being associated with them as another evidence against the asserted mental inequality of the sexes Miss Roberts belonged to a Welsh family of great respectability Her grandfather who was a gentleman of good property and served the office of High Sheriff for Denbighshire North Wales possessed the fine estate of Kenmell Park in that county which was disposed of after his death to Colonel Hughes the present Lord Dinorben whose seat it continues to be He had three sons all of whom entered a military life which seems to have had peculiar attractions to this gallant family The eldest the late General Thomas Roberts raised a regiment which became the 111th and it is said he frequently officiated as Gold Stick in Waiting to George the Third A son of General Roberts was aide de camp to Sir Arthur Wellesley in Portugal was taken prisoner by the French and detained during the war he afterwards rose to the rank of lieutenant colonel The second son Colonel David Roberts of the 51st regiment distinguished himself in the Peninsular war having on the 7th January 1809 during Sir John Moore s retreat near the heights of Lugo headed a party which repulsed the French Light Brigade on which occasion his cloak was riddled with bullets two of which passed through his right hand which was amputated He was then a major but afterwards commanded the regiment in Lord Dalhousie s brigade and subsequently in Flanders and was so seriously and repeatedly wounded that his pensions for wounds amounted to 500 a year Colonel Roberts was an author and wrote amongst other things the comic military sketch called Johnny Newcome The youngest son William the father of Miss Roberts in the course of his travels on the continent in early life formed some intimacies at the Court of St Petersburg to which he was introduced by the British Ambassador and eventually entered the Russian service he was made aide de camp to General Lloyd his countryman and served with great distinction in several campaigns against the Turks He afterwards entered the British army but had not attained a higher rank than that of captain with the paymastership of his regiment when he died leaving a widow a son who died a lieutenant in the army and two daughters Emma the youngest daughter of Captain Roberts was born about the year 1794 After the death of her father she resided with her mother a lady of some literary pretensions at Bath Though possessed of a very attractive person though of a lively disposition and peculiarly fitted to shine in the gayest circles of social life her thirst for letters was unquenchable and the extent of her reading proves that her early years must have been years of application

Kierkegaard in France: A History of Reception and Influence, 2025-11-27 Why does Kierkegaard s thought remain vital in French philosophy and theology Kierkegaard in France traces the dynamic evolution of Kierkegaard s reception from the early 20th century to contemporary debates on faith ethics and individuality His influence on French thought is examined anew with regard to well known thinkers like Jean Paul Sartre Jacques Derrida and Paul Ric ur as well as readings that have largely been overlooked like those by Simone de Beauvoir and Vladimir Jank l vitch From existentialism and phenomenology to poststructuralism and feminism Kierkegaard continues to be an essential interlocutor in shaping the continental tradition of thought in France There is a natural affinity between Kierkegaard s uniquely intense subjectively involved metaphysical realism and the French spiritualist tradition which eschews both idealism and reductive empiricism This book brings out that affinity and displays it in all the variety of its manifestations both religious and secular both speculative and existentialist An indispensable and monumental entry for scholars and intriguing read for a wider audience Catherine Pickstock Norris Hulse Professor of Divinity University of Cambridge
