*American Mirror* Deborah Solomon,2013-11-05 A NEW YORK TIMES BOOK REVIEW NOTABLE BOOK OF THE YEAR A FINALIST FOR THE LOS ANGELES TIMES BOOK PRIZE IN BIOGRAPHY AND SHORTLISTED FOR THE PEN JACQUELINE BOGRAD WELD AWARD FOR BIOGRAPHY Welcome to Rockwell Land writes Deborah Solomon in the introduction to this spirited and authoritative biography of the painter who provided twentieth century America with a defining image of itself As the star illustrator of The Saturday Evening Post for nearly half a century Norman Rockwell mingled fact and fiction in paintings that reflected the we the people communitarian ideals of American democracy Freckled Boy Scouts and their mutts sprightly grandmothers a young man standing up to speak at a town hall meeting a little black girl named Ruby Bridges walking into an all white school here was an America whose citizens seemed to believe in equality and gladness for all Who was this man who served as our unofficial artist in chief and bolstered our country s national identity Behind the folksy pipe smoking fa ade lay a surprisingly complex figure a lonely painter who suffered from depression and was consumed by a sense of inadequacy He wound up in treatment with the celebrated psychoanalyst Erik Erikson In fact Rockwell moved to Stockbridge Massachusetts so that he and his wife could be near Austen Riggs a leading psychiatric hospital What s interesting is how Rockwell s personal desire for inclusion and normalcy

spoke to the national desire for inclusion and normalcy writes Solomon His work mirrors his own temperament his sense of humor his fear of depths and struck Americans as a truer version of themselves than the sallow solemn hard bitten Puritans they knew from eighteenth century portraits Deborah Solomon a biographer and art critic draws on a wealth of unpublished letters and documents to explore the relationship between Rockwell s despairing personality and his genius for reflecting America s brightest hopes The thrill of his work she writes is that he was able to use a commercial form that of magazine illustration to thrash out his private obsessions In American Mirror Solomon trains her perceptive eye not only on Rockwell and his art but on the development of visual journalism as it evolved from illustration in the 1920s to photography in the 1930s to television in the 1950s She offers vivid cameos of the many famous Americans whom Rockwell counted as friends including President Dwight Eisenhower the folk artist Grandma Moses the rock musician Al Kooper and the generation of now forgotten painters who ushered in the Golden Age of illustration especially J C Leyendecker the reclusive legend who created the Arrow Collar Man Although derided by critics in his lifetime as a mere illustrator whose work could not compete with that of the Abstract Expressionists and other modern art movements Rockwell has since attracted a passionate following in the art world His faith in the power of storytelling puts his work in sync with the current art scene American Mirror brilliantly explains why he deserves to be remembered as an American master of the first rank *New York Magazine* ,1972-12-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Pop Art** Eric Shanes,2009-01-01 This book offers a radically new perspective on the Pop Art creative dynamic that has been around since the 1950s The book discusses the major contributors to the Pop Mass Culture Art tradition right up to the present including a number of artists who have never previously been associated with so called Pop Art but whose work showed a strong interest in mass culture The book reproduces in colour and in great detail over 150 of the key works of the Pop Mass Culture Art tradition allowing the reader to have a closer look and better understanding of these images **New York Magazine** ,1988-11-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1988-11-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission
