Phallicism Transfigured

Alvin Boyd Kuhn

Phallicism Transfigured

Tamise Van Pelt

Phallicism Transfigured:

Sex As Symbol Ph. D. Alvin Kuhn, 2005-12-01 There is a fell quality to the mating urge that gives it the force of a natural and unimpeachable authority which appears for a time to sweep away every obstacle and override the obstructing power of every consideration whether of advantage or injury It carries a virtual cosmic sanction with it from Love and Hate How does gender and the sex drive manifest itself across human cultures How is the dual nature of humanity male and female spiritual and physical animal and divine expressed in the tangible world Alvin Boyd Kuhn a prominent proponent of the early 20th century doctrine of theosophy which sought to find the universal truths that underlie all human religions here explores the hidden connections across cultures that unify rites and customs found around the globe circumcision the secondary status of women myths about communion with deities and more In fluid prose that approaches a stream of consciousness reverie this treatise seeks to uncover a fundamental basis for human ideas about sex gender and love American philosopher and scholar of comparative religion ALVIN BOYD KUHN 1880 1963 is also the author of *Theosophy* 1930 and *The Lost Light* 1940

Phallicism - Celestial and Terrestrial, Heathen and Christian - Its Connexion with the Rosicrucians and the Gnostics and its Foundation in Buddhism - With an Essay on Mystic Anatomy Hargrave Jennings, 2017-09-29 Within this book Hargrave Jennings looks at the role Phallicism has played in various religions including Rosicrucianism Gnosticism and Buddhism A fascinating exploration of the significance of sexuality in religious doctrine Phallicism is not to be missed by those with an interest in the topic and it would make for a fantastic addition to collections of allied literature Contents include Definitions and Distinctions leading up to the verities of Phallicism The History of the Phallic Symbol Structures their Origin Genealogy and Variety through the succession of the historical religions ages The Story of the Classes of the Phalli Celestial or Theosophical Doctrine of the Unsexual Transcendental Phallicism etc Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this volume now in an affordable modern high quality edition complete with the original text and artwork **Phallicism, Celestial And Terrestrial, Heathen And Christian** Hargrave Jennings, 1996-09 1884 its connection with the Rosicrucians and the Gnostics and its foundation in Buddhism with an essay on Mystic Anatomy Surely it is more philosophical to take in the whole of life in every possible form than to shut yourself up in one doctrine **Phallic Worship: A Description of The Mysteries of The Sex Worship of The Ancients**

With The History of The Masculine Cross Anonymous, Sex Worship has prevailed among all peoples of ancient times sometimes contemporaneous and often mixed with Star Serpent and Tree Worship The powers of nature were sexualised and endowed with the same feelings passions and performing the same functions as human beings Among the ancients whether the Sun the Serpent or the Phallic Emblem was worshipped the idea was the same the veneration of the generative principle Thus we find a close relationship between the various mythologies of the ancient nations and by a comparison of the creeds ideas and symbols can see that they spring from the same source namely the worship of the forces and operations of nature

the original of which was doubtless Sun worship It is not necessary to prove that in primitive times the Sun must have been worshipped under various names and venerated as the Creator Light Source of Life and the Giver of Food In the earliest times the worship of the generative power was of the most simple and pure character rude in manner primitive in form pure in idea the homage of man to the supreme power the Author of life Afterwards the worship became more depraved a religion of feeling sensuous bliss corrupted by a priesthood who were not slow to take advantage of this state of affairs and inculcated with it profligate and mysterious ceremonies union of gods with women religious prostitution and other degrading rites Thus it was not long before the emblems lost their pure and simple meaning and became licentious statues and debased objects Hence we have the depraved ceremonies at the worship of Bacchus who became not only the representative of the creative power but the God of pleasure and licentiousness The corrupted religion always found eager votaries willing to be captives to a pleasant bondage by the impulse of physical bliss as was the case in India and Egypt and among the Phnicians Babylonians Jews and other nations Sex worship once personified became the supreme and governing deity enthroned as the ruling God over all dissent therefrom was impious and punished The priests of the worship compelled obedience monarchs complied to the prevailing faith and became willing devotees to the shrines of Isis and Venus on the one hand and of Bacchus and Priapus on the other by appealing to the most animating passion of nature

