Argyll Ian Bradley,2015-09-30 Argyll is the beautiful wild and inspirational home of Celtic Christianity It is the spiritual heartland of Scotland and some would say of the whole United Kingdom Until now no one has sought to uncover the reasons why the spiritual landscape of Argyll is so distinctively unique rich and varied Why is it characterised by a more gentle liberal mystical and liturgical Christian culture than the harsher Calvinist evangelism of the neighbouring Highlands and the Western Isles Why has it produced such a disproportionately large amount of beautiful devotional material This joyful book with a cover image by popular artist JoLoMo is impressionistic and accessible but always of the highest scholarly standards It reveals the dominant themes and figures in Argyll s spiritual landscape Ian Bradley s love of Argyll shines through as he takes both a geographical and biographical approach and looks at the interplay of landscape and Christian belief through such figures as Columba Carswell sundry Campbells George Matheson George MacLeod and others Drawing on extensive original research and interviews with a wide variety of people including many Church of Scotland ministers and lay people this is an enthralling and fascinating read for all who are interested in Scottish history and identity Celtic Christianity and Scotland s spiritual heritage
