Jennifer A. Nielsen, 2025-03-04 From 1 New York Times bestselling author Jennifer A Nielsen comes a brand new spine tingling adventure about two kids and their fight for survival on the unforgiving trails of Mount Everest Jennifer Nielsen s storytelling climbs to new heights in this epic about loss letting go and the most important lesson a climber can learn where the eye goes a person follows For a climber letting go means certain death For Atlas it means something even worse But he ll have to learn how to let go and look up if he ever wants to see the top Twelve year old Atlas Wade has been trying to forget the memory of his mother by climbing mountains ever since she died when he was nine years old When his father signs them up for an expedition group hoping to be the first to ever summit the unconquerable Mount Everest Atlas can t wait for the chance to prove himself to his father and maybe finally he can leave his mother behind him on the mountain But this time Atlas is the one left behind as well as a young American girl named Maddie and their sturdy yet injured Sherpa Chodak When news breaks out that war has returned to Europe and that Nazis are attempting their own summit dangerously nearby Atlas and Maddie plead with the expedition to come back down Their warnings come too late Atlas looks up that same morning to see an avalanche and when they receive no word from the group Maddie and Chodak join Atlas as he begins a dangerous journey up the mountain in the hopes of finding survivors Atlas Maddie and Chodak will have to rely not just on their own wits for survival but on each other as well especially as sickness bad weather and their fears of a Nazi spy watching them puts their mission and lives at risk in the brutal terrain And Atlas will have to learn how to let go if he wants any chance of finding his father and fixing the rift between them caused by his mother s death before it s too late Using one of the world s greatest and most infamous mountains as a backdrop 1 New York Times bestselling author Jennifer A Nielsen s storytelling climbs to new heights in this touching thrilling epic about grief letting go and the bonds that keep us alive *One False*

Move Robert Goddard, 2019-02-28 What value can be put on a human mind How Joe Roberts does what he does is a mystery He has a brain that seems able to outperform a computer To a games company like Venstrom that promises big profits if his abilities can be properly exploited So they send Nicole Nevinson to track him down and make him an offer too good to refuse But Venstrom aren t the only people interested in Joe His current boss a shady businessman is already making serious money out of Joe s talents and isn t going to let him go without a fight And then there are other forces with still darker intentions who have their own plans for him Almost before she knows it Nicole s crossed an invisible line into a world where the game being played has rules she doesn t understand and where no one can help her win But win she must Because the battle now isn t just for Joe s mind it s for Nicole s life One Wrong Move Shannon McKenna, 2012 When Food Is Love Geneen

Roth, 1992-07-01 1 New York Times bestselling author of *Women Food and God* A life changing book Oprah In this moving and intimate book Geneen Roth bestselling author of *Feeding the Hungry Heart* and *Breaking Free from Compulsive Eating* shows how dieting and emotional eating often become a substitute for intimacy Drawing on her own painful personal experiences as well as the candid stories of those she has helped in her seminars Roth examines the crucial issues that

surround emotional eating need for control dependency on melodrama desire for what is forbidden and the belief that one wrong move can mean catastrophe She shows why many people overeat in an attempt to satisfy their emotional hunger and why weight loss frequently just uncovers a new set of problems But her welcome message is that change is possible This book will help readers break destructive self perpetuating patterns and learn to satisfy all the hungers physical and emotional that make us human One Wrong Move Olivia Hayle,2024-05-17 The woman I love has always been off limits She was my best friend s fianc e and now my new roommate I thought I was used to pain Harper dated my best friend for years and I was going to be the best man at their wedding Until she blows up the engagement and shows up in London with a new job Being friends never worked for me That s why I moved away But here I am unable to resist her again And when I see the tiny unsafe apartment she s renting I insist she move into my giant Kensington townhouse Roommates Should be fine right Or not Because I find Harper s thirty things by thirty list and decide to help her fulfill it Showing her around London taking her on trips sleeping in the same bed helping her explore things her ex was never interested in But it doesn t matter how close we get because Harper is newly single unimpressed by my wealth and doesn t know I m love with her One wrong move and I might ruin this relationship forever **The Root Cause - Volume One** Alok,2023-08-18 The primary objective of Ayurveda one of the sciences of Vedic wisdom was not to cure people but to ensure that people never fall sick at all and stay healthy happy and in a state of ultimate bliss This book will explain you the science behind basic principles of Ayurveda in the contemporary language like The three fundamental forces on which human mind and body work How different foods affect these three forces inside us in different parts of the body thereby manifesting in different behaviors as well as diseases proving the point that WE ARE WHAT WE EAT How different combinations of these forces makes each of us different and that s why ONE S NECTAR COULD BE ANOTHER S POISON How absence of disease does not necessarily mean good health How indiscreet dependence on modern medicine and consumption of so called superfoods is the cause of all the chaos and misery in today s world How science and spirituality are closely connected and how eating and offering the right food is the foremost Karma How every choice that we make has a consequence of either invoking the GOD or DEVIL inside us The book will gradually move from Ayurveda to higher knowledge of occult sciences and explain that how Astrology another discipline of Vedic Sciences is an outcome of Ayurveda How Astrology can explain that we are living in a simulated world which Vedas referred to as Maya the illusion and How can the principles of these Vedic sciences be gainfully utilized to transform this world from a state of chaos to a state of Ultimate bliss The Root Cause is not just a book but a guide towards complete holistic wellbeing in a short format for everyone to gain knowledge and modulate self to be a better being in the scheme of this universe Dr Madhuri Patil B A M S MD **Is There Love or Not** Jay Judah,2015-03-28 You have given up Fine You hate relationships Fine Well then this book is for you In this book Is There Love or Not author Jamal Petty writes to inspire you to love again This book will embark upon uncharted territory in many lives while giving hope to those whom are seeking a