Transfiguration Stephen Cheeke, 2016 Transfiguration explores the work of John Ruskin Robert Browning Dante Gabriel Rossetti and Walter Pater treating in particular the ways in which they engaged with the Christian content of their subject and in Pater's case how the art of Christianity was contrasted with classical sculpture Stephen Cheeke examines two related phenomena idolatry a false substitution a sexual betrayal and the poetics of transfiguration to elevate or glorify subject matter not thought of as conventionally poetic to praise Central to the book is the question of the translation of religion into art and aesthetics a process which supposedly undergirds the advent of the museum age and makes possible the idea of a religion of art as a phenomenon of late century Aestheticism Such a phenomenon is prepared for however through the engagement with Christian painting and classical sculpture in the work of these four writers All four thought carefully about the ways in which a particular mimetic impulse of making live in artworks could be connected to religious experience This meant exploring the nature of the link between seeing and believing visualising in order to conceive to verify but also in the sense of being acted upon by the visible All four wrote about the great power of artworks to transfigure the objects of their attention In each case there emerges the possibility of a secret sexual knowledge hiding within or lying on the other side of the sensuous knowledge of aesthesis All four wondered whether this was inherently hostile to Christianity or whether it may finally be an accommodation within it

Phallic Frenzy Joseph Lanza, 2007-08-01 Ken Russell has made some of the most daring disturbing and beautifully photographed films of all time Drawing from a wealth of historic and literary references Russell's subjects are astounding deranged Ursuline nuns in a 17th century French province the inner demons of Mary Shelley and Lord Byron the sexual angst of Tchaikovsky the emotionally

drained life of Rudolph Valentino the messianism of a pinball wizard the fury of lesbian vampires the introspections of prostitutes Russell's movies offer not just brazen sensationalism but food for thought they horrify yet inspire And through it all Russell maintains a simultaneously impish and intellectual sense of humor The first full biography of the director Phallic Frenzy is far from a dry film by film analysis It shows how Russell's real life has often been as engaging and vibrant as his film scenarios Here you'll learn how Alan Bates and Oliver Reed compared their penis sizes for the nude wrestling scene in Women in Love how Russell disfigured Paddy Chayevsky's script for Altered States by having the actors holler out the lines as fast as possible accompanied by spewed food and streams of spittle and how Russell was slated to direct Evita starring Liza Minnelli and the creative differences that ensued A madcap tale full of wild ideas surreal situations and a cavalcade of colorful personalities Phallic Frenzy is as thrilling a ride as any Ken Russell film *Fishes, Flowers, & Fire as Elements and Deities in the Phallic Faiths & Worship of the Ancient Religions of Greece, Babylon, Rome, India, &c* Arthur Reader, 1890

Ovid, Death and Transfiguration, 2023-07-03 The open access publication of this book has been published with the support of the Swiss National Science Foundation Death the ultimate change is an unexpected Leitmotiv of Ovid's career and reception The eighteen contributions collected in this volume explore the theme of death and transfiguration in Ovid's own career and his posthumous reception revealing a unity in diversity that has not been appreciated in these terms before now

Transfiguration Jack Haas, 2005-03 Uniting Paganism and Christianity Eastern and Western spirituality and cosmic consciousness with earthly existence this is ebook collector's edition containing Jack Haas three autobiographical works within one volume IN AND OF ROOTS AND WINGS and OM BABY Although each book is an independent work the three together comprise a most unique spiritual journey eloquently detailing Jack Haas alchemical travels shamanic sojourns and mystical adventures with his soror mystica his alchemical mystical sister as they experience a plethora of improbable encounters synchronicities mythical realizations and metaphysical fulfillments as well as encountering a remarkable cast of eccentrics immortal masters and spirited individuals A truly profound spiritual autobiography **Fishes, Flowers, & Fire as Elements and Deities in the Phallic Faiths**

Anonymous, 2023-09-17 In Fishes Flowers it is an invitation to rediscover the sacredness embedded in our relationship with the environment Ideal for scholars of religious studies and anthropology as well as general readers interested in the intersection of nature and spirituality this book will enrich your understanding of the phallic faiths and provoke thoughtful reflection on the symbolic meanings we attribute to elements in our lives D. H. Lawrence and the Phallic Imagination

