Brunstetter, 2011 Young Amish girl Rachel Yoder has a series of adventures including going to church dealing with bullies and sledding into an icy cold creek **Watch Out for Falling Lizards** RSH, 2022-01-14 *Watch Out for Falling Lizards* is a non fiction novel regarding the life and adventures of Keith Huntington This book is intended for mature readers On the Inside, Looking Out Gretchen Huffman, 2016-02-23 These poems were written not only for women but for all people who have experienced love pain longing joy loneliness embarrassment and all the other emotions known to mankind If you have lived to adulthood and that age differs with all of us you have no doubt experienced most or all of these feelings Some you may have enjoyed others not so much But if you are like me you remember most of them Oddly enough you may remember the negative ones as much as or more than the positive ones Either way while you are reading this we are connected and that alone makes my efforts worthwhile I wish to thank everyone who influenced me and therefore provided me with the necessary incentive to rhyme We are planning a Volume II So watch for further developments **Look out for paint** Cornelius Shea, 2023-07-10 In *Look Out for Paint* Cornelius Shea employs a vivid and immersive literary style that deftly intertwines elements of surrealism with a profound exploration of human emotion Set against a backdrop of an ever shifting artistic landscape the narrative delves into themes of transformation identity and the fleeting nature of perception Shea s use of rich imagery and innovative prose mirrors the unpredictability of the artistic process inviting readers to navigate a world where paint becomes a metaphor for the complexities of life The text is not only a journey through the creative mind but also an exploration of how art shapes reality and vice versa Cornelius Shea known for his exploratory approach to literature draws upon his extensive background in visual arts and creative writing His experiences as both an artist and a writer inform the richly layered narrative of this book Having lived in various cultural hubs Shea crafts a narrative that encapsulates the intersection of art and existential inquiry reflecting the chaotic yet beautiful experience of artistic creation that has marked his personal and professional journey *Look Out for Paint* is an essential read for those who seek to understand the depths of artistic expression and human experience Shea s unique perspective and evocative writing create a compelling tapestry that invites readers to reflect on their own interpretations of art and life It is a powerful testament to the notion that in every stroke of paint there lies a story waiting to be uncovered
