomas Quinn explores how consecutive election defeats prompted party leaders to modernize this structure to regain voters trust reducing union influence in policymaking parliamentary candidate selection and leadership contests The price may be a centralized party vulnerable to membership exit and union funding cuts *A History of the British Labour Party* Andrew Thorpe, 2017-09-16 After 13 years in power Labour suddenly returned to being the party of opposition in 2010 This new edition of *A History of the British Labour Party* brings us up to date examining Gordon Brown's period in office and the Labour Party under the leadership of Ed Miliband Andrew Thorpe's study has been the leading single volume text on the Labour Party since its first edition in 1997 and has now been thoroughly revised throughout to include new approaches This new edition Covers the entirety of the party's history from 1900 to 2014 Examines the reasons for the party's formation and its aims Analyses the party's successes and failures including its rise to second party status and remarkable recovery from its problems in the 1980s Discusses the main events and personalities of the Labour Party such as MacDonald Attlee Wilson Blair and Brown With his approachable style and authoritative manner Thorpe has created essential reading for students of political history and anyone wishing to familiarise themselves with the history and development of one of Britain's major political parties *Longman Handbook to Modern British History 1714 - 2001* Chris Cook, John Stevenson, 2014-07-10 This compact and accessible reference work provides all the essential facts and figures about major aspects of modern British history from the death of Queen Anne to the end of the 1990s The Longman Handbook of Modern British History has been extended to include a fully revised bibliography reflecting the wealth of newly published material in recent years the new statistics on social and economic history and an expanded glossary of terms The political chronologies have been revised to include the electoral defeat of John Major and the record of New Labour in office Designed for the student and general reader this highly successful handbook provides a wealth of varied data within the confines of a single volume **Longman Companion to Imperial Russia, 1689-1917** David Longley, 2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period **Longman Companion to the First World War** Colin Nicolson, 2014-07-15 This new Companion covers one of the most devastating conflicts in modern history The Great War traumatised a generation and shaped the whole of the twentieth century Speaking as loudly as any first hand account the facts and figures laid out in this volume reveal the sheer massive destruction caused by the war

Covering all aspects of the conflict from its origins and course to the peace settlements and the crises they generated Colin Nicolson unravels historical controversies and also considers the social cultural and economic consequences of the war for the whole of Europe Containing all the essential facts and figures this Companion will be greatly welcomed by teachers academics and students alike Longman Companion to Slavery, Emancipation and Civil Rights Harry Harmer,2014-06-11 This Companion provides the essential background to the defining fate of the African diaspora in the Americas and the Caribbean from the 15th to the 20th centuries Central to the book are detailed chronologies on the development and decline of the slave trade slavery in colonial North and South America the Caribbean and the United States movements for emancipation and the progress of black civil rights Separate sections look at the long running resistance against slavery and the black civil rights movements in the Americas and the Caribbean with a comparative chronology of apartheid in South Africa Supported by biographies of over 100 key individuals and a full glossary providing definitions of crucial terms expressions ideas and events this is required reading for anyone interested in the historical experience of slavery Forging the Franchise Dawn Langan Teele,2018-09-18 The important political motivations behind why women finally won the right to vote In the 1880s women were barred from voting in all national level elections but by 1920 they were going to the polls in nearly thirty countries What caused this massive change Why did male politicians agree to extend voting rights to women Contrary to conventional wisdom it was not because of progressive ideas about women or suffragists pluck In most countries elected politicians fiercely resisted enfranchising women preferring to extend such rights only when it seemed electorally prudent and in fact necessary to do so Through a careful examination of the tumultuous path to women s political inclusion in the United States France and the United Kingdom Forging the Franchise demonstrates that the formation of a broad movement across social divides and strategic alliances with political parties in competitive electoral conditions provided the leverage that ultimately transformed women into voters As Dawn Teele shows in competitive environments politicians had incentives to seek out new sources of electoral influence A broad based suffrage movement could reinforce those incentives by providing information about women s preferences and an infrastructure with which to mobilize future female voters At the same time that politicians wanted to enfranchise women who were likely to support their party suffragists also wanted to enfranchise women whose political preferences were similar to theirs In contexts where political rifts were too deep suffragists who were in favor of the vote in principle mobilized against their own political emancipation Exploring tensions between elected leaders and suffragists and the uncertainty surrounding women as an electoral group Forging the Franchise sheds new light on the strategic reasons behind women s enfranchisement Longman Companion to the Formation of the European Empires, 1488-1920 Muriel E. Chamberlain,2014-06-11 The European empires as they existed from the Age of Discovery until after the First World War shaped the modern world So great has been their political economic and cultural influence that to fully understand contemporary history and events it is essential to have an understanding of the imperial

past This book is an impressive achievement It brings together in one comprehensive volume all the essential facts and figures relating to the process of empire building by the European powers It complements the Longman Companion to European Decolonisation in the Twentieth Century by the same author together they help to explain why different empires had different philosophies dissolved in different ways and left different legacies The Blair Effect 2001-5 Anthony Seldon, Dennis Kavanagh, 2005-09-29 Tony Blair's strong start to his third term with his role in capturing the Olympic Games for Britain his statesman like handling of the aftermath of the terrorist attacks on London his promise of a new start to the European Union and his leadership of the G8 summit at Gleneagles has brought his relatively lacklustre second term into sharp relief The second term should have been the time when New Labour fulfilled its manifesto promises So what changed between 2001 and 2005 and what was achieved How far was Blair himself responsible and what was Gordon Brown's influence What was the impact of the Iraq war And what of Blair's policy towards Europe Anthony Seldon and Dennis Kavanagh gather together leading academics and journalists to provide an authoritative assessment of Blair's second term including a review of New Labour in government from 1997 to the present **Focus On: 100 Most Popular Knights of the Garter** Wikipedia contributors, The Longman Companion to the European Union Since 1945 Alasdair Blair, 1999 This work examines the development of the EU from the Paris and Rome Treaties to the Amsterdam reforms The text aims to provide reliable analysis to students academics and the wider public of the main policies which encompass the European Union Reader's Guide to the Social Sciences Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense **Against the Cold War** Darren G Lilleker, 2004-11-26 Who were the British MPs sympathetic to the Soviets the crypto communists left wing gadflies the neo Stalinist left so derided by fellow politicians journalists historians and the public These Labour MPs fingered as Soviet spies who developed links with post war Russia were seen as potentially anti Western actors in the Cold War Against the Cold War examines the careers and motives of MPs like Tom Driberg and Ian Mikardo who developed ideological links with the Soviet Union and whose ideas influenced Labour's left wing Although radical and sympathetic to Communist ideals they remained principled socialists and were ready to exercise Trotsky's right to alight to oppose and even abandon Soviet links for democratic socialism Renegades and Rats Jacqueline Dickenson, 2006 Accusations of betrayal played a significant role in the shaping and maintenance of solidarity in socialist and other modern radical political organisations in Australia and Britain This fascinating study of trust and betrayal focuses on case studies of 6 rats or renegades H H Champion William Trenwith John Burns Albert Victor Grayson Adela Pankhurst Walsh and Ada Holman Renegades and Rats will appeal to scholars of history and sociology alike and to anyone interested in the subject of

While this might not be the Longman Companion To The Labour Party full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Longman Companion To The Labour Party eBooks, including some popular titles.

FAQs About Longman Companion To The Labour Party Books

What is a Longman Companion To The Labour Party PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Longman Companion To The Labour Party PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Longman Companion To The Labour Party PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Longman Companion To The Labour Party PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Longman Companion To The Labour Party PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