Peter Balbert, 1989-05-05 **Phallic Critiques (Routledge Revivals)** Peter Schwenger, 2014-10-14 Phallic Critiques first published in 1984 is a study of masculine styles of writing in the twentieth century an age according to Virginia Woolf when virility has become self-conscious Writers who carry macho values to their extreme often subscribe to the popular feeling that writing is an effeminate activity for a real man to be engaged in Consequently they attempt to forge masculine style of writing in an effort to redeem language from its sexually suspect

nature These styles reveal much about the ambiguous and paradoxical attitudes of men towards their own masculine role Peter Schwenger demonstrates the international nature of masculine styles His study ranges from such American authors as Norman Mailer Ernest Hemingway and Philip Roth to figures like Yukio Mishima Alberto Moravia and Michel Leiris This book should be of interest to students of literature

The Way of Transfiguration Stanley Romaine Hopper, 1992 Stanley Romaine Hopper developed a religious perspective called theopoiesis that embraced twentieth century cultural revolutions in theology poetry philosophy and psychology In this long awaited book Hopper explores imaginative literature for religious meaning The evocative and transformative power of the poetic makes his approach a revelatory theology that does not refer to a supernatural object but opens the reader to divine mystery in the depths of self and world Hopper investigates texts of poets philosophers theologians and psychologists and examines the significance of metaphors symbols myths irony paradoxes parables and anecdotes

War Isn't the Only Hell Keith Gandal, 2018-04-16 A vigorous reappraisal of American literature inspired by the First World War American World War I literature has long been interpreted as an alienated outcry against modern warfare and government propaganda This prevailing reading ignores the US army's unprecedented attempt during World War I to assign men except notoriously African Americans to positions and ranks based on merit And it misses the fact that the culture granted masculinity only to combatants while the noncombatant majority of doughboys experienced a different alienation that of shame Drawing on military archives current research by social military historians and his own readings of thirteen major writers Keith Gandal seeks to put American literature written after the Great War in its proper context as a response to the shocks of war and meritocracy The supposedly antiwar texts of noncombatant Lost Generation authors Dos Passos Hemingway Fitzgerald Cummings and Faulkner addressed often in coded ways the noncombatant failure to measure up Gandal also examines combat soldier writers William March Thomas Boyd Laurence Stallings and Hervey Allen Their works are considered straight forward antiwar narratives but they are in addition shaped by experiences of meritocratic recognition especially meaningful for socially disadvantaged men Gandal furthermore contextualizes the sole World War I novel by an African American veteran Victor Daly revealing a complex experience of both army discrimination and empowerment among the French Finally Gandal explores three women writers Katherine Anne Porter Willa Cather and Ellen La Motte who saw the war create frontline opportunities for women while allowing them to be arbiters of masculinity at home Ultimately War Isn't the Only Hell shows how American World War I literature registered the profound ways in which new military practices and a foreign war unsettled traditional American hierarchies of class ethnicity gender and even race

Towards a Future European Peace Order? Stephen K. Badzik, Josef B. Binter, Karl E. Birnbaum, 2016-07-27 Towards a Future European Peace Order explores the prospects for an international peace process emerging in the aftermath of the Cold War Inspired by the basically peaceful revolutions of 1989 in Eastern Europe fourteen contributors from both East and West present their views and visions for a continent undergoing rapid transformation on the eve of the twenty first century

Their perspectives are based on analyses of the underlying political historical societal psychological strategic and economic preconditions for a European peace order

Gay and Lesbian Literature Since World War II Sonya L Jones, 2014-05-22

Gay and Lesbian Literature Since World War II chronicles the multifaceted explosion of gay and lesbian writing that has taken place in the second half of the twentieth century Encompassing a wide range of subject matter and a balance of gay and lesbian concerns it includes work by established scholars as well as young theoreticians and archivists who have initiated new areas of investigation The contributors examinations of this rich literary period make it easy to view the half century from 1948 to 1998 as the Queer Renaissance Included in Gay and Lesbian Literature Since World War II are critical and social analyses of literary movements novels short fiction periodicals and poetry as well as a look at the challenges of establishing a repository for lesbian cultural history Specific chapters in this groundbreaking work trace the development of gay poetry in America after World War II examine how AIDS is represented in the first four Latino novels to deal with the subject matter and chronicle the birth of lesbian feminist publishing in the 1970s showing how it created a flourishing gay literature in the 1980s and 1990s Other chapters outline the history of *The Ladder* from its initial publication in 1956 as the official vehicle of the Daughters of Bilitis to its final issue as a privately published literary magazine in 1972 examine Baldwin s 1962 novel *Another Country* and discuss the complicated critical history of this work and its relation to Baldwin s literary reputation racial sexual and political factors are taken into account chart how *Other Voices Other Rooms* by Truman Capote and *The House of Breath* by William Goyen reveal contradictory genderings of male homosexuality suggesting an absence of a unified model of mid twentieth century male homosexuality argue that the 1976 novel *Lover* by Bertha Harris can be considered an exemplary novel within discussions of both postmodern fiction and lesbian theory The author calls for Harris to be added to the group of writers such as Wittig Anzald a Lorde and Winterson who are discussed within the context of a postmodern lesbian narrative examine the short fiction of Canadian lesbian novelist Jane Rule in an effort to shed light on lesbian creative practice in the homophobic climate of postwar North America argue for an understanding of Dale Peck s novel *Martin and John* as an attempt to link two apparently different processes of import to contemporary male subjects through examination of the novel alongside selected passages from Nietzsche and Freud focus on the pragmatic issues of developing and maintaining accessible research venues from which to cultivate the study of racial and cultural diversity in lesbian lives Document the history of the Lesbian Herstory Archives one of the first lesbian specific collections in the world from its birth in the early 1970s to the present

Erotic Utopia Olga Matich, 2005-08-01

The first generation of Russian modernists experienced a profound sense of anxiety resulting from the belief that they were living in an age of decline What made them unique was their utopian prescription for overcoming the inevitability of decline and death both by metaphysical and physical means They intertwined their mystical erotic discourse with European degeneration theory and its obsession with the destabilization of gender In *Erotic Utopia* Olga Matich suggests that same sex desire underlay their most radical

utopian proposal of abolishing the traditional procreative family in favor of erotically induced abstinence 2006 Winner CHOICE Award for Outstanding Academic Titles Current Reviews for Academic Libraries Honorable Mention Aldo and Jean Scaglione Prize for Studies in Slavic Languages and Literatures Modern Language Association Offers a fresh perspective and a wealth of new information on early Russian modernism It is required reading for anyone interested in fin de siècle Russia and in the history of sexuality in general Bernice Glatzer Rosenthal Slavic and East European Journal Thoroughly entertaining Avril Pyman Slavic Review

Purple Passages Rachel Blau DuPlessis, 2012-03-15 At once passionate and dispassionate Rachel Blau DuPlessis meticulously outlines key moments of choice and debate about masculinity among writers as disparate as Ezra Pound T S Eliot Louis Zukofsky Charles Olson Robert Creeley and Allen Ginsberg choices that construct consequential models for institutions of poetic practice

The Psychology of Men Gerald I. Fogel, Frederick M. Lane, Robert S. Liebert, 1996-01-01 What does it mean to be a man How do men see themselves in relation to other men to women and to both the feminine and the masculine aspects of their own selves In this fascinating book a group of outstanding psychoanalysts explore the complexities and ambiguities of masculinity offering us fresh insights into men's fantasies and conflicts their developmental tasks including their role as fathers and the ways in which men are reacting to changing sexual standards and models An excellent book The contributors speak with admirable erudition achieve a choral balance that is rare in a multiauthored work and eloquently reaffirm the relevance and vitality of contemporary psychoanalytic theory Justin Simon M D American Journal of Psychiatry A fascinating book worthy of the attention of therapists doctors and nurses who work with male patients and men and women who love and struggle with men Samuel Osherson Hospital and Community Psychiatry The authors of The Psychology of Men fifteen gifted thinkers all well known analysts have contributed to this long overdue research Their combined efforts give us a glimpse of the suffering that lies behind men's homosexual and adolescent struggles their attempts to meet the challenge of fatherhood the myth of invulnerability and the ever present injunction to be a man The authors ably demonstrate that this is no easy task Joyce McDougall

The other Side of Desire Tamise Van Pelt, 2012-02-01 The other Side of Desire puts Jacques Lacan's theoretical constructs to work on texts as varied as Plato's Symposium Hamlet Tootsie and the journals of Sylvia Plath making the techniques of Lacanian analysis accessible to a wide variety of readers Moving from oppositional readings of Lacan himself through Lacan's search for an alternative to oppositionality to his solution in the theory of the registers Van Pelt rereads Lacan's most significant essays on aggressivity the mirror stage the subversion of the subject and the signification of the phallus making explicit the reading practices implicit in Lacan's first seven Seminars and his critics Throughout Van Pelt demonstrates Lacanian theory's pivotal role in the intellectual transition from the poststructuralism of the mid twentieth century to the post humanism of the twenty first
